Sir,

F.

In G. O. No. 618 Educational., dated 29th August
1908, a grant not exceeding Rs. 3,370 was sanctioned towards the
cost of constructing an additional building for the St. Joseph's
Poor European Boys' High School, Calicut, one of the conditions
of payment of the grant being that the building is completed
before the 31st December 1909. In G. O. No. 115 Educational.,

G.

dated 1st March 1909 permission has been accorded to make certain
alterations in the approved estimate. The Correspondent of the
school now writes to say that owing to the abnormal rainy season
and the unavoidable delay in getting by steamer the necessary
steel beams, the building cannot possibly be completed before the
31st December 1909, and requests extension of time up to the 31st
March 1910. I have the honour to recommend that his request may
be granted and that he may be asked to submit the certificate of
