To

Through

The Director of Public Instruction,

and the Principal,
The Presidency College,
Madras,

Sir,

I beg most respectfully to request
that in the circumstances stated below you
will be pleased to take my case into favour-
able consideration and to appoint me to
a decent grade in the Madras Provincial
Educational Service.

2. I beg most respectfully to
state that I graduated B.A. in 1892 (taking
Mathematics and Natural Philosophy for Op-
tional Subject), M.A. in January 1896 and
L.T. in 1902 in the University of Madras. I
passed the Intermediate LL.B. of the London
University held in Colombo in 1904 having
also matriculated previously. While in
the Registration Department in which I was
first employed in 1892 I passed the Revenue
Test, Higher Grade, and somewhat later the

Precis Writing Test and the Vernacular Test in Canarese being most of the tests prescribed for the post of Dy. Collector. I also took a course in Science as an Internal Student of University College, London, during the Session 1907-8. (Vide the enclosed Certificates of Dr. Foster and A. W. Porter, Esq., Asst. Prof. of Physics). I may mention that I obtained a First Class in Mechanics at the Class Examination in December 1907 and a First Class in Experimental Physics at the Class Examination for the Easter Term in 1908.

3. I further beg to state that I have put in 16 years' total service including one year's furlough. I obtained a transfer from the Registration to the Educational Department in 1896 after passing M.A. and was appointed Latin Master, Presidency College, Madras. As the pay of the appointment was fixed and not progressive my prospects greatly suffered and I was at a very great disadvantage until the Director Honble Dr. Bourne, F.R.S. (now also C.I.E.) promoted me in 1905 as Ag. 5th Asst. Professor in the Presidency College in a grade in which I was eventually confirmed. Besides teaching Latin I did also work in connection with English Composition of the F.A. for about $\frac{7}{8}$ years and of the B.A. Classes for a shorter period in the Presidency College in conjunction with the Junior Professors of English (for F.A.) and with Prof. Bilderbeck and

his successor (for B.A.) and also taught Mathematics to the Junior F.A. Class for one whole term.

4. I beg most respectfully to bring to your notice that J. B. Bilderbeck, Esq., M.A., Professor of English and Principal of the Presidency College, Madras, took into consideration the nature of the work I was doing and also the fact of my having passed several important Examinations and strongly supported the application which I made in Dec. 1902 (or 1903?) to the then Director for an appointment in the Provincial Educational Service (or in the unfortunate event of one being not available, at least for a post in the immediately lower grade). Prof. Bilderbeck was satisfied with my work, and sometime before his retirement had me also appointed a University Asst. Examiner in English - As for Latin, I generally produced very satisfactory results, viz. on one occasion a student of mine headed the list of successful B.A. Candidates and on another occasion (1907) two ladies obtained a First Class at the B.A.

5. In conclusion I beg most earnestly to pray that in consideration of Prof. Bilderbeck having recommended me so far back as 1902 (or 1903?) and of my being an M.A. of nearly 13 years' standing, and, moreover, of my having taken a course
