The Hon'ble Mr. KESAVA PILLAI :—

X. (a) Will the Government be pleased to state if it is a fact that the Director of Public Instruction issued instructions to the Presidents of Local Boards and Municipalities to dispense with the services of supervisors of primary education from March next?

(b) What is the number of such supervisors who will be thrown out of employment by the notification?

(c) What is the number of supervisors who will be re-entertained on the provincialization of the service, and what would be the probable number of them who would not find re-employment in the service?

(d) How do the Government propose to compensate for the loss of service?

Please see Mr. Taylor's note dated 15th October 1908 on page 1 of K.W. G.O. No. 744 Ed. dated 5th November 1908, and Mr. Bourne's note on page 2 of the same; from which it is observed that the idea was that reasonable notice should be given to ~~such~~ the existing Local Municipal Supervisors of primary Schools. The D.P. I. has doubtless asked the Presidents of S.I. Boards and Chairmen of Municipal Councils to give notice to the Supervisors in their employ that their services would not be required from or after 1st March 1909, and Clause (a) of the question apparently refers to such notices. There is however no information in the office as to whether the D.P. I. has actually issued the notices.

cf. para. 2 of Co. 744 Ed.

Is at once please.

H.E. has I suppose admitted the positions which are ~~unobjectionable~~ ^{points referred to in clauses (b) (c) & (d) of the question.}

I believe service as Supervisor is pensionable.

I do not know what arrangement it is proposed to make to

compensate the men thrown out.

hook into the point if anything available as to pensionability.

Replanned.

Not is any information available on the points referred to in clauses (b) (c) & (d) of the question. It is submitted that the D.P. I. may be asked to prepare a draft reply to this question, so far as information is at present available in his office.

Sec.
We have no information in the office. The D.P. I. may be asked to suggest.

E. O. No. 5 Dated 19th January 1909.

(a) The Director Public Instruction did intimate to Presidents of District and Taluk Boards and Chairmen of Municipal Councils the advisability of their giving supervisors notice that their services would not be required after the end of February.

(b & c) The notice was not intended necessarily to have the effect of throwing anyone out of employment. Some of the supervisors are government servants lent to local bodies and they will merely revert to government employment; a considerable proportion of the rest will be appointed supervisors under government.

The office informs me that
P. B. and others have
kept 75% of the
present men.

Notes.

it is not possible at present to give exact figures as the appointments are still under consideration.

(d). Government is under no obligation to compensate the long employment of those supervisors who are not so appointed, but Ed. Dept. with advice local bodies to employ in their schools such of them as are fit for teaching.

Perhaps it would be well to add that it is anticipated that some supervisors will be unfit for Government employment by reason of their incapacity.

The following draft answers are submitted for H.M.'s approval with reference to Mr. Stone's remarks: -

(a) Mr D.P.I. did intimate to Prests of Dr. P.D. & Chairman of Immig. Council the advisability of their giving Supervisors notice that their services would not be required after the end of February.

(b) & (c) ~~It is impossible to~~ ^{No} ~~give any~~ definite answer can be given at present to these questions.

(d) The cases of persons who are thrown out of employment will be considered on their merits. Where pension or gratuity is permissible under the rules it will doubtless be given but it is impossible to make any general statement on the subject.

H.M.

Those of the Supervisors who are put servants sent to local bodies will revert to Port service & it is hoped that a considerable number of them will be found qualified for appointment as Supervisors. In 5 Districts local Bds. contribute to pensions for ^{as} Supervisors. In other Dts there are generally Provident Funds & when Supervisors have joined these funds the rules on pp. 90 & 91 of the L.F. Code will apply to them.
