Station M a d r a s , Dated the 5th November 1908.

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.C.I.E

(Designation) Director of Public Instruction,

M a d r a s.

To the Secretary to the Government of Madras,
Educational Department.

Sir,

In their order No. 470 Mis. Educational dated 22nd June 1908, Government were pleased to permit the management of the Stanes' High School, Coonoor, to commence the work of constructing a building for the school on condition that the estimate was revised in accordance with the suggestions contained in the Chief Engineer's note dated 13th June 1908. As a result of this condition imposed, Mr. Robert Stanes, the trustee of the school says:-

"This has necessitated a revision of the estimate and plan, and I have the honour to enclose a fresh copy of the plan and estimate in accordance with the Chief Engineer's suggestions. You will notice that the building is slightly reduced in size; the hall on the upper floor being 60 x 30 instead of 70 x 30, as the Committee consider that this would give ample accommodation, and the class rooms below will be three instead

of four. The Chief Engineer's suggestions necessitated heavier expenditure, and, therefore, it was necessary to reduce the size in order to bring the estimate within the means of the Committee.

Attached to the plan and estimate you will find also full specification which I trust will be passed by the Chief Engineer. The work of the building is proceeding rapidly, as the Municipal Council of Coonoor wish to take over the old school building at the end of this year. May I on behalf of the Committee ask you to sanction a grant towards this work, and to let me know how much you are prepared to give, as soon as possible."

I beg to recommend that in the circumstances stated by Mr. Stanes, the revised plan and estimates submitted herewith, may be scrutinized in the Public Works Department with reference to the Chief Engineer's note referred to above. The original plan and estimate &c are also submitted herewith.

2. As regards the grant, the management will be informed that the question will be considered on receipt of an application in the prescribed form.

I have the honour to be,

S i r ,

Your most obedient servant,

A. K. Raut
