G.O., Mis. No. 627, Educational, dated 2nd September 1908.

(1)

Memorial—from V. GOPALADESIKACHARI, Permanent Copyist and Acting Sixth Clerk, Office of the Commissioner for Government Examinations.
To—His Excellency the Governor in Council, Fort St. George (through the Commissioner for Government Examinations).
Dated—Madras, the 31st January 1908.

MOST RESPECTFULLY SHEWETH,—That your memorialist is a copyist in the office of the Commissioner for Government Examinations, Madras, in receipt of a pay of Rs. 15 per mensem with a total service of $2\frac{1}{2}$ years, excluding his service as temporary clerk during the 2 years preceding his confirmation. His pay at present as acting sixth clerk is Rs. 19.

2. That your memorialist among others begs to acknowledge with gratitude the good that has arisen from the reduction of the salt duty and the benevolent concessions granted to comparatively low paid subordinates in the matter of leave and pension rules. These and other manifestations of the parental care and kind sympathy on the part of the Government have induced the memorialist to fervently hope that one point more will receive your Excellency's favourable consideration.

3. That your memorialist begs to submit that of late years his existence in the Presidency town has for a variety of causes become more and more costly.

4. That the more important causes of this increased cost of living in Madras are—
 (i) the enhanced price at which rice, the staple food of the Madrasis, is selling, and
 (ii) constantly increasing house-rent which advances in more than equal proportion to the rise in taxes and population. Further details on the subject can be given, but as they would take up much space and are probably already known to Government they are not given here.

5. That your memorialist utters nothing but the plain truth when he says that the sum of Rs. 15 a month which has fallen to his lot is quite inadequate to enable him to make both ends meet after defraying the cost of the above mentioned two main items of expenditure.

6. That the scale of pay of the lower appointments in this office is not such as to give him hopes of redeeming his worldly status even at a distant future.

7. That your memorialist therefore prays that in view of these circumstances and of the fact that the lower scales were fixed years ago when living was comparatively much cheaper than at present, the scale of salaries of the clerical establishment may be enhanced and that the starting pay may be fixed at Rs. 30 per mensem.

8. For this act of your Excellency's kindness and generosity in the matter the memorialist shall feel most grateful and shall, as in duty bound, every pray.
