Letter—from Rao Bahadur M. Rangacharya, M.A., Registrar of Books, Madras.
To—the Secretary to Government, Educational Department (through the Director of Public Instruction).
Dated—the 21st December 1909.
No.—2040.

In submitting herewith the printed copy of the catalogue of books registered in the Presidency of Fort St. George during the third quarter of 1909, I have the honour to state that it will be interesting to note that for the guidance of Indian readers, as also of those who resort to the British Museum and the Library of the India Office in London and to similar institutions in other countries on the continent of Europe to which these quarterly lists are supplied, a table of transliteration is annexed to this catalogue, so that they may all easily get at the correct pronunciation of the names of Indian authors and books. Another noteworthy feature in this catalogue is that the output of publications presented for registration has beaten the record of previous years, which seems to be clearly indicative of the effect of G.O., No. 258, Educational, dated 30th April 1909.

2. The total number of publications registered during the quarter is 713. Of these, 526 are grouped as "Books" and 187 as "Periodicals."

3. Distributing the registered collection according to languages, English is represented by 223 works including diglot editions, Latin by 1, French by 1, Italian by 1, Tamil by 206, Telugu by 92, Malayalam by 37, Kanarese by 26, Konkani by 1, Tulu by 1, Uriya by 11, Hindustani by 6, Arabic by 13, Persian by 1, and Sanskrit by 93 standard works and modern writings with annotations printed in Telugu, Grantha and Nágári characters.

4. A little more than 15 per cent. of the total number registered consists of works designed for educational purposes.

5. The total number of copyright entries made during the quarter under report is 142 including four works mentioned in the additional list appended to the accompanying catalogue.
