To the Secretary to the Government of Madras,

/Through Educational Department  
The Accountant-General

Sir,

The Committee of the Government Muhammadan  
Elementary School, Mylapore, who have the management of the  
school under G.O. No. 583/Educational, dated 8th August 1908  
propose to employ a carpenter for the school so that the boys  
may be taught carpentry. The annual cost is estimated to be  
as follows:-

|                                                                      |     |
|----------------------------------------------------------------------|-----|
|                                                                      | Rs  |
| Salary of a trained carpenter at Rs 15 per mensem                    | 180 |
| Contingencies —                                                      | 60  |
| In addition to which there will be an<br>initial outlay on tools &c. | 240 |
|                                                                      | 60  |
| Total                                                                | 300 |

The proposal commends itself to me and it will be an interesting  
experiment as I regard the teaching of carpentry as manual  
training forming part of the ordinary work of the school. I beg  
therefore

therefore to recommend that sanction be accorded to the appoint-  
ment <sup>of</sup> ~~for a period of one year~~, of a temporary carpenter on Rs 15  
<sup>for a period of one year</sup> per mensem/with effect from 1st January 1909.

The charge for the two months of the current year, will amount to Rs 100, including the initial outlay on tools and can be met from savings under other heads and I request that the necessary provision for 1909-1910 may be included in the Budget Estimates which are now before Government.

2. The necessary reappropriation and proposition statements are herewith submitted.

I have the honour to be,

S i r ,

C. No. 2665 From the D.P.I.

No. 7179, dated 30-11-1908.

SUBJECT

Employment of a Carpenter in the Govt.  
Muhammadan Elementary School, Myslopore

The Govt. Muhammadan Elementary School at Myslopore has been placed by Government under the management of a Committee - Please see G.O. no. 583 Edl & 8<sup>th</sup> August 1908.

2. The D.P.I. states that the Committee propose to employ a carpenter for the school so that the boys may be taught carpentry. The Director says that the proposal commends itself to him and that he regards the teaching of carpentry as 'manual training' forming part of the ordinary work of the school. He therefore recommends that sanction may be ~~affin~~ accorded to the appointment of a temporary carpenter on Rs 15 p.m. for a period of one year with effect from 1<sup>st</sup> January 1909.

3. The cost of the establishment during the current year and the initial outlay on tools will, the Director states, amount to Rs 100, and he proposes to meet the charge by re-appropriating the required amount from the provision for 'salaries' under 'Law College'.

4. The temporary establishment which costs only Rs 180 <sup>per annum</sup> can be sanctioned by this Dept, ~~without~~ reference to the Financial Department.

draft <sup>order</sup> sanctioning the establishment is submitted for approval. If approved, it may be sent to the Financial Dept for acceptance, as the proposed re appropriation requires the sanction of that Dept.

~~5. The D.P.I. <sup>does not state</sup> makes no reference as to how he proposes to meet the charge during 1909-1910. Perhaps he considers that the provision made in the budget will be sufficient to meet this charge.~~

7.7.

5. The D.P.I. requests that provision may be made on account of this <sup>add</sup> establishment for 1909-10, in the budget estimate for that year now before Govt. The attention of the Financial Department may be drawn to this request.

So long as this carpentry is not looked upon as the main object of the pupils' attention, the proposal seems unobjectionable. But the management of the School should remember that the children are there to get a general education.
