GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department (through the Accountant-General).
Dated—the 17th September 1909.
No.—Ref. on Cur. No. 5106/09.

The Muslim Educational Association, Satyamangalam, started in December 1906 a school for Muhammadan boys and girls. The school is maintained by subscription from members of the association and Government grant which, it is stated, are hardly adequate for its efficient upkeep. It is reported to be working steadily and satisfactorily and the present strength consists of 91 boys and 81 girls as shown

	Infant.	I. Class.	II.	III.	IV.	Total.
Boys' school	49	27	8	4	3	91
Girls' "	46	19	10	4	2	81

in the margin. As grown up girls are withheld by their parents from attending the school on reaching the higher standards for the reason that it is a mixed school, the association is anxious to have separate schools for boys and girls, so that the girls may not be deprived of their study at a time when they are capable of receiving useful instruction. But as the maintenance of two schools is beyond the means of the association in its present financial condition, it proposes to have the boys' school under its management and begs to be allowed to transfer the girls' school to departmental management.

2. When I went to Satyamangalam in July last, I personally visited the school and found it to be in a promising state. It was very crowded although the building was new and good, and I consider it would be a very good thing to start a Government Girls' school in the locality for Muhammadans. The Inspectress of Girls' Schools addressed the President, Taluk Board, in regard to the opening of a Board Muhammadan Girls' school in the place, but the Board replied that they had no funds to open new schools.

3. In these circumstances, I have the honour to request that sanction be accorded to the taking over under departmental management with effect from 1st March 1910 of the girls' branch of the Muhammadan school at Satyamangalam with a staff of three teachers on Rs. 12, 10 and 10. I beg to submit herewith the usual proposition statement for favour of sanction.

4. I am making the necessary provision in the budget estimate for 1910-11 in anticipation of sanction.

NOTES CONNECTED WITH G.O., No. 637, EDUCATIONAL, DATED
4TH DECEMBER 1909.

[SUBJECT.—Proposals for taking over under Government management the Girls'
Branch of the Muhammadan school at Satyamangalam.]

G.O., No. 477, Educational, dated	23rd June	1908.
" " 537	" " 14th July	"
" " 681	" " 30th September	"

From the Director of Public Instruction, dated 17th September 1909, No. 5106.

The Director of Public Instruction requests sanction to take over under departmental management with effect from 1st March 1910 the girls' branch of the Muhammadan school at Satyamangalam, Coimbatore district, with a staff of three teachers on Rs. 12, 10 and 10.

2. There is at present at Satyamangalam a school for Muhammadan boys and girls. It was started in 1906 by the local Muslim Educational Association and is

Paragraph 1 of Director's letter. being maintained by subscriptions from members of the Association. As grown up girls are withheld by their parents from attending the school on reaching the higher standards for the reason that it is a mixed school, the Association is anxious to have separate schools for boys and girls, so that the girls may not be deprived of their study at a time when they are capable of receiving useful instruction. But as the maintenance of two schools is beyond the means of the Association, it proposes to have the boys' school under its own management and requests that the girls' school may be taken over by Government.

3. The present strength of the school is as follows :—

	Boys.	Girls.
Infant standard	49	46
First standard	27	19
Second standard	8	10
Third standard	4	4
Fourth standard	3	2
Total	91	81

The Director of Public Instruction, who visited the school in July last, "found it to be in a promising state" and considers that "it would be a very good thing to start a Government girls' school in the locality for Muhammadans".

Paragraph 2 of Director's letter, page 2.

4. According to the census of 1901 the Musalman population of Satyamangalam taluk is 3,927 (2,062 males and 1,865 females). Only 15 out of the 1,865 females are shown as literate. There are, however, now 81 girls in the school under reference. A separate girls' school at this place seems thus to be necessary and desirable. And as the local Taluk Board has expressed its inability to open and maintain a Muhammadan Girls' school, it is for consideration whether the Director's proposal that the Government should take over the school may be approved.

K. RANGASWAMI AIYANGAR.

Paragraph 2 of Director's letter, page 2.

