Letter from the District Judge, Guntur,
To the Registrar, High Court, Madras,
Dated 23rd September 1908.
No. 4628.

In enclosing herewith an application submitted to this court by Mahamad Abdul Khadir, Ag. 2nd clerk in the District Munsif's Court of Ongole, praying to be recommended for permanent exemption from passing the Civil Judicial Test, I have the honour to request that the High Court may be pleased to address the Government for obtaining the required exemption. The applicant, who is a permanent Deputy Nazir on Rs.25 is a first class Matriculate and has put in a service of about 19 years. Many of the officers under whom he happened to serve, testified to his intelligence and ability and the present District Munsif of Ongole also recommends him strongly.

2. Further, he seeks the present exemption from passing the Civil Judicial Test so as to enable him to qualify himself for higher appointments in the Judicial line and in view of the fact that he is the only Mahamadan passed candidate in service in the Judicial Department in the whole district, he deserves, in my humble opinion, some such special concession as this.

Thro:

M.R.Ry. K. Kristnamachariar Avgl. B.A., B.L.,

District Munsiff, Ongole.

Most Honoured Sir,

I beg to state that I am the acting 2nd clerk in the Court of the District Munsiff of Ongole, and that the designation of my substantiated appointment is Deputy Nazir. I was entertained in the Government service on 1st January 1890 as the 7th clerk on a pay of Rs. 15/- per mensem in the District Munsiff's Court of Kanigiri and I have been promoted to the present substantiated appointment on 12-4-'05. I have put in an active service of 19 years during which period, I have got a promotion of only Rs. 10/-. I was in charge of the duties of the head clerk in the Munsiff's Court several times and discharged the same to the satisfaction of the several Munsiffs then in charge of the office and the copies of testimonials given by them, some of whom are at present Sub Judges, will show the manner in which I discharged the duty entrusted to my care.

2. With regard to my educational qualifications, I beg to state that I passed the matriculation Examination in the 1st class in 1886, Translation Lower in 1888 and Criminal Lower in 1893. I was not able to qualify myself for higher University Examinations though the Government was pleased to offer me a scholarship of Rs. 10/- per mensem to enable me to prosecute my studies further, as there was not then a local College at Ongole, and as my father, a low-paid Government servant, had not

sufficient

2
sufficient means to give me any additional pecuniary help, if I were to study at Madras. Owing to pressure of work in the office and adverse domestic circumstances, I was not in a position to complete all the necessary special test examinations to qualify myself for promotion in the service. I am at present 39 years old and as I have lost all my studious habits, I find it extremely difficult to apply myself to study with a view to complete the necessary tests by passing the Civil Judicial Test which is the only test at present a bar in the way of my promotion.

3. I have been promoted to the appointment of Deputy Nazir after a service of 15 years and I beg to submit that the present pay is hardly sufficient to keep body and soul together my family which consists of 14 members. My age does not allow me to complete the necessary test like Juniors in the service. I am -- thoroughly conversant with all the departmental work, as I have discharged the duty of every sort in my long service. The appointment of the Head Clerk is at present vacant and the vacancy is likely to become permanent in February '09 on the retirement of L. Narasimham Puntulu Caru. Though I have been in charge of the same duty several times and though I am the only Mahamadan passed candidate in service in the Judicial Department in the whole of the Guntur District, my claims have been overlooked on account of my not passing the Civil Judicial Test.

4. In kind consideration of the facts submitted in the previous paras, I humbly request that your honour will be pleased to move the Government through the High Court of Judicature at Madras to exempt me from passing the Civil Judicial Test and thus qualify me for higher appointment.

5. For Which act of kindness, I, as in duty bound,

shall

shall ever pray,

I humbly beg to remain,

Most Honoured Sir,

Your most obedient servant,

Mohammed Abdul Khader

TESTIMONIALS.

---ooOoo---

I take pleasure in certifying that Mohammed Abdul Khader was a student of the Baptist Mission High School during the entire -- course from the Primary Department to the Matriculation Examination. This he passed in the first class last December. His conduct as a student was always of the very best in all respects, and I confidently expect to hear of his success hereafter in whatever work he undertakes.

Mahammad Abdul Khader -- He passed the Matriculation Examination in the first class. I entertained him in public service -- first and I am glad to be able to say that he has quite met my expectations in business. He is very intelligent and equally industrious, conscientious and obedient. What has pleased me most in him is that he is able to do anything entrusted to him neatly and systematically.

For 3 years till last year, he was bench clerk in which capacity he pleased me immensely by the quickness with which he followed me and the readiness with which he supplied any needful information. He now keeps the record in very good order and has always shown much neatness in every work. I gave him two promotions and I am sure he deserves still another.

As I am transferred to Tenali, I wish to place on record my opinion of the several clerks that worked under me. As a -- whole, I find the Establishment efficient and hardworking.

★ ★ ★ ★

I especially wish to place on record my views about the excellent, hard and honest work that Mohammad Abdul Cawder has put in and I fully concur with the very excellent remarks made by my -- predecessors. In other walks of life, he would have made a very useful public servant, mahammadan as he is. I am perfectly satisfied with his character and work and I wish him success in life.

My experience of the Ongole Munsiff's Court is rather very -- little. I worked for about a month only. I have read the testimony of my predecessor Mr. P.C. Tiruvenkatachariar about the work of the various clerks of the Establishment, and I had no occasion to differ from what he said. I was thoroughly satisfied with the work done by

I very strongly recommend
applicant for the kind
consideration of the District
Judge. He is thoroughly
conversant with the
work of a municipal Court
in all its branches and
has been doing the work
of Head clerk for some time
to my entire satisfaction.
A capable officer, a
first class matronate
of 1886 I thought, once before
when I wrote for getting
him exempted, he nobly
deserved encouragement.

I still think this case
might be taken to
prominent and permanent
exemption status. Every
one of the officers he has
served under speaks
very highly of him as the
best matronate in the
territory.

The Registrar of the High Court (Mr. J. J. Gillespie) forward for the orders of Government a copy of a letter from the ^(Mr. J. Janakiramayya Pantulu) Judge of Guntur, in which the latter requests that Muhammad Abdul Khadir, Ag. 2nd Clerk in the S^t. munsif's Court of Ongole, may be exempted permanently from the Civil Judicial test.

2. Abdul Khadir is a permanent Deputy Nazir on a salary of Rs 25 p. m. He has put in a service of about 19 years, and has passed the matriculation examination in the first class. As he is the only Muhammadan passed Candidate in service in the Judicial Department ^{in the whole district} (Mr. J. Janakiramayya Pantulu Jaru) Considers that he deserves the concession.

3. It is for consideration whether the exemption applied for may be granted. The ground on which the S^t. Judge bases his recommendation, namely, that he may be appointed to higher posts in the Judicial Department, appears to be personal. The remarks of the Judicial Dept may be obtained u.s. in the first instance.
