Endorsement by J. H. Robertson Esq., I. C. S., Collector of Karnool.

Dated 13th October 1909.

Abstract- Forwarding to the Board a petition addressed to His Excellency, the Governor, praying that Engineer subordinates may be permitted to appear for Revenue and Criminal Test Examinations (Higher grade)

Resolution.-

Submitted to Government.

2. The petitioner concludes his petition with a general request that all persons who have passed the Engineer Subordinates Test should be permitted to appear for the Revenue and Criminal Higher Tests. The Board considers it unnecessary to discuss the question in this general form and accordingly submits the petition as a prayer for relief in the petitioner's own case. The Board is of opinion that persons who are not qualified by their general education to hold the responsible office of Deputy Collector should not be encouraged to present themselves for Deputy Collector's tests unless they have rendered specially meritorious service, entitling them to be appointed Deputy Collectors. The petitioner's services do not appear to have been of such a distinguished character.

The humble petition of C. N. Appa Row

Minor Irrigation Overseer,

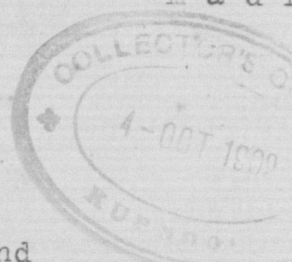

Markapur,

Kurnool Dt;

Most Respectfully sheweth,

2. He is a Matriculate and an Engineer Subordinate of the College of Engineering, Madras, -- and holds at present the post of Minor Irrigation Overseer --- in the Kurnool District on Rs. 70. A man with the petitioner's qualifications can hope to rise to the Sub-Engineer grade in -- the Public Works Department without passing any more examination but in the Revenue Department he has no chance unless he passes the special Test Examinations. Agricultural graduates are shown the concession of appearing for the higher grades -- (Revenue and Criminal) in the Special Test Examinations, but though the Engineer Subordinates undergo the same sort of --- training, such concession has not been extended to them, perhaps as no such men were then entertained in the Revenue Department. The pay given to the Engineer Subordinates holding appointments in the Minor Irrigation Staff is not sufficiently attractive for one to continue in the post when he has no -- chance of promotion. It is therefore requested that the benign Government will take this matter into its kind consideration -- and extend the concession given to the Agricultural Diploma -- holders to the Diploma holders of the Engineer Subordinate's --

I submit that a general rule is
scarcely necessary for the sake of those
few Engineer Subordinates who may hap-
pen to serve in the Rev. Dep^t as Minor
Immigration Overseers. As the Board ob-
serves, when anybody ~~is~~ employed has
rendered specially meritorious service, he
may be specially permitted to appear for the
Dy Collector's test. The petitioner does
not appear to be one in whose case any
special treatment is called for.

The file may be transferred, I submit,
to the Educational Dept.
