ABSTRACT.—Sanctioning, subject to certain conditions, a building grant of Rs. 3,000 towards the cost of constructing an additional building for the school department of the St. Aloysius' College, Mangalore.

II

Letter—from the Rev. P. PERINI, S.J., Manager and Principal, St. Aloysius' College, Mangalore.
To—the Director of Public Instruction.
Dated—the 28th July 1908.
No.—63.

In compliance with your order in Proceedings No. 3617, dated 27th November 1907, I have the honour to return herewith the approved plan and estimate of the additional building for the school department of this college and to report that the work of construction is making satisfactory progress. The building will be completed by the 31st December 1908.

The suggestions of the Chief Engineer in the note attached to your Proceedings quoted above have been adopted, but their adoption has increased the cost of the building from Rs. 9,220 to Rs. 10,370.

The enclosed revised estimate and comparative statement give in detail the items which have necessitated additional expenditure.

I have the honour to request you to be so good as to sanction the additional expenditure and to recommend to Government a proportionate increase of grant under rule 51 of the Grant-in-Aid Code. I am compelled to make this request in view of the present financial difficulties of this college due to the heavy expenditure in connection with the college department.

Ref. on C. No. 3617/07, dated 18th August 1908.

Submitted to Government with reference to G.O., No. 724, Educational, dated 31st October 1907, and recommended that, in the circumstances stated by the management, an additional grant of Rs. 383 be sanctioned. This is a third of the difference (Rs. 1,150) between the estimate as approved by Government in the above order (Rs. 9,220) and the revised estimate (Rs. 10,370).

A. G. BOURNE,
Director of Public Instruction.

III

Note by the Chief Engineer, Public Works Department, dated
24th October 1908.

The Director of Public Instruction submits a revised estimate, amounting to Rs. 10,370, for constructing an additional building for the school department of St. Aloysius' College, Mangalore. The original estimate, sanctioned in G.O., No. 724, Educational, of 31st October 1907, amounted to Rs. 9,220.

The increase is due to the necessary structural modifications recommended in the Chief Engineer's note with the Government Order quoted above and to certain other minor items which may be accepted. The revised estimate, amounting to Rs. 10,370, is recommended for sanction.

F. J. WILSON,
Chief Engineer, P.W.D.

Order—No. 766, Educational, dated 14th November 1908.

In the circumstances stated by the management, the amount of the grant sanctioned in G.O., No. 724, Educational, dated 31st October 1908, towards the cost of constructing an additional building for the school department of the St. Aloysius' College, Mangalore, will be raised from Rs. 3,000 to Rs. 3,383 or to one-third of the actual cost of executing the work, whichever is less.

From the Director of Public Instruction, dated 18th August 1908, No. 3617.

In G.O., No. 724, Educational, dated 31st October 1907, the Government sanctioned a grant of Rs. 3,000 towards the cost of constructing an additional building for the school department of the St. Aloysius' College, Mangalore.

2. One of the conditions subject to which the grant was sanctioned was that in constructing the additional building, the management should adopt the suggestions of the Chief Engineer contained in his note, dated the 10th October 1907.

Page 2 of G.O., No. 724, Educational, dated 31st October 1907.

3. The manager now states that he has adopted the suggestions of the Chief Engineer, but that their adoption has increased the cost of the building from Rupees 9,220 to Rs. 10,370. He, therefore, requests that the grant already sanctioned may be proportionately increased, i.e., by Rs. 383, or one-third of the additional cost of Rs. 1,150.

4. It is submitted that the revised estimate submitted by the manager may, in the first instance, be forwarded u.o. to the Public Works Department for scrutiny.
