Read—the following papers :—

I

G.O., No. 134, Educational, dated 8th March 1901.

ABSTRACT.—Prescribing certain qualifications for the posts of minor irrigation supervisor, overseer and sub-overseer, and ordering the publication in the *Fort St. George Gazette* of a notification relating to the same.

II

G.O., Mis. No. 762, Educational, dated 12th November 1908.

Read—the following paper :—

Reference from the Board of Revenue (R.S., Sur., L.Rds. and Agri.),
No. 2490, dated 21st September 1908.

The Hon'ble Mr. J. TWIGG.

Read—the following papers :—

(i)

Letter—from J. M. TURING, Esq., I.C.S. Collector of Vizagapatam.
To—the Secretary to the Commissioner of Revenue Settlement, Survey, Land
Records and Agriculture.
Dated—the 19th May 1908.
No.—D. Dis. 1646.

Adverting to G.O., No. 351, Revenue, dated 10th July 1907, communicated with Board's Proceedings, Mis. No. 3626, dated 18th idem, I have the honour to report that the period of one year, by which the exemption from the examination rules granted to D. Venkatanarasiah in G.O., No. 29, Revenue, dated 10th February 1906, was extended for a second time, expired on 1st April 1908. In March last, applications from candidates who are duly qualified to hold the post of the Minor Irrigation Sub-overseer, Sarvasiddhi taluk, were again invited by advertisements in the *Fort St. George* and the *District Gazettes*. Out of the three candidates that have applied for the post in response to these advertisements, only one stated in his application that he is a passed candidate of the Sub-overseer and Surveyor's class of the Engineering College, Madras, and requested that the vacant post might be conferred on him with (to quote his words) a decent pay. He did not however produce, as required by the advertisements, the certificates given to him by the authorities of the Civil Engineering College, Madras, in token of his having passed the Sub-overseer's tests. It also appears from his application that he is a candidate quite fresh from college. The other two candidates do not possess the requisite qualifications.

2. As was already reported by the permanent Collector it is difficult to procure the services of a duly qualified candidate for such a low pay as Rs. 30, and experience shows that even if one may now and then be willing to accept the post, he will not remain in it but always makes it a stepping stone to employment in the Public Works Department which offers better chances of promotion to men from the Engineering College. Frequent changes in the personnel of the staff naturally lead to bad and inefficient work.

3. In the above circumstances, I beg to request that the Board of Revenue may be pleased to obtain the sanction of Government for the permanent exemption from the examination rules of D. Venkatanarasiah, who has been acting in the post for the last two years. The Divisional officer of Narasapatam (Mr. Davis), under whom D. Venkatanarasiah has been serving for more than a year, speaks very well of his work and certifies it to be uniformly good and much better than that of many passed candidates. D. Venkatanarasiah has passed the marginally-noted Government Technical Examinations, in addition to the Matriculation Examination of the Madras University. His examination qualifications are respectable.

4. Although the period of exemption already sanctioned expired on 1st April 1908, D. Venkatanarasiah has been allowed to continue in office in anticipation of the Board's sanction, as there are several minor irrigation works in the Sarvasiddhi taluk, which have been sanctioned for execution during the current official year and as this is the proper season for their being taken up.

(ii)

Reference—from the Board of Revenue (Revenue Settlement).
Dated—the 18th June 1908.
No.—1582.

In their order No. 134, Educational, dated 8th March 1901, Government prescribed a pass in either of the following groups of tests as a qualification for the post of Minor Irrigation Sub-overseer :—

(1) Examinations prescribed for the Sub-overseer and Surveyor class, College of Engineering, or

(2) Examinations in agricultural engineering and surveying and levelling prescribed for the diploma in agriculture under the Government Technical Examination scheme.

2. As the Public Works Department offers better prospects than the Minor Irrigation Department can to students who have passed out of the Civil Engineering College, difficulty has been experienced in getting qualified men for the post of Sub-overseer in the Minor Irrigation Department and the Board has had on several occasions to obtain temporary exemption from Government on behalf of persons not qualified by the prescribed tests. A case has now come up for permanent exemption in which the candidate concerned has passed the Matriculation Examination and the

- (1) Building-Drawing and Estimating—Advanced grade.
- (2) Surveying and Levelling—Intermediate.
- (3) Building Materials and Construction—Intermediate.
- (4) Geometrical Drawing—Intermediate.
- (5) Hydraulics and Irrigation Works—Elementary.
- (6) Mensuration—Elementary.
- (7) Earthwork and Road making—Elementary.

