G.O., No. 609, Educational, dated 26th August 1908.

ABSTRACT.—Sanctioning, subject to certain conditions, a grant of Rs. 3,900 towards the cost of constructing a hostel attached to the London Mission Girls' Boarding and High School, Vepery, Madras.

II

Letter—from F. A. WILLIAMS, Esq., Correspondent, London Mission Girls' High School, Vepery, Madras.
To—the Director of Public Instruction.
Dated—the 9th October 1908.

In connection with the Women's hostel for which one-third grant is sanctioned in Proceedings, No. 3397, dated 3rd September 1908, the foundations of which are being laid, it has been found advisable to make the following minor alterations with the approval of the Architect, Mr. John Lewis, who is in charge of the building :—

(1) The bath-rooms were considered small as the lower one will adjoin the room used by the lady in charge of the hostel. This necessitated the building being put a little further north and in consequence the porch is to be omitted. This will take less space in the compound and allow more for play-ground. Instead of the porch over the centre door only a long sunshade will be placed over doors and windows in the centre part of the building on the north side.

(2) To allow of extra air, ventilators will be put over the windows high up in the rooms instead of windows only.

(3) The floors will have 9-inch square Mangalore pressed clay tiles below and above in place of Cuddapah slabs for the lower and cement for the upper floors. As some of the rooms will be used for dormitories it is found by experience in Madras that chills are likely to be caused by cement and slabs on floors but not by bricks.

None of these materially affect the main plan and any excess of cost over the total amount sanctioned by the Government will be borne by us.

Submitted to Government for favour of orders with reference to G.O., No. 609, Educational, dated 26th August 1908.

2. The approved plan and estimate are submitted together with a plan showing the alterations now proposed.

A. G. BOURNE,
 Director of Public Instruction.

A The letter from the correspondent and the revised plan do not agree. The letter states that the bath-rooms are small (the paragraph is somewhat vague), but the revised plans provide for bath-rooms the same size as before. There is no objection to the other items mentioned in the letter.
