Station Madras, Dated the 13th November 1908

From (Name) A. G. Campbell Esq. I.C.S.
(Designation) Private Secretary to H.E. the Governor

To The Secretary to the Government of Madras,
Educational Department.

Sir,

I am desirous to transfer to you the enclosed Memorial dated the 12th November 1908 from Ruffur Rahman, Madras.

I have the honour to be,
Sir,

Your most Obedient Servant

A. G. Campbell

Private Secretary

To

His Excellency Sir Aurthur Lawley, K.C.M.G., G.C.I.E.,
Governor of Madras,
Government House, M a d r a s.

Through

A.Y.G. Campbell Esq., I.C.S.,
Private Secretary to His Excellency
the Governor of Madras.

The humble Memorial of
Luthfur Rahman.

Most humbly sheweth,

That your Excellency's humble Memorialist in continuation of his memorial dated 17th Septer. 1908 submitted through the Accountant-General and your Excellency's Private Secretary praying for a Probationary Deputy Tahsildar's place, begs further to bring certain matters connected with his humble case to Your Excellency's kind notice which deserve Your Excellency's best and sympathatic consideration.

That with reference to his first Memorial of the 17th September last, the enclosed letter marked A was sent to him in reply. In due obedience to the said letter, the Memorialist after duly filling in the application form submitted to the Private Secretary through the Accountant-General on the 9th October 1908, with the hope of getting a favourable reply. To his great disappointment the enclosed reply marked B was communicated to him through the Accountant-General, the contents of which

flung the Memorialist into the abyss of sorrow.

That in connection with the reply marked B, the humble Memorialist begs to invite Your Excellency's kind attention to the reply from the Government of India No. 4213-Ex Financial dated 2nd August, 1902, with reference to the Revenue Secretary's letter of the Madras Government No. 1399 dated 18th April, 1899. The then Revenue Secretary in his above letter clearly recommends to the Government of India, Home Department, for the nomination of 3 Revenue Probationers and recognises the claims to the aforesaid nomination only of such educated young men as are of a noble extract and bonafide natives of the country. The epithet "educated" does not restrict its application to the educational qualifications only of a graduate, F.A., or a Matriculate. If the Government of your Excellency has ruled that a passed candidate should be nominated to that place, the memorialist in consideration of the special ancestral claims is entitled to ~~that~~ special exemption from examination rule, so as to qualify himself to enter upon the duties of a Revenue Probationer, as he is more or less able to successfully compete in the field of general knowledge ~~with his~~ present educational qualifications with those who have won laurels in the University Examination, although he has studied only up to the Matriculation Standard in the recognised institution at Madras. To learn the Revenue functions and Magistral duties and to successfully pass through the required tests examination for the confirmation in the appointment he now seeks 2 years time (which is the Probationary period) is sufficient for him. Your Excellency will then know the memorialist's capability and educational qualifications when he will be, as he confidently hopes favourably reported to Government by the District Collector under whom he will be ordered to serve. Unless and until the memorialist is tried in the post he

prays for, his intrinsic capabilities and educational qualifications cannot ~~be~~ easily be judged.

That Your Excellency's humble Memorialist having all the necessary qualifications in him prays for a Probationary Deputy Tahsildar's place only because of his unfortunately being an unpassed candidate. Had he passed at least his Matriculation Examination, it would have been sufficient in addition to his birth claim to succeed at the hands of the benevolent Government during the time of Sir Aurthur Elbank Havealock G.C.M.G., G.C.I.E., Ex-Governor of Madras in getting a start of Rs. 250/- per mensem in the appointments of higher grade of Public Service as a Probationary Deputy Collector which was done in case of Rafeeul-Mulk Bahadur grand-son of the Nawab of Kurnool, the memorialist being in no way inferior to him in birth claim. As the memorialist was too young then to manage a responsible appointment of the Revenue Department in the higher grade of Public Service, he never requested that generous Governor to confer upon the Memorialist ~~the~~ Probationary Deputy Collectorship; but then with a view to gain official experience of the salt, abkari and customs Revenue, applied for exemption from passing the Upper Secondary Examination which was accordingly granted to him (vide Paymaster, Carnatic Stipends Report under G.O. No. 803 Educational dated 2nd December 1899).