Technical tests entered in the margin. The Government Technical Examinations are avowedly instituted for the purpose, among others, of testing the qualifications of persons desirous of becoming employees under Government and the list of Engineering subjects in which Technical examinations are held is very comprehensive. The Chief Engineer for Irrigation is accordingly requested to be so good as to state whether a pass by certain of these tests may not, in his

opinion, be considered equivalent to either of the tests now prescribed.

(iii)

Memorandum—from Mr. C. A. SMITH, Chief Engineer for Irrigation.
Dated—the 27th August 1908.
No.—160-O.

In reply to reference from the Board of Revenue (Revenue Settlement), Ref. No. 1582, dated 18th June 1908, the Chief Engineer for Irrigation has the honour to state that he considers that a pass in the Intermediate grade in all undermentioned subjects of Government Technical Examinations may be considered equivalent to the tests prescribed in G.O., No. 134, Educational, dated 8th March 1901, for the post of Minor Irrigation Sub-overseers :—

- (a) Building-Drawing and Estimating.
- (b) Surveying and Levelling.
- (c) Building Materials and Construction.
- (d) Hydraulics and Irrigation works.
- (e) Earthwork and Road making.

Reference thereon—No. 2490, dated 21st September 1908.

The papers read above are submitted to Government.

2. The Chief Engineer for Irrigation in his Memorandum No. 160-O., dated 27th August 1908, considers that a pass in the Intermediate grade in the Government Technical Examinations in the following subjects may be regarded as equivalent to the tests prescribed in G.O., No. 134, Educational, dated 8th March 1901, for the post of Minor Irrigation Sub-overseer :—

- (a) Building-Drawing and Estimating.
- (b) Surveying and Levelling.
- (c) Building Materials and Construction.
- (d) Hydraulics and Irrigation works.
- (e) Earthwork and Road making.

3. In view of the favourable opinion expressed by the Divisional officer, Narasapatam, the Board recommends that D. Venkatanarasiah who has passed the above examinations (a) in the Advanced grade, (b) and (c) in the Intermediate grade but (d) and (e) only in the Elementary grade may be exempted permanently from the examination rules.

4. At the same time, the Board begs to suggest that a pass in the Intermediate grade in the subjects referred to in paragraph 2 *supra* may be declared generally to qualify for the post of Minor Irrigation Sub-overseer.

L. D. SWAMIKANNU,
Secretary.

To the Secretary to Government, Revenue Department.

Order—No. 762, Educational, dated 12th November 1908.

In the circumstances represented by the Board of Revenue, the Government are pleased to exempt D. Venkatanarasiah permanently from the examination for the Sub-overseer and Surveyor class of the College of Engineering.

2. Separate orders will be issued on paragraph 4 of Ref. No. 2490, dated 21st September 1908, from the Board of Revenue.

(True Extract.)

H. D. TAYLOR,
Secretary to Government.

To the Board of Revenue (Revenue Settlement), Survey, Land Records
and Agriculture.
,, Revenue Department.

Order—No. 827, Educational, dated 19th December 1908.

The Government approve the proposal of the Board of Revenue that a pass in the Intermediate grade in the Government Technical Examinations in the following subjects may be regarded as equivalent to the tests prescribed in G.O., No. 134, Educational, dated 8th March 1901, for the post of Minor Irrigation Sub-overseer :—

- (a) Building-Drawing and Estimating.
- (b) Surveying and Levelling.
- (c) Building Materials and Construction.
- (d) Hydraulics and Irrigation works.
- (e) Earthwork and Road making.

It must, however, be distinctly understood that preference should be given to persons who have passed the examinations prescribed for the Sub-overseer and Surveyor class of the College of Engineering and that the Technical Examination tests will not qualify for the Minor Irrigation Overseerships.

2. The following notification will be published in the *Fort St. George Gazette* :—

NOTIFICATION.

In the second column of the table appended to article 3 of the Public Service Notification, under "C. Revenue Department" against "(19) Minor Irrigation Sub-overseers" the following additions shall be made, namely,—

- (1) at the end of clause (ii) the word "or" shall be added.
- (2) The following shall be added as clause (iii), namely ; "(iii) Examinations in the Intermediate grade in, (a) Building-Drawing and Estimating, (b) Surveying and Levelling, (c) Building Materials and Construction, (d) Hydraulics and Irrigation works and (e) Earthwork and Road making under the notification regulating the Government Technical Examinations".

