With reference to G.O., Mis. No. 452, Educational, dated 11th June 1908, I have the honour to submit a proposition statement for the transfer of the post of Headmaster of the Central High School, Mercara, from the Provincial to the Indian Educational Service on a salary of Rs. 500—50—750 per mensem. A corresponding proposition statement removing a post in the last grade (Rs. 200) of the Provincial Educational Service is also submitted.

2. In the absence of specific orders of Government for the removal of the post of Vice-Principal, College of Agriculture, Saidapet, from the Indian Educational Service, the post has been retained in the proposition statement now submitted.

Endorsement by A. M. BRIGSTOCKE, Esq., I.C.S., Accountant-General, Madras,
dated 5th August 1908, No. G.A.-43 (h)/3626.

Forwarded to the Secretary to Government, Educational Department.

2. The entries in the column "Present scale" have been compared with the registers of this office and are correct except in the following items:—

(a) The appointment of Vice-Principal of the Agricultural College is no longer in existence (*vide* letter from the Secretary to the Government of Madras, Revenue Department, to the Secretary to the Government of India, Department of Revenue and Agriculture, No. 4103 A.-06-4, dated 22nd April 1907).

(b) The sanctioned pay for the Superintendent, School of Arts, one of the appointments in the Indian Educational Service is Rs. 500—50—1,000. This should be shown in the proposition statement and not Rs. 750—25—1,000 which was the special rate of pay fixed for Mr. Hadaway. The Director of Public Instruction, however, points out that a proposition statement was submitted to Government for altering the rate of pay with his letter No. 3981, dated 22nd May 1906; this was forwarded under this office endorsement No. G. 429/2789, dated 7th June 1906. No orders however appear to have issued.

3. The creation of an appointment on Rs. 500—50—750 for the headmastership of the Central High School, Mercara, requires the sanction of the Secretary of State.

4. The delay in submitting this report is due to a reference having been made to the Director of Public Instruction regarding these discrepancies.

Order—No. 653, Educational, dated 10th September 1908.

The Government accept the proposal of the Director of Public Instruction to remove one appointment from the ninth grade of the Provincial Educational Service in consequence of the transfer of the post of Headmaster of the Mercara High School to the Indian Educational Service.

2. The following alterations will be made in the proposition statement relating to the Indian Educational Service submitted by the Director of Public Instruction:—

(1) The post of Vice-Principal of the College of Agriculture which was abolished from the date of arrival of Mr. Harrison, Agricultural Chemist, will be omitted.

(2) The pay of the post of Superintendent of the School of Arts will be shown as Rs. 500—50—1,000, which is the sanctioned pay of the appointment, a note being added at the foot of the proposition statement that the present incumbent of the post draws a special pay of Rs. 750—25—1,000.

3. The proposition statements as thus altered will be submitted to the Government of India for sanction.

THE SECRETARY TO THE GOVERNMENT OF INDIA,

HOME DEPARTMENT.

Dated Ootacamund, the 10th September 1908.

SIR,

With reference to the correspondence forwarded with Mr. Fell's endorsement, No. 354, Education, dated 1st May 1908, I am to state that the Chief Commissioner of Coorg has accepted the suggestion of the Government of India that the post of Headmaster of the Mercara High School should be included in the cadre of the Indian Educational Service, the salary being fixed at Rs. 500—50—750 per mensem and that it should be recruited for in the usual way through the Secretary of State. The Chief Commissioner has also requested this Government to submit proposition statements to the Government of India for sanction.

2. I am therefore directed to forward two proposition statements—one for the addition of a post on Rs. 500—50—750 to the Indian Educational Service on account of the Headmastership of the Mercara High School and the other for a corresponding reduction in the number of appointments in the Provincial Educational Service. In view of the fact that the number of appointments in the last (ninth) grade of the Provincial Educational Service is unduly large compared with those in the higher grades and that the present incumbent of the post of Headmaster of the Mercara High School holds an appointment in the last grade of the Provincial Educational Service, the Governor in Council has decided to effect the reduction in the number of appointments in that grade, although the post of Headmaster of the Mercara High School was placed in the eighth grade (the present seventh grade—salary Rs. 300 per mensem) when it was transferred to the Provincial Educational Service.

3. The proposition statements have been verified by the Accountant-General.

I have the honour to be,

Sir,

Your most obedient servant,

H. D. TAYLOR,
Secretary to Government.

NOTES CONNECTED WITH G.O., No. 452, EDUCATIONAL, DATED 11TH JUNE 1908.

From the Chief Commissioner of Coorg, dated 3rd June 1908, No. 1064.

The Chief Commissioner accepts the suggestion of the Government of India that the post of headmaster of the Mercara High School should be included in the Indian Educational Service and requests that the usual proposition statement may be submitted to the Government of India.

2. The Director of Public Instruction may be requested to submit the proposition statement. A draft is placed below for approval.

[G.O., No. 452, Educational, dated 11th June 1908.]

II

From the Director of Public Instruction, dated 6th July 1908, No. 4256.

The appointment of headmaster of the Mercara High School, Coorg, was transferred to the Madras Provincial Educational Service in the year 1901, the number of appointments in the seventh* class of that service being increased by one, on the understanding that the additional cost involved would be recovered by a contribution of Rs. 300 a month from the Coorg Administration—*vide* G.O., No. 628, Educational, dated 1st November 1901.

