From (Name) The Hon'ble Mr. A. G. Bourne, D. Sc. F. R. S. C. I. E.,

(Designation) Director of Public Instruction,

Madras

To the Secretary to the Government of Madras,

/Through Educational Department Mr. Braithwaite
The Accountant-General/

In,

The Inspector of Schools, Sixth Circle reports
that there are several secondary schools in the South Canara
~~Canara~~ District which do not even fulfil the minimum rules as
regards trained teachers and that many complaints have been
received by him from managers of schools that it is absolutely
impossible to get trained Canarese teachers of the secondary
grade. He therefore suggests that a secondary training class
for the training of teachers who have passed either the Matri-
culatation or the upper secondary Examination be opened in the
Government Training School, Mangalore for two or three years
from January next, to meet the demand for trained Canarese
teachers of the secondary grade. The Inspector of European and
Training Schools who was consulted in the matter agrees with
Mr. Braithwaite in regard to the necessity for a temporary
secondary training class in the Government Training School,

FR.
16/12/08

Mangalore. The present staff of the Mangalore Training School consists of the headmaster who is a B.A. L.T. and the 1st Assistant who is a trained graduate besides two others who are trained matriculates. Mr. Middlemast says that the work of the proposed secondary class may be distributed between the Headmaster and the first assistant and that to relieve them of a part of their work, an additional assistant on Rs 30-2-40 would be required. The extra provision required for the payment of stipends for next year may possibly be met from the allotment provided for the purpose in the Budget Estimate for 1909-1910.

I beg to recommend that sanction be accorded to the entertainment of an additional teacher on Rs 30 per mensem in the Government Training School, Mangalore from the 15th January 1909. The appointment which will be wanted for 2 or three years may in the first instance be for one year and sanction for its further continuance will be applied for if circumstances warrant it.

I request that if the proposal be approved the necessary provision be included in the Budget Estimate for 1909-1910 now under consideration.

The extra expenditure for the current year on account of the additional assistant will be Rs 45, and a reappropriation statement for the purpose is herewith submitted together with the usual proposition statement.

I have the honour to be,

Sir,

Your most obedient servant,

Arhuna Lakshmi

D.O.

The D.P.I. states that trained teachers are badly wanted in several Secondary Schools in the South Canara district and that it is absolutely impossible to get trained Canarese teachers of the Secondary grade.

2. The Director therefore proposes to open a Secondary Training Class in the Govt. Training School at Mangalore and requests the sanction of Govt. to the appointment of an additional teacher on Rs. 30 p.m. in the first instance for one year from the 15th January 1909. He considers that the appointment may be required ^{more than} for one year and states that sanction for its further continuance will be applied for if circumstances warrant it.

3. The Director further requests that if his proposal is approved, the necessary provision may be made in the budget estimate for 1909-1910. If the proposal is approved, the Finl Dept may be asked to make the necessary alteration in the budget.

Under Financial memorandum No. 3122-1, dated 27th July 1908, the Educational Sectⁿ is itself competent to sanction the employment of the temporary teacher without reference to the Financial Department. The reappropriation of funds seems, however, to require the sanction of the Financial Department.
