To—the Secretary to Government, Educational Department.

Dated—Madras, the 6th March 1909.

No.—Ref. on Cur. No. 2248 of 1907.

With reference to G.O., No. 656, Educational, dated 10th September 1908, I have the honour to report that the continuance of the Pachaiyappa's College on a satisfactory footing is practically settled even though some details have yet to be decided by the High Court and to request therefore that the sanction of Government may be obtained for the payment of the grant of Rs. 27,000 referred to in G.O., Mis. No. 438, Educational, dated 4th June 1908.

Order—No. 162, Educational, dated 18th March 1909.

A grant of Rs. 27,000 will be sanctioned to the Pachaiyappa's College, Madras, out of the special grant placed at the disposal of this Government by the Government of India in aid of University and Collegiate Education.

2. The charge will be met from the allotment of Rs. 1,05,000 under "22. Education—University" in the current year's budget.

From the Director of Public Instruction, dated 6th March 1909, No 2248.

In paragraph 11 of his letter on page 3 of G.O., No. 810, Educational, dated 3rd December 1907, the Director of Public Instruction (the Hon'ble Dr. Bourne) recommended a grant of Rs. 27,000 to the Pachaiyappa's College, Madras, out of the special grant made by the Government of India in aid of University and Collegiate Education. In paragraph 2 of the above order, the Government deferred the question of a grant to the Pachaiyappa's College for further consideration. The payment of the grant was deferred as the question of settling a new scheme for the administration of the Pachaiyappa's charities had been raised before the High Court and the continuance of the college under the new scheme was problematical. Please see Mr. Taylor's note, dated 6th November 1907, on page 9 of K.W. G.O., No. 810, Educational, dated 3rd December 1907.

2. In May 1908 the Director of Public Instruction submitted a letter from the G.O., No. 438, Educational, dated 4th June 1908. Trustees of Pachaiyappa's charities on the subject of the grant and recommended that the grant might be paid, as he presumed that the continuance of the college was certain. But in G.O., No. 438, Educational, dated 4th June 1908, the Government said that they would have no objection to sanction the grant as soon as a scheme for the management of Pachaiyappa's charities had been settled which would ensure the continuance of the college on a satisfactory basis.

3. In August 1908, the Director of Public Instruction submitted a further letter G.O., No. 656, Educational, dated 10th September 1908. from the Trustees of the Pachaiyappa's charities in which they requested that they might be permitted to proceed with the construction of a science laboratory and its equipment, without prejudice to the payment of the grant, after the settlement of the suit. The Government then said that they could not interfere with any scheme of building the Trustees might determine to proceed with, but that the grant referred to would not be paid "unless the scheme for the management of the Pachaiyappa's charities is settled on a basis of which the Government are prepared to approve as satisfying the requirements of the Educational Department"—vide G.O., No. 656, Educational, dated 10th September 1908.

5. It is for consideration whether the payment of the grant may be sanctioned. The High Court appears to have passed final orders on the 2nd February last with regard to the formation of a College Council in connection with the scheme for the management of Pashaiyappa's charities—*vide* extract from the *Madras Mail*, dated 2nd February 1909. If the grant is sanctioned, it can be paid during the current year out of the allotment of Rs. 1,05,000 under 22. Education—University, in the budget estimate for 1903-1909.

T.K.—10-3-09.

K. RANGASWAMI AIYANGAR—11-3-09.

There seems no objection now to giving the grant.

C. A. SOUTHER—11-3-09.

But we still do not know whether the scheme "has been settled on a basis of which Government are prepared to approve as satisfying the requirements of the Educational Department." Unless there are account reasons for paying the grant before the 31st instant I would ask the Director of Public Instruction to forward a copy of the Court's final order.

A. BUTTERWORTH—13 3-09.

The sum of Rs. 27,000 to be given to the Pachaiyappa's College is included in the allotment of Rs. 1,05,000 under "University" in the budget estimate for the current year. If the grant is not paid before the 31st March 1909, the amount will lapse, and as only a sum of Rs. 17,000 is allotted under "University" in the budget estimate for 1909-1910, the amount of grant required for this college will have to be met by a separate allotment from the Provincial balance which will have to be sanctioned by the Financial Department. There appears to be no other account reasons as to why the grant should be paid before the close of this year.

K. RANGASWAMI AIYANGAR—13-3-09.

We have the Director of Public Instruction's word that the settlement is satisfactory, but this is all. If it is not enough and the grant is not paid this year, Financial must allot the sum from the balance.

C. A. SOUTER-15-3-09.

To prevent lapse the grant may perhaps be sanctioned at once on the Director's assurance that the scheme has been settled on a satisfactory basis.

A. BUTTERWORTH—16-3-09.