Schools for Muhammadan girls were recently opened by Government at Mangalore (G.O., No. 537, dated 14th July 1908), Trichinopoly (G.O., No. 477, dated 23rd June 1908), and Mylapore (G.O., No. 681, dated 30th September 1908). The annual cost to Government on account of the establishment of the proposed school is Rs. 584, and some extra expenditure will have to be incurred in the shape of house-rent, furniture and contingencies. The Director of Public Instruction states that he is making the necessary provision in the budget estimate for 1910-1911 in anticipation of the sanction of Government.

Paragraph 4 of his letter.

K. RANGASWAMI AIYANGAR—9-10-09.

The proposal seems a good one as there are over 80 girls in the school. But it would seem more appropriate for the Taluk Board to run it. As the cost will be small they should be able to manage it. Their statement that they can't, may be examined in the Local and Municipal Department.

C. A. SOUTER—11-10-09.

Local and Municipal. Please say whether anything can be made out about the financial position of the Taluk Board. The accounts will at least show balances and contributions from the District Board, if nothing else.

W. FRANCIS—14-10-09.

To the Local and Municipal Department.

LOCAL AND MUNICIPAL DEPARTMENT.

The following statement shows the receipts and charges of the Coimbatore Taluk Board during the last three years :—

Year.	Opening balance.	Normal receipts.	Government grants.	Contribution from District Board.	Total receipts including opening balance.	Total expenditure.	Closing balance.
1906-1907	Rs. (d) 3,334	Rs. 50,588	Rs. 19,297	Rs. 7,000	Rs. 80,219	Rs. 86,539	Rs. (a) — 5,319
1907-1908	— 6,319	53,026	22,520	39,479	1,08,706	96,554	(b) 12,150
1908-1909	12,150	52,633	26,951	35,960	1,26,794	1,05,901	(c) 20,893
Total	..	1,56,247	68,768	81,539	..	2,88,994	..
Average	..	52,082	22,922	27,179	..	96,331	..

(a) Includes balance of Rs. 3,070 relating to endowments.

(b) Do. do. " 5,107

(c) Do. do. " 6,533

(d) Do. do. " 2,530

But if the contributions from the District Board are left out of account, the Taluk Board would have closed with a deficit in each year. This seems to show that, without additional aid from the District Board, the Taluk Board cannot meet any increase in expenditure.

N. CHENGAL RAO—9-11-09.

* Closing balance under endowment funds in 1908-1909.	Rs. 6,933
Opening balance under endowment funds in 1906-1907.	2,530
Surplus for three years from 1906-1907 to 1908-1909.	4,403
Average annual surplus	1,467

It will be seen from the above statement that the average annual receipts of the Taluk Board including the Provincial grants and contributions from the District Board amounted to Rs. 1,02,183, while the average annual expenditure amounted to Rs. 96,331. The receipts thus exceeded the expenditure by Rs. 5,852; but of this average annual surplus, Rupees 1,467 * appertained to the endowment funds, leaving a surplus of only Rs. 4,385 under general funds. The expenditure incurred by the Taluk Board on education amounted on an average to 24.5 per cent. of the total expenditure as shown below :—

Year.	Expenditure on education.	Percentage to total expenditure.
1906-1907	Rs. 22,427	25.9
1907-1908	22,577	23.4
1908-1909	25,804	24.3
Total	70,808	...
Average	23,603	24.5

The Taluk Board has recently submitted † proposals for the revision of educational establishments, involving an additional expenditure of Rs. 44-8-0 per mensem or Rs. 534 per annum; and it is for consideration whether it should be burdened with further expenditure on account of the maintenance of the proposed Muhammadan girls' school at Satyamangalam. The Board now maintains a secondary school at this place which is intended for all classes of pupils.

2. The net expenditure on education from Local Funds in this district is less than the general average for the Presidency as shown below :—

Year.	Net expenditure on education from local funds.	Percentage of the net expenditure on education to the current income of the local boards.	Average percentage for the Presidency.
1906-1907	Rs. 27,922	Rs. 7.6	Rs. 6.8
1907-1908	27,926	5.8	7.1
1908-1909	33,556	7.0	9.4

In these circumstances it is for consideration whether the Taluk Board may be compelled to take over the girls' school in question.

T.K.A.—8-11-09.

N. CHENGAL RAO—9-11-09.

Taluk Board cannot be expected to incur the cost of the school. The local community seem to have done their best and the demand for this special school seems to be a real (and rare) one. Proposal may be approved with concurrence of Financial.
