GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from H. G. STOKES, Esq., I.C.S., Officiating Deputy Secretary to the Government of India, Home Department (Education).
To—the Secretary to the Government of Madras, Educational Department.
Dated—Calcutta, the 21st December 1908.
No.—1037.

The Government of India have had under consideration the question of providing free quarters to teachers in Government schools to which hostels are attached. They consider it desirable that ample provision should be made for the supervision of boys out of school hours and the most satisfactory way of securing this object is by means of resident masters. I am accordingly directed to say that the Government of India are pleased to authorize the local Government to grant at its discretion free quarters on the school premises to teachers employed at a Government school on condition that definite duties as regards the supervision of pupils out of school hours are assigned to each master thus permitted to reside on the school premises. The Governor-General in Council proposes to leave it to the local Government to fix the number of masters for whom quarters shall be provided, with reference to the reasonable requirements of each institution.

Order—No. 25, Educational, dated 15th January 1909.

The Government are prepared to consider proposals for granting free quarters on the school premises to teachers employed in Government schools to which hostels are attached on condition that definite duties as regards the supervision of pupils out of school hours are assigned to each master thus permitted to reside on the school premises. The Director of Public Instruction will be requested to specify the Government schools to which hostels are attached and to state the number of masters for whom quarters may in his opinion be provided, with reference to the requirements of each institution. The Government will then consider how far such provision may in each case be made.