That your Excellency will see from his application of the 9th October, 1908, that his father's uncle held a gazetted appointment as a Presidency Magistrate at Madras, and his two maternal relatives are still holding gazetted appointments as Sub-Judge and Deputy Collector respectively. And the memorialist here begs to add that his father's name also was registered in the Madras Government for a Deputy Collector's place in the year 1886, while he was a Head Master; but as there was delay in securing of a vacancy in that grade, he then left for Hyderabad.

It

4. It was the only the Memorialist's misfortune that his father's death took place in the Memorialist's infancy.

That the Memorialist's mother Khader-un-nisa Begum Saheba a great-grand-daughter of his late Highness Nawab Azim-mud-Doulah Bahadur, was not granted the house rent which was enjoyed by her mother Nyamuth-un-nisa Begum Saheba, granted to her after the demise of her mother Kulsoom Begum Saheba, daughter of the first Nawab of the Carnatic who was living in the Chepauk palace. The Memorialist's grand-mother-in-law Mukdoom-un-nisa Begum Sahaba Carnatic Stipendary No. 1. in the list who was entitled to a stipend of Rs. 450/- per mensem out of her father's would-be stipend of Rs. 900/- per mensem being the only daughter of her deceased father Nawab Mufeedud-dolah Bahadur, was ^{not} granted that concession, her father having died during the life time of her grand father (Nawab Azeem Jah Bahadur 1st Prince of Arcot). The title of Prince of Arcot was not awarded to the Memorialist's grand-father-in-law Mahomed Ebadullah Khan Bahadur, Carnatic Stipendary No. 30 in the list after the demise of Sir Zaheerud-douwlah Bahadur G.C.S.I., second Prince of Arcot, notwithstanding the memorialist's grand-father-in-law being the then surveying member and eldest son of the deceased Prince.

That Your Excellency by finally perusing the Treaty of 1801 mark C may favourably consider as to how the Memorialist's mother's great-grand-father Nawab Azim-ud-doulah Bahadur was treated by the British and in continuation of the same the Memorialist being a descendent in the direct line of the said Nawab prays that he may ^{be} also at least entitled to a little special patronage by Your Excellency.

That the generous Accountant-General (A. Montagu Brigstocke Esq., I.C.S.,) has not taken the memorialist's case to be an ordinary one while appointing him in his office

6. office on the Memorialist's personally representing before that officer his relationship with the respectable ⁿbranch of the Carnatic Family which was confirmed by the Paymaster, Carnatic Stipend's Endorsement on his application, the copy of which is marginally noted; and the officer on

No. 544 of 1907

Forwarded for favourable consideration. The applicant belongs to a respectable branch of the Carnatic Family but has no Stipend. I think he is an intelligent and he bears a good character.

testing the Memorialist capabilities personally, favoured him with an appointment of Rs. 25/- per mensem in his office, while the ordinary scale is that of an apprenticeship on Rs. 20/- per mensem.

That the memorialist, as he is a Shadison of a great-grand-daughter of the 1st Nawab of Carnatic and a great-grand-son-in-law of His late Highness Sir Zahirath-Doulah Bahadur G.C.S.I., second Prince of Arcot, as per the genealogical table already annexed to his first memorial of the 17th September last, and also possessing a fair English education along with a knowledge of other five languages, good official experience, sufficient to enter upon the duties of a Probationary Deputy Tahsildar and also being the native of the country with a young age, prays that Your Excellency's by way of grace at least for the regard of the 1st Nawab of the Carnatic and the 2nd Prince of Arcot and the policy of the Government of your Excellency to encourage the Mohammadn nobility will be graciously pleased to deem him deserving of a Probationary Deputy Tahsildar's place by specially exempting him from the educational qualifications required for that post as the patronage of which Your Excellency retains in Your Excellency's own hands. The memorialist having been shuffled out from door to door has come at last to seek relief at your Excellency's exalted doors, Your noble Excellency in complying with the memorialist's humble prayer, will thus leave behind ^athe monument of

Your

Your Excellency's generosity in him after Your Excellency's departure from these our peaceful shores after a well-earned fame. The memorialist is ready to present himself in person during the convenient time of Your exalted Excellency at Government House with a view to satisfying Your Excellency in every respect, if kindly permitted to do so.