2. In March last, the Chief Commissioner of Coorg moved the Government of India to reserve a vacancy in the sixth grade of the Madras Provincial Educational Service on Rs. 350 per mensem for the headmastership of the Mercara High School, so that the services of a competent English graduate might be secured for the post. But the Chief Commissioner's proposal did not meet with the approval of the Government of India, who

* Please see letter No. 75, Educational, dated 13th February 1901, paragraph 2. The proposal there made was to add an appointment in the eighth class. In the reorganization of the Provincial Educational Service effected in 1902, the original eighth class (Rs. 300) became the present seventh class—G.O., No. 432, Educational, dated 25th July 1902.

K. RANGASWAMI AIYANGAR—20-8-08.

G.O., No. 391, Educational, dated 20th May 1908.

A similar proposal made to this Government was not also accepted—*vide* G.O., No. 232, Educational, dated 25th March 1908.

K. RANGASWAMI AIYANGAR—20-8-08.

suggested that the appointment should, like other headmasterships of high schools, be included in the Indian Educational Service, with a salary of Rs. 500—50—750 a month and that it should be recruited for in the usual way through the Secretary of State. They also requested the Chief Commissioner, if he accepted this suggestion, to move the Government of Madras to submit the usual proposition statements to them—*vide* Mr. Fell's letter No. 353, Education, dated 1st May 1908, on pages 2 and 3 of G.O., No. 391, Educational, dated 20th May 1908.

3. The Chief Commissioner accepted the suggestion of the Government of India and requested this Government to submit the usual proposition statement to the Government of India—*vide* Mr. Rennie's letter No. 1064, dated 3rd June 1908, in G.O., No. 452, Educational, dated 11th June 1908. The Director of Public Instruction was accordingly requested to submit the necessary proposition statements and they are now submitted.

4. In forwarding the proposition statements the Accountant-General points out—

(1) that the appointment of Vice-Principal of the College of Agriculture (Rs. 400—20—500) is no longer in existence and should therefore be omitted from the proposition statement, and

(2) that the pay of the Superintendent of the School of Arts should be shown as Rs. 500—50—1,000 and not as Rs. 750—25—1,000 which was the special rate of pay fixed for Mr. Hadaway.

5. As regards the Vice-Principalship of the College of Agriculture, it is submitted that this appointment was abolished from the date* of arrival of Mr. Harrison, Agricultural Chemist. It should, as pointed out by the Accountant-General, be omitted from the proposition statement relating to the Indian Educational Service.

6. With regard to the pay of the Superintendent of the School of Arts, a proposition statement was, as stated by the Director of Public Instruction, submitted to the Government of India with letter No. 404, Educational, dated 9th June 1906, for altering the scale of pay of the Superintendent from Rs. 500—50—1,000 to Rs. 750—25—1,000; but the alteration does not appear to have been formally sanctioned, although Mr. Hadaway has been allowed pay at the rate of Rs. 750—25—1,000. In these circumstances it is for consideration what should be given as the pay of the appointment in the proposition statement.

The present pay must, I think, be regarded as personal to Mr. Hadaway, the standard scale of Rs. 500—50—1,000 being adopted.

H. D. TAYLOR.

7. In the proposition statement relating to the Provincial Educational Service the Director has omitted one appointment on Rs. 200 in the ninth class of the Provincial Educational Service on account of the removal from that service of the headmastership of the Mercara High School, although one on Rs. 300 was added to the seventh class when that appointment was included in the service in 1901—*vide* G.O., No. 628, Educational, dated 1st November 1901. It is for consideration whether the action of the Director of Public Instruction in this case may be approved.

T.K.—19-8-08.

The proposal to place the appointment in the Indian Educational Service does not affect the Provincial revenues, as the extra cost of the arrangement will be a charge against Coorg (Imperial) revenues. The additional cost which will be involved by the transfer of the post from the Provincial to the Indian Educational Service is Rs. 4—8—*vide* paragraph 2 of India's letter No. 353, dated 1st May 1908, on G.O., No. 391, Educational, dated 20th May 1908.

otherwise provided for. As there is a vacancy in the first grade caused by the death of Mr. T. R. Scott, this consequence may probably be obviated. But in view of the fact that the general revision of the Provincial Educational Service is under ‡ contemplation, it is for consideration whether the Director of Public Instruction's present proposal may not be accepted. This will cause an immediate increase in expenditure of Rs. 100 a month.

FINANCIAL DEPARTMENT.

Letter No. 404, Educational, dated 9th June 1906, does not clearly state whether the altered rate of pay, Rupees 750—25—1,000, of the Superintendent of the School of Arts should be personal to the officer whom he selected in England and did not say anything about the revised rate of pay. But in Mr. Hadaway's agreement the rate of pay given is Rs. 750—25—1,000. The Secretary of State apparently intended the new rate of pay to be personal to Mr. Hadaway. If so, the proposition statement should give the usual rate of pay of the appointment, viz., Rs. 500—50—1,000, as observed by the Accountant-General; a foot-note being added in the statement to the effect that the present incumbent of the post of the Superintendent of School of Arts draws a special pay of Rs. 750—25—1,000.

Mr. Hadaway who was subsequently selected by the Secretary of State, or special for that particular appointment. The Secretary of State only intimated the name of the officer whom he selected in England and did not say anything about the revised rate of pay. But in Mr. Hadaway's agreement the rate of pay given is Rs. 750—25—1,000. The Secretary of State apparently intended the new rate of pay to be personal to Mr. Hadaway. If so, the proposition statement should give the usual rate of pay of the appointment, viz., Rs. 500—50—1,000, as observed by the Accountant-General; a foot-note being added in the statement to the effect that the present incumbent of the post of the Superintendent of School of Arts draws a special pay of Rs. 750—25—1,000.
