GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

I

G.O., Mis. No. 377, Educational, dated 16th May 1908.

ABSTRACT.—Stating that the question of making a grant towards the construction of a building for the Saivaprakasa Vidyasala, Chidambaram, will be considered when the plans and estimates have been revised by the management with reference to the suggestions made in the Chief Engineer's note.

II

Letter—from M.R.Ry. S. PONNAMBALA PILLAI, Correspondent, Saivaprakasa Vidyasala, Chidambaram.

To—the Director of Public Instruction.

Dated—the 11th August 1908.

No.—126.

In obedience to your Proceedings, Ref. on C. No. 8363 of 1907, dated 6th June 1908, forwarding me a copy of the suggestions made by the Chief Engineer in the plan and estimates submitted by me along with my application for grant-in-aid for the construction of a building for the Saivaprakasa Vidyasala, I beg to submit herewith a revised plan and estimate prepared in the light of the instructions contained in the note of the Chief Engineer referred to above and to report as follows.

2. In paragraphs (d) and (g) of the Chief Engineer's note he has suggested the following alterations in the interior bressummers and beams required for the construction :—

As given in the original plan.	As altered by the Chief Engineer.
Teak beam, 6" × 8".	Rolled steel beams, 15" × 5" × 42 lb.
Teak bressummers, 6" × 9".	" " 8" × 5" × 28 lb.

3. I addressed Messrs. D. Raju & Co., Madras, in my letter No. 125, dated 2nd instant, to favour me with a reply as to whether they can supply me with beams having the measurements suggested by the Chief Engineer and also to quote the prices. In reply thereto they have informed me that they can supply beams measuring 15" × 5" × 50 lb. and 9" × 4" × 23 lb. as they have got only these beams in their stock. Therefore, I have included the cost of beams referred to in D. Raju & Co.'s reply in the revised estimate.

4. The cost of the building according to the original estimate is Rs. 12,500. Now the cost of the building according to the estimate revised in the light of instructions of the Chief Engineer comes to Rs. 14,200. Hence there is an increase of Rs. 1,700 in the revised estimate. Therefore, I humbly request that you will be so good as to cause the necessary corrections made in the building grant application I have already submitted to your office. I am prepared to spend the two-thirds cost (of Rs. 1,133-5-4), being the increased expenditure towards the proposed construction of the building according to the revised estimate. I beg to add that I have also reserved the said amount of Rs. 1,133-5-4 and it is ready at my disposal.

5. With reference to paragraph (e) of the Chief Engineer's note requiring me to report the nature of the soil and sub-soil, I beg to state that I have already furnished this information in the original site plan itself. But, however, as I am directed to report the same again, I have furnished this information in the revised plan also.

6. I have, herewith, resubmitted the old plans and estimates.

Ref. on Cur. No. 4128 of 1907, dated 18th August 1908.

Submitted to Government, with reference to G.O., Mis. No. 377, Educational, dated 16th May 1908.

2. The revised plan and estimate and also those returned with the above Government order are herewith submitted.

A. G. BOURNE,
Director of Public Instruction.

III

Note by the Chief Engineer, Public Works Department.

The Director of Public Instruction submits with an application for a building grant an estimate, amounting to Rs. 14,200, for constructing a building for the Saivaprakasa Vidyasala, Chidambaram, South Arcot.

By alterations made in this office in timber scantlings, cast-iron columns, girders and foundations of columns, the estimate has been reduced by Rs. 1,160.

The pressure on the soil under the column is calculated to be 1.47 tons per square foot and that under the wall with the large arch is 1.36 tons per square foot.

From the description of the soil given, it appears likely that the foundations may have to be taken deeper, but this can best be decided by inspection after the foundations are excavated. If the building is constructed by private agency, the instructions of the Superintending Engineer after such inspection as the Superintending Engineer may direct should be obtained on this point before the foundations are built.

With these remarks, the estimate as altered by the Chief Engineer, amounting to Rs. 13,040, is recommended for sanction.

10th November 1908.

F. J. WILSON,
Chief Engineer.

Order—No. 776, Educational, dated 19th November 1908.

The Government are pleased to sanction a grant of Rs. 3,000 or one-third of the actual expenditure, whichever is less, towards the cost estimated at Rs. 13,042 of constructing a building for the Saivaprakasa Vidyasala, Chidambaram, subject to the following conditions :—

(1) That in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted ;

(2) that the work is completed before the 31st of May 1909 ;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 30th of June 1909 ;

(4) that the amount expended on the work does not fall short of Rs. 12,000 as actually verified ;

(5) that all other conditions prescribed in the Grant-in-aid Code have been duly complied with.

2. On the above conditions being fulfilled, the grant will be paid as funds become available.

(True Extract.)

H. D. TAYLOR,
Secretary to Government.

To the Director of Public Instruction, with plans and estimates.

Accountant-General.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 776, EDUCATIONAL,
DATED 19TH NOVEMBER 1908.

[SUBJECT.—*Revised plans and estimates, amounting to Rs. 14,200, for constructing a building for the Saivaprakasa Vidyasala, Chidambaram*]

Previous paper.

G.O., No. 377, Educational, dated 16th May 1908.

From the Director of Public Instruction, dated 18th August 1908, No. 4128.

In G.O., No. 377, Educational, dated 16th May 1908, the Director of Public Instruction was informed that the Government would consider the question of making a grant-in-aid of constructing a building for the Saivaprakasa Vidyasala, Chidambaram, when the plans and estimates had been revised in accordance with the Chief Engineer's suggestions.

2. The Director of Public Instruction now submits the revised plans and estimates for the building. The revision of the estimates has raised the cost of the building from Rs. 12,500 to Rs. 14,200, or an increase of Rs. 1,700.

3. Before the question of the grant is considered, the revised plans and estimates may, it is submitted, be forwarded to the Public Works Department u.o. for approval or remarks. That department may also be requested to intimate the time which will be required for the completion of the building.

P.R.—25-8-08.

K. RANGASWAMI AIYANGAR—25-8-08.

C. A. SOUTER—25-8-08.

To the Public Works Department.

PUBLIC WORKS DEPARTMENT.

The amount of the estimate has, on scrutiny, been reduced by the Chief Engineer, Public Works Department, from Rs. 14,200 to Rs. 13,040 for the reasons given in the accompanying note.

2. The work can be completed in six months.

INSTRUCTIONS FOR THE
SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b) For rules regarding printing of notes, see the rules in G.O., No. 1220, Public, dated 30th November 1900.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Deputy Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Deputy Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, but only the first time when they appear on the left side, the initials alone being printed later.

* Copies distributed on.....*(Press Clerk.)

† Copies distributed on.....*(Despatcher.)

* To be initialed and dated.

A	B	C
Please send proof in triplicate. The papers have been carefully edited.	Proof returned corrected. Please strike off and send number of copies as indicated.	As the matter is clear manuscript and has been carefully edited, (b) proof need not be sent. Please print and supply number of copies as indicated.
Type may be released after usual interval at once.	Type may be released after usual interval at once.	Type may be released after usual interval.
