EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from E. THURSTON, Esq., Superintendent, Government Museum.
To—the Secretary to Government, Educational Department.
Dated—Madras, the 9th September 1908.
No.—512.

In continuation of my No. 584, dated 16th September 1907, embodied in G.O., No. 677, Educational, dated 5th October 1907, I have the honour to request the sanction of Government for a further extension of the services of the two draftsmen for one year from the 1st proximo.

2. I may add that I have consulted Mr. Hadaway, Superintendent of the School of Arts, who writes to me as follows: "I think that this work is worth going on with, and would suggest that sanction for continuance of the work be asked for another year. If the work is to be done thoroughly, more money will be required for seeking out fresh examples, and for more draftsmen to work at making drawings".

3. I propose to address Government hereafter on the subject of the extension of the work, after going fully into it with Mr. Hadaway.

Order—No. 670, Educational, dated 19th September 1908.

The Government sanction the retention for a further period of one year from 1st October 1908, of the two draftsmen on Rs. 30 each employed in the School of Arts for the preparation of the illustrated pattern books.

From the Superintendent, Government Museum, dated 9th September 1908, No. 512.

In Home Department Resolutions Nos. 423-431 (Education), dated 29th June 1905, printed with G.O., No. 487, Educational, dated 14th July 1905, the Government of India, after consulting the local Governments, issued instructions for the preparation and publication of standard pattern books for the principal art industries in India. These instructions will be found on pages 2 and 3 of G.O., No. 487, Educational, dated 14th July 1905.

2. In G.O., No. 684, Educational, dated 24th October 1905, this Government sanctioned the employment of two temporary draftsmen on Rs. 30 each per mensem for a period of one year from the 1st October 1905 for the preparation of pattern books for the principal art industries in the Madras Presidency. These draftsmen are still engaged in the work, their continued employment having been sanctioned first in G.O., No. 628, Educational, dated 24th September 1906, and again in G.O., No. 677, Educational, dated 5th October 1907. The sanction accorded in the last Government Order, expires with the end of the current month and the Superintendent, Government Museum, requests that the sanction of Government may be accorded to the retention of the draftsmen for another year from the 1st October 1908.

3. When sanction was accorded to the retention of the draftsmen last year, the Superintendent, Government Museum, was requested to state when the work was likely to be completed—*vide* paragraph 2 of G.O., No. 677, Educational, dated 5th October 1907. Mr. Thurston then reported—

"There is no prospect of the work being completed in the near future. The draftsmen are at present working mainly at designs of selected articles in metal-ware, whereof a large quantity still remains to be illustrated. And there is still further a great deal of work to do in connection with design in wood and stone"—*vide* page 1 of G.O., No. 743, Educational, dated 6th November 1907.

4. In his present letter Mr. Thurston states that he consulted Mr. Hadaway, Superintendent of the School of Arts, about the matter and that Mr. Hadaway has written to him as follows:—

"I think that this work is worth going on with and would suggest that sanction for continuance of the work be asked for another year. If the work is to be done thoroughly more money will be required for seeking out fresh examples, and for more draftsmen to work at making drawings".

No. 670, EDUCATIONAL, 19TH SEPTEMBER 1908.

Mr. Thurston proposes to address Government hereafter on the subject of the extension of the work, after going fully into the matter with Mr. Hadaway.

5. In these circumstances, the retention of the draftsmen for a further period of one year may, it is submitted, be sanctioned. Under Financial Memorandum No. 3132-2, dated 27th July 1908, the continuance of this temporary establishment can be sanctioned by this Department without any reference to the Financial Department. The draft placed below is for approval.

6. The Government of India have forwarded for information to this Government copy of correspondence with the Government of Bengal on the subject of these pattern books; and this has been submitted for orders separately.