- (3) Against clause (iii) insert the following in column 3 of the same table :—

"Preference will be given to persons qualified under clause (i)."

NOTES CONNECTED WITH G.O., No. 827, EDUCATIONAL,
DATED 19TH DECEMBER 1908.

[SUBJECT.—*Suggesting that a pass in certain subjects may be held generally to qualify for the post of Minor Irrigation Sub-Overseer.*]

I

NOTES CONNECTED WITH G.O., No. 762, EDUCATIONAL, DATED 12TH NOVEMBER 1908.

Reference from the Board of Revenue (Revenue Settlement), No. 2490, dated 21st September 1908.

In their Reference No. 2490, dated 21st September 1908, the Board of Revenue (Revenue Settlement) make two recommendations, namely,—

* Temporarily exempted in—
G.O., R. No. 29, dated 10th Feb. 1906.
" R. " 347 " 15th Oct. "
" R. " 351 " 10th July 1907.

(1) that D. Venkatanarasayya, * acting minor irrigation sub-overseer, Sarvasiddhi taluk, Vizagapatam district, may be exempted permanently from passing the test prescribed for minor irrigation sub-overseers; and

(2) that a pass in the Intermediate grade of the Government Technical Examinations in

- (a) Building Drawing and Estimating,
- (b) Surveying and Levelling,
- (c) Building Materials and Construction,
- (d) Hydraulics and Irrigation Works,
- (e) Earthwork and Road-making,

may be declared generally to qualify for the post of minor irrigation sub-overseer.

2. In support of the first recommendation, namely, that D. Venkatanarasayya

- 1. Building Drawing and Estimating—Advanced.
- 2. Surveying and Levelling—Intermediate.
- 3. Building Materials and Construction—Intermediate.
- 4. Hydraulics and Irrigation Works—Elementary.
- 5. Earthwork and Road-making—Elementary.

may be permanently exempted from the test prescribed for minor irrigation sub-overseers, it is urged that out of the five subjects mentioned in paragraph 1 (2) *supra* he has passed in the Advanced grade in one subject, in the Intermediate grade in two subjects and in the Elementary grade in two others and that he has also passed the Matriculation ex-

amination of the Madras University. The Collector of Vizagapatam (Mr. Turing) states that the " Divisional Officer of Narasapatam (Mr. Davis) speaks very well of his work and certifies it to be uniformly good and much better than that of many passed candidates". In view of this opinion, the Board recommends the permanent exemption of D. Venkatanarasayya. The grounds of recommendation seem to be personal and it is for consideration whether the Board's recommendation may be accepted. The remarks of the Revenue Department may, it is submitted, be obtained u.o. on this point.

3. The second recommendation raises a general question. In G.O., No. 134, Educational, dated 8th March 1901, the Government prescribed a pass in either of the following groups of tests as a qualification for the post of minor irrigation sub-overseers :—

(i) Examinations prescribed for the Sub-Overseer and Surveyor class, College of Engineering; or

(ii) Examinations in Agricultural Engineering and Surveying and Levelling prescribed for the Diploma in Agriculture under the notification regulating the Government Technical Examinations.

The Chief Engineer for Irrigation, who was consulted by the Board of Revenue, considers that a pass in the Intermediate grade in the subjects mentioned in paragraph 1 (2) *supra* may be regarded as equivalent to the tests now prescribed for the post of minor irrigation sub-overseers. This question also seems to be one for consideration in the Revenue Department in the first instance.

P.R.—9-10-08.

K. RANGASWAMI AIYANGAR—9-10-08.

The remarks of the Revenue Department may be invited.

C. A. SOUTER—10-10-08.

The special case and general subject should be dealt with *separately*. The Revenue Department may be asked in the first instance to note with reference to the proposed exemption of D. Venkatanarasayya.

H. D. TAYLOR—12-10-08.

To the Revenue Department.

REVENUE DEPARTMENT.

The Public Works Department (Irrigation) may be asked to put up the original file containing the Chief Engineer's (Irrigation) Memorandum No. 160-O., dated 27th August 1908. It is understood the file contains the notes of the Revenue Department on the subject of the qualifications required for a minor irrigation sub-overseer.

S.S.—15-10-08.

