To the Secretary to the Government of Madras,
Through the Accountant-General,
Educational Department.

Sir,

I have the honour to request you will be so good as
to obtain the sanction of Government for the employment, for
a period of one year with effect from the 1st March 1909, of an
assistant gardener on Rs 8 per mensem in the Reformatory School,
Chingleput. The Superintendent reports that during the past
year there was an accession of 20 pupils to the strength of the
school and that during the current year a further accession of
40 boys is expected, and he considers it therefore necessary
to take into use more ground for the extension of the kitchen
garden, with the view to provide gardening work for the addition-
al pupils and also to grow a larger quantity of vegetables for
their sustenance. To enable him to carry out this arrangement,
he applies for sanction to the employment of an assistant
gardener on Rs 10 per mensem, who will be under the control of

4
the garden instructor. The proposal seems to me to be reasonable and may be sanctioned as an experimental measure, the pay of the new gardener being, however, fixed at Rs 8 per mensem.

The extra charge for 1909-1910 can be met from the allotment provided for "Wages of workmen" under contingencies in the Budget Estimate of the school. The necessary proposition statement is herewith submitted.

I have the honour to be,

S i r ,

Your most obedient servant,

G. H. S. S. S.

For Director of Public Instruction.

Forwarded.

The entries in the column of "Present scale" have been compared with the Registers of this office, and are correct, with the exception of the items altered in red ink.

There is no audit objection to the proposal being sanctioned by Government.

The head "Wages of workmen" referred to by the Director of Public Instruction does not exist in the Civil Budget estimate. The charge in question is debitable to "Establishment" and the proposed re-appropriation from contingencies can be sanctioned by the Director himself.

NOTES.

C. No. 476 From the D.P.I. No. 16, dated 5-2-1909.

SUBJECT.

Employment of a temporary gardener in the Reformatory School.

The D.P.I. states that during the past year there was an accession of 20 pupils to the strength of the Reformatory School, Chingleput, and that during the current year a further accession^x of 40 boys is expected. The Supdt. of the School considers it therefore necessary, and the D.P.I. agrees with him, that the kitchen garden of the school should be extended with the view of providing gardening work for the additional pupils and also to grow a larger quantity of vegetables for their sustenance.

2. To enable the Supdt. to carry out this arrangement as an experimental measure, the D.P.I. recommends the employment of an assistant Gardener on Rs 8 per mensem, for a period of one year, with effect from 1st March 1909. No provision has been made for this extra charge in the budget for 1909-1910 but the D.P.I. says that it can be met from the provision for "wages of workmen" under "Contingencies". The A.G. states that the proposed re-appropriation can be sanctioned by the Director himself.

3. As the cost of the proposed temporary establishment, Rs 96, is less than Rs 1200, the establishment can be sanctioned by this Dept. without previous
