No.—251.

In connection with the construction of an upper storey over the hostel building attached to the Canara High school sanctioned in Dis. No. 1727 of 1908, dated 3rd March 1908, I have the honour to state that we find it very necessary to have a balcony on the southern side also, as otherwise boarders occupying the eastern row of rooms have to obtain access to those rooms only through the central room, and this would cause inconvenience if the central room should be found closed at night. We therefore request your kind permission to construct this balcony *at our own cost*. I may here observe that we should have liked to have a balcony on the northern side also, but the ground on that side does not belong to us.

A copy of the plan of the building is submitted herewith.

Requesting the favour of an early reply, etc.
