Supply of kerosene oil and oil seeds

The request of Keso a
Heron is eminently sound and
I hope Indian seeds and oils to supply
about them is just what is wanted.
I should, I submit, do all they
can to help him in this matter.

There appears to be no precedents but the request may still be
complied with as the object of the scholarships is to test the value of Indian
oils and seeds in soap-making.

The draft order placed below is submitted for approval.
