To The Secretary to the Government of Madras,

Local and Municipal Department.

Sir,

In submitting the accompanying letter from the Superintendent, the King Institute, Guindy, for the orders of Government, I have the honour to request that, in view of the good opinion expressed of Shed Keeper Arokiaswamy Pillai, Government ~~may~~ be pleased to exempt him from the operation of the examination rules, so that he may be promoted to an appointment carrying a salary of more than Rs. 20 per mensem.

In compliance with your telephone message of the 26th current, I have the honor to request that you will apply for the sanction of Government for the promotion of Arokiasawmy Pillai from Shed-Keeper to the post of Vaccine Despatching clerk at Rs.20 - 1 - 25.

Although Arokiasawmy is without the education -- qualification required by Government for employees receiving -- over Rs.20/- per mensem, he is in several ways more qualified for the duties of this post than an ordinary clerk.

- (1) During his period of service which goes right back to the opening of the Institute, he has on several occasions acted as Deputy Inspector and is thoroughly conversant with the preparation and handling of vaccine.
- (2) Part of his routine duties in the past has been helping in the packing and despatch of vaccine/work which will constitute the main duty of the new post.
- (3) Throughout his service of nearly five years at the Institute he has consistently earned the approbation of his superiors and I think that his case is one deserving of special consideration and treatment.

I enclose his application together with copies of testimonials that he has received from time to time.

Respected Sir,

I beg most respectfully to submit the following to your honor's generous Consideration and for favour of orders.

I was first sent to the Bangalore Vaccine Institute by Col. King for being trained, and after was trained I was appointed as a shed keeper on the 25th January 04, and I have now put in 4 years and 8 months' service. I have, at intervals, acted as Assistant Superintendent in the Vaccine Section on 3 occasions amounting to nearly 3½ months' service as such. I have been working here throughout my service in the Institute and have given entire satisfaction to my superiors, so that Captain Christophers was once pleased to recommend me for being exempted from my Educational qualification in order to enable me to hold posts in the Superior Service.

As there is no further prospect of my getting promotion in this department and as a new appointment has been recently created for the despatch of Vaccine tubes on Rs 25 to 35 grade I humbly beg to offer myself as a candidate for the same.

Sd/- 14.37.10

20.10.8

I beg further to state that the despatch of Vaccine tubes, was by Col. King separated from the work of the office staff and entrusted to the executive branch of Vaccine Section, as the handling and packing of tubes require a certain amount of knowledge in Vaccination. I have been attending to the despatch work ever since I was appointed as a shed keeper and I have discharged the duty satisfactorily.

I beg therefore to request your honor will be pleased to exempt me from any educational qualification if necessary, and to confer the said post on me for which act of kindness and charity, I shall ever pray.

I herewith beg to enclose the copies of my testimonials for your honor's kind perusal.

I beg to remain,

Respected Sir,

Your most obedient servant

J. S. Arokiasamy,

Shed keeper,

Sir,

With reference to the enclosed application from Shed keeper Arokiasamy I have the honor to ask whether in view of his special qualifications he might not be exempted from educational qualification necessary to enable him to be taken on the roll of Deputy Inspectors. His knowledge of vaccine and vaccination is far higher than even the best of the men passing through the vaccination class. He is steady hardworking man whose conduct has been exemplary and who is desirous of advancement. As stated in his application he had already gone through a course at Bangalore with the idea of bettering himself. He is in fact above the ordinary run of men we have had as shed-keepers and is far better fitted to take up the duties of an Assistant Superintendent than an untrained man. It seems a pity that as shed keeper he should be doomed never

C.No. 3587 L., from the Sanitary Commissioner, No. 2898/S.,d/2-11-1908.

S U B J E C T.

Recommending the exemption from the Examination Rules of Arokiyaswami Pillai, a shed keeper in the King Institute, Guindy to enable him to be promoted to an appointment carrying a salary of more than Rs.20 per mensem.

V.

Under ^{article} ~~para.~~ 1 of the Public Service Notifications, modified with reference to G.O. No. 511 Educational dated 9th July 1908, educational qualifications are required for posts of which the salary ^{or} ~~(in~~ the case of appointments carrying a progressive salary, the maximum salary) exceeds Rs.20 per mensem.

2. In G.O. No. 1437 L., dated 20th October 1908, a ^{Vaccine} ~~despatching~~ clerk on Rs.20-1-25 was sanctioned for ~~the~~ employment in the vaccine section of the King Institute.

3. With ^{his} current letter, the Sanitary Commissioner (Major Clemesha) submits for the favourable consideration of Government a letter from the Superintendent of the King Institute, Guindy, recommending the exemption from the Examination rules of J.S. Arokiyaswami Pillai, a ^{on Rs 20} ~~shed keeper~~ in the Institute with a view to his promotion to the post of Vaccine despatching clerk on Rs.20-1-25 in the King Institute recently sanctioned in G.O. No. 1437 L., dated 20th October 1908 quoted in para. 2 above.

pp 4+5 cf.

4. In his petition to the Superintendent of the King Institute, Arokiyaswami Pillai states that

12

that after he underwent training in the Vaccine Institute, Bangalore, he was appointed as a shed keeper on the 25th January 1904 and ~~he is~~ ^{has been} holding the post ever since, that on 3 occasions amounting to nearly 3½ months he had acted as Assistant superintendent in the vaccine section of the King Institute and that he has given entire satisfaction to his superiors so much so that Captain Christophers even recommended his exemption from the Examination rules with a view to enable him to hold further posts in superior service. The petitioner states that the despatch of vaccine tubes was entrusted to the ~~Executive~~ ^{Executive} branch of the Vaccine section, that he has been attending to the despatch of vaccine tubes ever since his appointment as a shed keeper and that as such he is fitted to occupy the post of vaccine despatch clerk now sanctioned by Government.

p. 24.

5. The Superintendent of the King Institute (~~Dr. Maitland Wilson~~) ^{Chlor} says that Arokiaswami Pillai is more qualified for the post of the despatching clerk than an ordinary clerk for the following reasons:-

(1) "During ~~the~~ ^{his} period of service which goes right back to the opening of the Institute, he has on several occasions acted as Deputy Inspector, ^{is Assistant Insp.} and is thoroughly conversant ~~in~~ with the preparation and handling of vaccine.

"(2) Part of his routine duties in the past has been helping in the packing and ~~despatching~~ despatch of vaccine work which will constitute the main duty of the new post, and that his case ^{is} one deserving of special consideration."

6. In view of the good opinion expressed of Arokiaswami Pillai by the Superintendent of the King

King Institute, Major Clemesha recommends that the candidate may be exempted from the Examination rules so that he may be promoted to an appointment carrying a salary of more than Rs.20 per mensem (presumably for the post of despatching clerk)

7. Recently with reference to a petition from the shed keepers of the King Institute of whom the petitioner was one, praying that their services may be rendered superior, the Government declined to grant their request though it had the support of the Sanitary Commissioner. It is for consideration whether the petitioner should, as recommended by the Sanitary Commissioner, be now exempted from the Examination rules to enable him to hold the post of vaccine despatching clerk on Rs.20-1-25 per mensem.

The matter is one for consideration in the Educational Dept. However to whom the file may, it is subd, he forwarded

The Sanitary Commissioner's recommendation is based on purely personal grounds. It is not stated that there is dearth of qualified Candidates.

2. It is for Consideration whether the Sanitary Commissioner's recommendation the Arokyaswami Pillai may be exempted from the examination rules may be accepted.
