Station Madras, Dated the 26th September 1908.

From (Name) The Hon'ble Mr. A. G. Bourne, D. Sc., F.R.S.C.I.E.

(Designation) Director of Public Instruction,

Madras

To the Secretary to the Government of Madras,

Through The Accountant-General/
Educational Department

I have the honour to request you will be so good as to obtain the sanction of Government for the employment for six months from 1st October 1908, of two temporary additional assistants one on Rs 18 and the other on Rs 15, for the practising section of the Government Training School for Mistresses, Coimbatore.

2. In G.O. No. 453 Mis. Educational dated 11th June 1908, sanction was accorded to the employment of two temporary assistants on Rs 35 and Rs 12 up to the 31st March 1909 in view of the increased strength of the school. The Inspectress now reports that the strength of the practising section has, further, increased since in almost all the classes as will be observed from the figures in the margin and that the existing staff is

unable

unable to cope with the increased work. There are, at present,

recently sanctioned, and it is reported that at least two of these in addition to the Headmistress are required for the Training section which contains two distinct sections of students, viz, those of the 1st and 2nd year, who are doing totally different work and that as there are no separate teachers for Drawing and Drill as in the case of boys' schools, the work of the Training staff even as it is, is very heavy. Looking to the strength of the Practising department, it will be seen that at least ten teachers will be required to cope with the work, three for the Infant class, two for the first class, one each for the 2nd, 3rd and 4th classes and the first form and one for both the 2nd and 3rd forms.

Hence the necessity for two extra assistants.

3. I herewith submit, in duplicate, the necessary reappropriation and proposition statements for favour of early sanction.

4. As the increase in the strength of the practising section is likely to be maintained even next year, I am providing for the salaries of all the four temporary assistants in the budget estimate for 1909-1910 in anticipation of the sanction of Government.

I have the honour to be,
Sir,
Your most obedient servant,

C. Krishnaswami

NOTES.

C. No. 2187 From the D.P.I. No. 4580, dated 26-9-1908.

SUBJECT

Proposals for the appointment of two temporary Assistants in the Govt. Training School for Mistresses, Coimbatore

Page 1 of C.F.

The D.P.I. requests the sanction of Govt. ~~for~~ ^{to} the employment of two temporary Assistants - one on Rs 15 ~~per~~ ^{per} and the other on Rs 15 ~~per~~ ^{per} in the practising section of the Govt. Training School for Mistresses ^{Coimbatore} for a period of six months from the 1st October 1908.

Page 2 of C.F.

2. The reason for the proposed appointments is that the strength of the practising section has considerably increased - from 270 on the 31st March 1908 ^(about the end of September 1908) to 343 ~~at present~~. The strength at present of the various classes of the practising section is -

3. On the principle laid down in rule 12 of the Educational Rules that there should be a teacher for every 30 pupils (in an elementary school), the above eight classes should have at least 11 teachers. ~~But~~ The teaching staff of the school including the Head

mistress and two temporary assistants, at present consist-
of eleven teachers. Of these, the Head mistress
and two assistants are solely engaged with the
Training section, thus leaving only eight assistants
for the practising section. ~~Dr. Proome, however,~~
~~but the Director considers~~

"that at least ten teachers will be required to cope
"with the work, three for the Infant class, two
"for the 1st class, one each for the 2nd, 3rd and
"4th classes and the first form and one for both the
"2nd and 3rd forms."

3. As there is no provision in the current year's
budget for meeting the cost of these additional
teachers, the Director proposes to provide the necessary
funds by a re-appropriation from the provision
made for "salaries" under "Law College".

4. As the cost of the proposed temporary appoint-
ments for six months is only Rs 198, the establish-
ment can be sanctioned by this Dept without
previous reference to the Financial Dept - vide
Finl. Memo - no - 2092-1 dated 29th May 1908.

5. A draft order sanctioning the proposition
statement is submitted for approval.

M₁ The training School for mistresses for
Caimbafore, consists of a training section
and a practising section. The strength
of the Training section on the 31st march 1908
was

now more than

has been steady, but no attempt has been made to explain the loss. The

29 as compared with 15 on the 31st March 1907, while the strength of the Practising Section was 270 as compared with 170. In May 1908, the D.P.I. represented that a strengthening of the Staff was necessary in view of the large increase in the attendance of the Schools, but ~~that~~ as he did not want to make any permanent addition until the Scheme in regard to Training Schools had been finally considered Dr. Bowme proposed to employ two temporary teachers, one on Rs 35 per m and the other on Rs 12 per m, and this proposal was approved in G.O. No 453 Edl., dated 11th June 1908.

2. The D.P.I. now states that the Inspectress reports that the strength of the practising Section has further increased from 270 to 343, and as the existing staff "is unable to cope with the work" Dr. Bowme proposes the employment of two temporary additional assistants on Rs 18 + Rs 15 per m respectively, for six months from 1st October 1908.

3. It is observed that the attendance of the practising Section now more than double what

has been steady, but no attempt has been made to explain the large increase. The necessity for the two extra assistants appears however to be real and their employment may be sanctioned. But it is for consideration whether it will not be enough to sanction their employment until the end of the current term or until the ~~20th December 1898~~ Commencement of the Christmas holidays, leaving the D.P.G. to come up for fresh sanction if the strength of the School is maintained at the ~~commencement~~ beginning of next year.