For this act of special grace and patronage the memorialist as in duty bound, will ever pray for Your Excellency's long life, health and ever increasing prosperity.

Soliciting for a favourable order.

Most Honoured Sir,

As directed by the Private Secretary— to His Excellency— the Governor to address you on the subject of my exemption from Educational qualifications, I beg most respectfully— to bring the following few lines to your honour's kind consideration and favourable disposal.

On the 17th September 1908, I presented a memorial addressed to His Excellency the Governor, through His Excellency's Private Secretary and the Accountant General, Madras praying to confer upon me a probationary Deputy Tahildar place and in reply— I was communicated with a letter dated 6th October 1908 along with an application form of higher grade of Public Service to be filled up and returned to the Private Secretary— In

In obedience to the said orders I filled in
the Application form and submitted the
same to the Private Secretary through the

Subsequently with reference to the appli-
cation of the above date on the 13th October
1908 I was communicated with another
reply informing me that my Educational
qualifications are not sufficient for
the appointment in the higher grades
of Public Service. As my case deserves
a special treatment, I again on the
12th November 1908 submitted another
memorial addressed to His Excellency
the Governor through the Private Secretary
to which in reply I was communicated
with a Service post Card dated 13th
November 1908 herewith attached marked
D. Again on the 28th November 1908
I requested the Private Secretary
as to when all my papers would
be transferred to the Secretary of Government.
Edmundine

Educational Department for disposal,
and in reply another Service Post Card
herewith attached marked E was
communicated to me. By the contents of
both the Service Post Cards I understand
that all my papers (viz Memorial dated
17th September 1908, application dated 9th October
1908, and ^{another} Memorial dated 12th November 1908
with its three enclosures marked A, B + C)
have been referred to your honour for
disposal.

Now I beg to submit that so far
as my claims are concerned, I pray
that they may attract the merciful
consideration of the distinguished
Officers disposing my humble case
as the same deserve preferential treatment
on the special grounds as stated
in my Memorials of the 17th September
and 12th November 1908 respectively.

I therefore request that your
honour will be graciously pleased
to support my case in connection
with the Education qualifications
and

14
And thus bring the same to the notice
of His Excellency the Governor in Council
with a view that my long cherished
desire may be complied with; or
at least that my name be registered
for the post of a Probationary Deputy
Tahsildar by exempting me from the
Educational qualifications and granting
me at the same time ^{permission} to apply for
Criminal, Revenue, Police & Translation

The petitioner, who is an 'auditor' in the Acctt. General's Office, is an applicant for a Revenue Probationership. The appointment is in the gift of His Excellency the Governor. (Please see pages 2 and 3 of the notes to G.O. no. 2005 Rev., dated 23.7.08) He petitioned His Excellency for an appointment and was informed by the Private Secretary that "his educational qualifications are not sufficient for appointments in the

In his petition dated 12.11.1908 he re-iterates his supposed claim to the appointment ~~and requests that he~~ on the ground of his family connections and requests that he may be considered deserving of a probationary Dy. Tahsildar's place by specially exempting him from the educational tests required for the post.

2. The Private Secretary has treated the petition as one for the exemption from the examination rules and has therefore forwarded it to the Educational Dept. for disposal. The Educational Dept. has treated it as an application for appointment and has therefore transferred it to this Dept.

3. As regards the petitioner's application for appointment no action is, it is submitted, necessary in this Dept., the P.S.P. having informed him that his educational qualifications are not sufficient

for the appointment he seeks, i.e., his application for ^{the} appointment has been definitely rejected.

4. As regards his request that he may be exempted from educational tests, it may be observed that he has not even passed the Matriculation or the Upper Secondary examination which is the minimum educational qualification required for superior service under Govt. He has been exempted from the Upper Secondary examination to enable him to get an appointment in the Salt and Akari Dept. No further exemption is necessary as regards general educational test. If he is to be appointed a probationary Dy. Tahsildar he may have to be exempted from passing the Special tests required for the Dy. Tahsildar post. But ~~he is~~ as it is not proposed to give him that appointment it is unnecessary ^{to consider} ~~that~~ ^{the question of} ~~he should be granted any~~ exemption.
