GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

I

Memorandum No. 2670-2, Financial, dated 2nd August 1909.

The Government have under consideration the question of the continuance of the donations which are now paid by the State to certain orphanages and charitable institutions and debited to the head "32-A. MISCELLANEOUS—DONATIONS FOR CHARITABLE PURPOSES".

2. The Roman Catholic Orphanage, Vizagapatam, for which Government sanctioned in March 1867 a grant equivalent to the amount of public subscriptions but not exceeding Rs. 125 *per mensem*, is an institution of the kind.

3. In 1889 it was ruled that the inspection of institutions aided with grants from the allotments for donations and charitable purposes should be undertaken not by the Educational Department but by the District officers who locally represent Government and that the grant to these institutions should be paid only on annual orders of Government obtained on applications submitted through the Collector of the district and accompanied by a brief report on the institution for the past year.

4. The Collector of Vizagapatam is requested to state whether in the case of the institution in his district the annual grants have been disbursed after compliance with the requirements of the above ruling. He is also requested to obtain from the institution a statement of its accounts for the past five years with a statement of assets and liabilities and forward them to Government with his remarks on the question of the continuance or modification of the grant to the institution.

A. G. CARDEW,
Ag. Chief Secretary.

To the Collector of Vizagapatam.

Letter—from F. C. PARSONS, Esq., I.C.S., Collector of Vizagapatam.
To—the Chief Secretary to Government.
Dated—the 10th September 1909.
No.—D. Dis. 2991.

Adverting to Government Memorandum No. 2670-2, dated 2nd ultimo, I have the honour to report that the ruling of 1889 was never applied to the Roman Catholic Orphanage, Vizagapatam. This orphanage is not an independent institution, but this and the boarding school constitute one institution known as the St. Aloysius' High school with one staff of teachers, clothing and messing superintendents and one kitchen. The Correspondent of the St. Aloysius' High School has been annually submitting his accounts to the Educational Department and not to the Collector. The grant may be paid as usual on inspection by the Educational Department. A copy of the account of the institution furnished by the Correspondent to the Educational Department during the past five years is submitted herewith.

This school and orphanage is worthy of liberal support from Government as only Eurasian boys are taken in and it is the only institution north of Madras affording secondary education for Eurasians.

Order—No. 626, Educational, dated 29th November 1909.

In G.O., No. 88, Educational, dated 22nd March 1867, the Government sanctioned a grant equivalent to the amount of public subscriptions, but not exceeding Rs. 125 *per mensem*, for the maintenance of orphans in the Roman Catholic Orphanage at Vizagapatam. The grant was to be paid monthly in arrears to the manager of the orphanage, on his certifying that a sum equal to the amount claimed from Government had been actually realized from subscriptions during the month to which the bill related. In G.O., No. 747, Educational, dated 28th November 1889, it was decided that the inspection of institutions which drew grants from allotments for donations and charitable purposes should be made by the District officers who locally represented the Government and that the grant should be paid only on the annual orders of Government to be obtained on application submitted through the Collector of the district and accompanied by a brief report on the working of the institution for the preceding year.

2. The instructions contained in the above order have not been followed, however, in the case of the Orphanage at Vizagapatam, the monthly grant to this institution having been disbursed by the Accountant-General on application from the manager without the orders of Government. Further the orphanage is inspected by, and draws a grant from, the Educational Department in addition to the monthly grant above referred to.

3. The Government see no reason for continuing the present arrangement. The case of this institution can be adequately dealt with under the new Code of Regulations for European Schools, and the Governor in Council is therefore pleased, in supersession of all previous orders on the subject, to direct that from the 1st of April 1910 the payment of a monthly donation of Rs. 125 to the Roman Catholic Orphanage at Vizagapatam shall cease and that the institution be thereafter aided solely under the provisions of the Code of Regulations for European Schools.

4. The Accountant-General will be requested to continue the payment of the monthly donation of Rs. 125 to the orphanage up to the end of March 1910.

FINANCIAL DEPARTMENT.

In reviewing the budget estimate for 1909-1910 under the head "32-A. MISCELLANEOUS—DONATIONS FOR CHARITABLE PURPOSES" the Registrar noted:—

"The budget estimate may be admitted, but as regards orphanages and charitable institutions, it is as well to overhaul the allotments occasionally and to ensure that they are still required. After this budget has issued a brief note should be put up on each case explaining the origin of the grant and a memorandum should be drafted calling for the accounts of each institution for the past five years".

The Chief Secretary (Mr. C. J. Weir) agreed to the proposal.

The examination of the case for continued state assistance to some of the institutions detailed at page 208 of the Civil Budget Estimate has been completed in office. That for the remainders is nearly finished and will be submitted shortly.

Each institution has been separately noted on below.

