Dated 9th February 1909.

From

As. Principal, Law College, Madras.

To
The Secretary to Government
Educational Department
Through
The Director of Public Instruction
and The Accountant General,
Madras.

Sir,

I have the honour to request that
Government may be pleased to grant
me leave on urgent private affairs
in continuation of the ensuing Summer
Vacation of the College for a total
period of six months.

2 These are private affairs
in England imperatively demanding
my attention and residence there for
a longer time than the College Vacation.

Vide the letter with
Memo 1401 - 7 for which period I have already applied
19.2.09

3
for leave to proceed to Europe. The nature of these private affairs I am explaining privately to the Director of Public Instruction.

3. I have been in the service of Government as Junior Professor and acting Principal in the College from August 1902 i.e. for six years and a half and the only leave I have taken during that period has been four months on Medical Certificate in 1907, which I was compelled to take by my state of health while at home on vacation leave.

4. The Principal's leave was to have expired on April 16th next, but as ~~it~~^{it} is being written, I am informed by him privately, that his leave has been further extended for six months on Medical Certificate.

I would earnestly request that this may make no difference to the

4
grant of leave to myself. The Principal will have been absent on leave for one year and a half and the conjunction of his ill-health and my urgent private affairs should not, I submit, debar me from leave on the present occasion.

5. In the event of Government being pleased to grant me the leave I ask for, I would venture to suggest that Dr. Suravirathan, the present acting Junior Professor be appointed to act as Principal, and Mr. D. R. Govapathi Sagar the present 1st Assistant Professor, be appointed to act as Junior Professor, the present 2nd Assistant Professor be appointed to act as 1st Assistant Professor, and that a duly qualified Vakil be appointed to act as 2nd Assistant Professor. I would add that these temporary arrangements would only be required for a period of about three and a half months.

6. I finally have the honour to request that this application may meet with the favourable consideration of Government under the ^{present} ~~present~~ and pressing circumstances that have arisen and that it may be treated as very urgent in order to allow of my making my arrangements as far in advance as possible.

I have the honour to be,

Sir,

Your most obedient servant

Ch. Odgers

Ag. Principal.

Launceston College, Launceston.

R. Cl. No. 10 / 09., dated 16th February 1909.

Submitted to Government through the Accountant-General.

2. It will not be very satisfactory to have both the Principal and the Junior Professor absent at the same time. But if Government are prepared to consider the application of Mr. Odgers favourably, enquiries will be made as to the best arrangements possible. There is probably no reason against making the present acting Junior Professor Principal for the time being.

C. W. Harrison

for Director of Public Instruction.

6. I finally have the honor to
 request that the Education Department may
 meet with the favorable considera-
 tion of Government under the
 present and pressing circumstances
 that have arisen and that it may

be decided as soon as possible in order
 to allow of necessary arrangements.
 I am, Sir, very respectfully,
 Sir, your obedient servant,
 J. G. A. O. N.
