Station Madras, Dated the 9th March 1909.

From (Name) The Hon'ble Mr. A. C. Bourne, B.Sc., F.R.S.C.I.,

(Designation) Director of Public Instruction,

To the Secretary to the Government of Madras, Madras.

Educational Department.

Sir,

A monthly Uriya Journal called "The Elementary
School Journal" intended for the use of pupils and teachers in
Elementary Schools and dealing purely with educational subjects
is being published by R. Gunniah Sastri, Proprietor, Sri
Sarasvati Press, Berhampur. The Inspector of Schools, First
Circle, reports that the journal is a very useful one containing
articles on such subjects as Botany, Geology, Method of teaching
&c. on which there are no suitable text books in Uriya and
recommends that copies of it be supplied to all the Government
schools for boys in the Ganjam Agency. I have had some portions
of the journal translated into English and am satisfied with the
matter. I shall, however, see what use is made of the journal
when it is supplied and whether it deteriorates in course of
time. I have the honour, ^{now} therefore, to request you to be so good

as to have the necessary orders issued for the supply from the first issue, of 82 copies of it to the Inspector of Schools, First Circle, for distribution to the Government Elementary Schools for boys in the Ganjam Agency, and of a copy each to the Uriya Government Training Schools at Berhampur, Russelkonda and Gunupur, the Inspector of European and Training Schools having recommended the latter supply.

The subscription for the journal is Rs 1-8-0 per annum.

I have the honour to be,

Sir,

Your most obedient servant,

C. Krishna Rao

For Director of Public Instruction.