PUBLIC WORKS DEPARTMENT (IRRIGATION).

The file of Memorandum No. 160-O., dated 27th August 1908, is submitted. It may be forwarded to the Revenue Department.

S.D.—29-10-08.

T. W. S. SMYTH.

To the Revenue Department.

REVENUE DEPARTMENT.

In Memorandum No. 160-O., dated 27th August 1908, the Chief Engineer for Irrigation informed the Board of Revenue that a pass in the Intermediate grade in the undermentioned subjects of Government Technical Examinations may be considered equivalent to the tests prescribed in G.O., No. 134, Educational, dated 8th March 1901, for the post of minor irrigation sub-overseers :—

- (a) Building Drawing and Estimating,
- (b) Surveying and Levelling,
- (c) Building Materials and Construction,
- (d) Hydraulics and Irrigation Works,
- (e) Earthwork and Road-making.

2. This memorandum was sent to Revenue only after its despatch, and the Secretary made the following remark :—“ Personally I rather doubt whether it is a “good thing to accept any grade of the technical examinations as the equivalent of “a course of training in the College of Engineering.”

3 D. Venkatanarasayya, now recommended by the Board for permanent exemption from passing the tests prescribed for minor irrigation sub-overseers, passed (a) in the advanced grade, (b) and (c) in the intermediate grade and (d) and (e) only in the Elementary grade.

4. The other reasons urged by the Board and the Collector for exempting Venkatanarasayya permanently are —

(1) the good opinion expressed by the Divisional Officer of Venkatanarasayya's work during the last two years, and

(2) the difficulty experienced in getting qualified men for the post of sub-overseer in the Minor Irrigation department on account of the better prospects offered to students who have passed out of the Civil Engineering College by Public Works Department.

5. Paragraph 1 of the Collector's report, dated 19th May 1908, shows that a qualified candidate applied for the vacant post, which Venkatanarasayya has been holding temporarily, but it does not appear that the application was made in good earnest.

6. Under the circumstances, it is for orders whether the Board's recommendation to exempt Venkatanarasayya permanently from the Examination Rules should be supported in Revenue.

B.V.R.—31-10-08.

S.S.—3-11-08.

Revenue are asked to deal with the special case only. As D. Venkatanarasayya has been acting as minor irrigation sub-overseer for two years and his work has been found satisfactory, his permanent exemption from the Examination Rules in

A. G. CARDEW—6-11-08. ^A order to enable him to be confirmed in the post may, I submit, be supported in this department.

Issue.

H. D. TAYLOR—12-11-08.

[G.O., No. 762, Educational, dated 12th November 1908.]

II

NOTES CONNECTED WITH G.O., No. 827, EDUCATIONAL, DATED 19TH DECEMBER 1908.

In G.O., No. 134, Educational, dated 8th March 1901, the Government prescribed a pass in either of the following groups of tests as a qualification for the post of minor irrigation sub-overseer, namely :—

(1) Examinations prescribed for the sub-overseer and surveyor class of the College of Engineering, or

(2) Examinations in Agricultural Engineering and Surveying and Levelling prescribed for the Diploma in Agriculture under the notification regulating the Government Technical Examinations.

2. In their Reference No. 2490, dated 21st September 1908, the Board of Revenue (Revenue Settlement) recommend that a pass in the Intermediate grade of the Government Technical Examinations in

- (a) Building Drawing and Estimating,
- (b) Surveying and Levelling,
- (c) Building Materials and Construction,
- (d) Hydraulics and Irrigation Works,
- (e) Earthwork and Road-making,

may be declared generally to qualify for the post of minor irrigation sub-overseer.

Vide paragraph 2 of Board's Reference on page 5 of G.O., No. 762, dated 12th November 1908. The Chief Engineer for Irrigation, who was consulted by the Board of Revenue, considers that a pass in the Intermediate grade in these subjects may be regarded

as equivalent to the tests now prescribed for the post of minor irrigation sub-overseer.

3. This question seems to be one for consideration in the Revenue Department in the first instance, to whom the file may be forwarded u.o. for remarks.

P.R.—24-11-08.

K. RANGASWAMI AIYANGAR—24-11-08.

C. A. SOUTER—24-11-08

To the Revenue Department.

REVENUE DEPARTMENT.

