I learn that most of the papers have been already set.

The Chief Examiners (Members, the Board) will have to be paid their remuneration this time but I do not think that it will be necessary to appoint the assistants proposed in the current. This work may be put upon the staff this year and all the work next year.

There are two men on the staff who can do the Tamil & Telugu and the other work can be distributed. I presume the Order will issue very soon.