5. *Roman Catholic Orphanage, Vizagapatam.*—In G.O., No. 88, Educational, dated the 22nd March 1867, the Government sanctioned on the application of the Roman Catholic priest at Vizagapatam, which was forwarded by the Roman Catholic Bishop at Madras, and strongly supported by the Director of Public Instruction, a monthly grant *equivalent to the public subscriptions*, but not exceeding Rs. 125 *per mensem* for the maintenance of the orphans in the above institution. On the authority of this Government Order the grant has been disbursed since. In 1887 the Government considered, in connection with the examination made into the question of the continuance of donations for charitable purposes, whether the grant to this institution might not be brought under the Grant-in-Aid Code, but it having been found from the Director of Public Instruction's report on the point that Government would have to pay more under the Code than before, they decided not to alter the existing arrangement.

Paragraph 4 of G.O., No. 1290, Financial, dated 10th December 1887.

6. In 1889 the Government ruled that the inspection of institutions which draw their grants from the allotments for donations and charitable purposes should be done by the District officers who locally represent Government and that the annual grant to these institutions should be paid only on annual orders of Government to be obtained on application submitted through the Collector of the district accompanied by a brief report for the previous year. It is not, however, clear whether in the case of the Vizagapatam orphanage grants are being disbursed now in accordance with this order. If it is not so, submitted that a statement of the latest five years' accounts of the orphanage which is necessary for the purpose of deciding on the continuance of the grant now may be called for from the Collector of Vizagapatam. Draft memorandum is submitted which may go to Educational for acceptance.

From the Collector of Vizagapatam, dated 10th September 1909, D. Dis. No. 2991.

The case dealing with the report of the Collector of Madras that the directions in G.O., No. 747, Educational, dated the 28th November 1889, have not been observed in making the grants to the Gordon Refuge and the Parcherry Poor School is now with the Accountant-General. That officer has been requested to state how the directions in the Government Order came to be disregarded.

2. The report of the Collector of Vizagapatam is to the effect that the orders of 1889 have not been followed in the case of the Roman Catholic Orphanage, Vizagapatam. This case may likewise go to the Accountant-General u.o. in continuation of Financial U.O. No. 3222-1, dated the 17th September 1909.

2. I am submitting a separate reply with reference to the case of the Gordon Refuge (St. Thomé) and the Parcherry Poor School, Madras, but I am afraid the Government Order of 1889 has been overlooked in this office not only in the Presidency Audit Department (with reference to the above two cases) but also in the Treasury Account Department with reference to the Roman Catholic Orphanage, Vizagapatam, and the Roman Catholic and Protestant Orphanage, Bellary.

3. No further payments will of course be made in any of these cases without the orders of Government.

ACCOUNTANT-GENERAL'S OFFICE.

I regret to say that the G.O., No. 747, Educational, dated 28th November 1889, appears to have been entirely overlooked in this office. In the audit registers the Government Orders of 1873 and 1866 have been noted and the payments have been made ever since, the Government Order of 1889 never having been noted in the audit registers.

2. This applies also to the Roman Catholic Orphanage, Vizagapatam, and to the Roman Catholic and Protestant Orphanage, Bellary, the payments being made on the strength of the orders of 1867 and 1868 the subsequent Government Order of 1889 being overlooked.

3. The mistake occurred 20 years ago and the relevant registers up to 1899 have been destroyed. It is therefore difficult to fix the responsibility for this grave omission on any one now in this office but I am taking steps to ensure that such a thing shall not occur again.

4. It is curious that neither the Collectors nor the managers of the institutions have ever submitted an application for their grant accompanied by a brief report as prescribed in the Government Order of 1889.

5. No payment will be made in future to any of these four institutions pending the final orders of Government.

"Please submit each of these cases separately as soon as ready."

A. G. CARDEW—7-10-09.

The case in so far as it relates to the Roman Catholic Orphanage, Vizagapatam, is complete and is submitted.

2. The instructions in G.O., No. 747, Educational, dated 29th November 1889, have been overlooked uniformly by all the officers concerned including the Accountant-General with the result that the institution is now inspected by the Educational Department instead of by the Collector of the district, and grants are disbursed to the institution on its application, without the orders of Government being passed thereupon.

4. The accounts of the Roman Catholic Orphanage, Vizagapatam, forwarded by the Collector of that district do not show the expenditure incurred on the institution but there is a footnote that "the staff in charge of the Boarding establishment give their work gratis; else the total expenditure would be much higher." The Collector states that the accounts sent by him are a copy of the accounts

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

Now, with the new European Code in operation there is no reason for continuing the present arrangement. The Director of Public Instruction may as in the case of other European orphanages which are parts of schools pay the whole boarding grant.

2. This year having taken into consideration that the institution was receiving Rs. 1,500 under 32-A I have sanctioned boarding grants for 15 boarders only; if the Rs. 1,500 be not paid, say from next year onwards I will give grants for 30 or 31 boarders if the Rs. 1,500 is transferred from 32-A. to 22-G. *European schools, boarding grants*; thus raising the provision under that head from Rs. 48,000 to Rs. 49,500. I could utilize more at this orphanage, for instance, there are at present 38 orphans eligible for grant (Rs. 8 each per mensem).

3. In any case the Accountant-General should be authorized to continue the Rs. 125 monthly up to the end of this year (including March).