Submitted for orders. Attention is invited to the Hon'ble Mr. Cardew's note at page 11 of the file containing the Chief Engineer for Irrigation's Memorandum, No. 3310, dated 11th September 1908, which is quoted below :—

"Personally I rather doubt whether it is a good thing to accept any grade of the technical examinations as the equivalent of a course of training in the College of Engineering."

2. It will be seen from paragraph 2 of Board's Reference No. 1582, dated 18th June 1908, that the Board's reasons for its recommendation that a pass in the Intermediate grade of the Government Technical Examinations, specified in paragraph 2 of Educational Department's note above, may be declared generally to qualify for the post of minor irrigation sub-overseer are as follow :—

(1) Difficulty has been experienced to get qualified men for the post of sub-overseer in the Minor Irrigation department, as the Public Works Department offers better prospects than the Revenue Department can to students who have passed out of the Civil Engineering College.

(2) The Board has had to obtain on several occasions temporary exemption from Government on behalf of persons not qualified by the tests prescribed for minor irrigation sub-overseers.

B.V.R.—27-11-08.

Attention is invited to paragraph 1 (i) of Board's Standing Order No. 87 under which the maintenance of minor irrigation works by the Revenue Department is, as a rule, limited to the repair of masonry and earthwork, and to the reconstruction of injured works. For other work the professional advice and assistance of the Public Works Department should be sought. It is submitted therefore that Revenue may accept the view of the Chief Engineer for Irrigation and of the Board that a pass in the Intermediate grade of the five Government Technical Examinations may be considered a sufficient qualification for the post of a minor irrigation sub-overseer.

S. SRINIVASA RAO—27-11-08.

As the Board and Public Works Department (Irrigation) both consider that a pass in the Intermediate grade in certain subjects of the Government Technical Examinations may be considered equivalent to the present tests prescribed, I do not think that Revenue need raise any objection.

F. NOYCE—29-11-08.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

The draft order placed below is submitted for approval. It may be sent to Revenue for acceptance.

P.R.—3-12-08.

K. RANGASWAMI AIYANGAR—4-12-08.

This is a matter which is for Revenue to decide. Educational need perhaps raise no objection.

C. A. SOUTER—5-12-08.

I think the proposal may be accepted. It is very difficult to find men qualified under the rules as they stand for posts of minor irrigation sub-overseers, and exception in such cases seems to be the rule rather than the exception.

Rs. 60, Rs. 80 and Rs. 100.

C. A. SOUTER—7-12-08.

But first please note what pay is attached to the posts of minor irrigation overseers.

H. D. TAYLOR—7-12-08.

It is submitted that the pay of minor irrigation sub-overseers, to whom the present proposal relates, is classified into four grades, namely, Rs. 30, Rs. 35, Rs. 40 and Rs. 50 per mensem—*vide* columns 13 to 16 of the statement on page 3 of G.O., No. 2268, Revenue, dated 12th September 1907.

Rs. 50—19.

„ 40—25.

„ 35—1.

„ 30—33.

K. RANGASWAMI AIYANGAR—7-12-08.

It is not proposed to interfere with the qualifications of minor irrigation overseers.

C. A. SOUTER—7-12-08.

The proposals specified in paragraph 2 of the note on page 1 *supra* may be accepted.

H. D. TAYLOR—8-12-08.

Very well, giving a warning (1) that men who have passed the Engineering College tests will be preferred and (2)

This does not arise. Overseers are separately dealt with under (18).

H. D. TAYLOR—9-12-08.

that the technical examination tests will not qualify for minor irrigation overseerships.

G. S. F[ORBERS]—8-12-08.

Draft please.

INSTRUCTIONS FOR THE
SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b¹) For rules regarding printing of notes, see the rules in G.O., No. 1220, Public, dated 30th November 1900.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for *one week*, and larger papers for *two weeks only*. *The type of notes and of all confidential papers is distributed immediately after striking.*

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Deputy Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Deputy Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, but only the first time when they appear on the left side, the initials alone being printed later.

* Copies distributed on.....*(Press Clerk.)

† Copies distributed on * (Despatcher.)

* To be initialled and dated.

[P.T.O.]

A

Please send proof in triplicate. The papers have been carefully edited.

B

Proof returned corrected. Please strike off and send number of copies as indicated.

Type may be released after usual interval at once.

C

As the matter is clear manuscript and has been carefully edited, (v) proof need not be sent. Please print and supply number of copies as indicated.

Type may be released after usual interval.
