Ref on Cur No. 550-A/09

Station Madras, Dated the 4 March 1909.

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.C.I.E.

(Designation) Director of Public Instruction.

Madras

To the Secretary to the Government of Madras,
Educational Department.

Sir,

In G.O. No. 513 Educational dated 10th July 1908, Government were pleased to sanction temporarily, from 1st January to 30th September 1908, the enhancement by Rs 1-8-0 each per mensem of the stipends of such of the students of the Elementary grade under training in the Government Training Schools for masters and mistresses as were in receipt of a stipend of Rs 7 and below. The Inspector of European and Training Schools states that from enquiries made, he is convinced that the price of the chief articles of food continues high and in every case much higher than the normal rate; and he accordingly recommends that the increased stipends referred to above may be renewed for the period commencing from 1st October 1908 and continued for such period as government have already granted and may think fit to grant compensation for dearness of provision to their servants. I support his recommendation. The

application would have been submitted earlier but that some time was taken up by Mr. Middlemast in making the necessary enquiries. He seems also to have been at first under the impression that without a fresh application the enhanced rate of stipend would be continued. 4

2. The increased cost may be roughly estimated at about Rs 2,500 per mensem but I am at present unable to point out the source from which the expenditure can be met either in the current or in the next official year.

I have the honour to be,

S i r ,

Your most obedient servant,

Arthur Hughes 4-3-9

2. In that order the Government sanctioned temporarily from 1st January to 30th September 1908 the enhancement by Rs.1-8-0 each per mensem of the stipends of such of the students of the elementary grade under training as were in receipt of a stipend of Rs.7 and below, in consideration of the dearness of food.

3. The Director of Public Instruction now states that the price of the chief articles of food continues high and in every case much higher than the normal rate and recommends that the increased stipends sanctioned in G.O. No.513 Educational dated 10th July 1908 may be renewed for the period commencing from 1st October 1908 and continued for such period as Government have already granted, and may think fit to grant compensation for dearness of provisions to their servants.

was at first under the impression that the enhanced rate of stipend would be continued without a fresh application.

R
5. It is for consideration whether the Director's proposal to continue the enhanced rate of stipends to the date up to which compensation for dearness of food is continued to Government servants may be accepted. The grant of compensation for dearness of food to all whole-time servants of Government on Civil establishments whose pay does not exceed Rs.30 per mensem has been ordered to be continued up to the end of March 1909.— Vide G.O. No.20 Financial, dated 13th January 1909.

6. The increased cost of the enhanced rate of stipend is roughly estimated by the Director of Public Instruction at Rs.2,500 per mensem and ~~xxx~~ if the continuance of the enhanced rate from 1st October 1908 to 31st March 1909 is sanctioned, the cost during the current year will be Rs.12,500 (5 x 2,500). The Director is unable to point out the source from which this increased expenditure can be met during the current year, but it can, it is submitted, be met from the savings of about Rs.20,570 under "Salaries" under the minor heads "Inspection", "Government Colleges Professional - Law College" and "Government Schools, Special - Training Schools for masters" in the current year's budget. The Director of Public Instruction recently proposed to re-appropriate this amount for the payment of subsidies to Municipalities, but the Government directed in

~~2. 1-8-0~~ The expenditure on account of the extra payment of Rs. 1-8-0 per mensem as stipends to the students of the elementary grade under training in the Govt training schools from the 1st January 1908 to the 30th September 1908 was estimated to amount roughly to Rs. 22,200. The expenditure for five months from the 1st Oct-08 to the end of February 1909 will amount approximately to Rs. 12,500.

~~The~~ The revised estimate for 1908-09 ^{however,} under stipends does not show any ^{large} excess over the budget grant. This is perhaps due to ~~the~~ a fall in the number of students drawing the stipends. If so the reason for an Uch addⁿ all^t is not apparent.

The draft order, which has been accepted by the Financial Dept., may now issue.

2. As the year is now nearly at an end, it will probably serve no useful purpose to call for any further information from the D.P.D. as to how the Revised Estimate for 1908-09 under 'Stipends' is less than the budget estimate, notwithstanding the increased expenditure for which an additional allotment is now sanctioned - cf. para. 2 of Financial Office note on page 4 Supra.
