Memorandum No. 2687-1, Educational, dated 18th December 1908.

The attention of the Director of Public Instruction is drawn to G.O., No. 328, Educational, dated 16th May 1893, under which the catalogue of books registered during the third quarter of 1908 should have been submitted to Government by the 30th of November last at the latest. The catalogue should be submitted without further delay.

Letter—from Rao Bahadur M. LANGACHARYA, M.A., Registrar of Books, Madras.
To—the Secretary to Government, Educational Department (through the Director of Public Instruction).
Dated—Madras, the 19th December 1908.
No.—1287.

I have the honour to submit, for approval and order of Government for publication in the *Fort St. George Gazette*, the final proof of the catalogue of books registered in the Madras Presidency during the quarter ended the 30th September 1908.

2. It is worthy of note that the output of publications presented for registration during the quarter has beaten the record of previous years. This notable increase in the number of registered publications is partly due to increased literary and other kinds of publishing activity in the country, and partly also to persistent pressure applied to printers with a view to see that they duly obey the law in respect of book registration. The present condition of progress may well be maintained if the proposal submitted in my letter No. 298, dated 4th April 1908, be given effect to by Government.

3. The total number of publications registered during the quarter is 667 which may be classified thus :—

Books and pamphlets	..	..	..	..	..	..	..	..	469
Periodicals	..	..	..	..	..	..	..	..	198
Total	..	..	..	..	..	..	..	..	667

4. Distributing the registered collection according to languages, English is represented by 190 works including diglot editions, Dutch by 1, Italian by 1, Tamil by 183, Telugu by 104, Malayalam by 60, Kanarese by 7, Uriya by 9, Sourashtra by 1, Hindustani by 21, Arabic by 11, and Sanskrit by 79 printed in Telugu, Grantha and Devanagari characters.

5. Nearly 20 per cent. of the total number registered consists of works designed for educational purposes.

6. Another unprecedented feature of the catalogue now submitted is that, along with the large number of publications received for registration merely, the total number of copyright entries also has risen so as to run up to 178 which is the largest number ever reached in any quarter since the Book Registration Act XXV of 1867 came into operation. Of these entries, 24 relate to Government publications registered free of charge and 8 to the books mentioned in the additional list appended to the accompanying catalogue.

Order—No. 835, Educational, dated 22nd December 1908.

Ordered that the catalogue of books registered during the third quarter of 1908 be published in the *Fort St. George Gazette*, and that copies be transmitted to the Secretary of State for India and to the Government of India.
