I understand that the Academic Year in the English Universities commences from the month of October and I should - think it would be convenient for me if I leave India about - April or May.

I beg to request for information as to the date from - when, the scholarship is tenable.

Calcutta, the 29th November 1909.

Sir,

I am directed to refer to the correspondence ending with your letter no.584, dated the 27th October 1909, on the subject of the grant of a Sanskrit Scholarship in 1909 to M.R. Ry. S. Natesa Sastri. It is stated that Mr. Sastri accepts the offer subject to the condition that he is permitted while holding the scholarship either to study law and qualify for the Bar in England, or to postpone his departure for England until December 1910, by which time he will have completed his Law course at the Madras University. In reply I am to say that the Government of India regret that they are unable to accept either of these stipulations. It is not desirable in their opinion, that the holder of the Scholarship should attempt to combine the study of other subjects with that of Sanskrit, and, as they are not prepared to postpone the award of the Scholarship for 1909 until the close of the succeeding year, they will now proceed to offer it to one of the other eligible candidate on their list. They regret, therefore, that the offer made to M.R. Ry. S. Natesa Sastri must be regarded as withdrawn and I am to request that he may be informed accordingly. An intimation of this decision has been already conveyed to the Government of Madras in the Home Department telegram no.970, dated the 25th November 1909.

I have the honour to be,

Sir,

Your most obedient servant,

H. Stuart

Secretary to the Government of India.
