The Educational Dept deals only with

the question of Copyrights in books. The term "book" is defined in ~~a~~ section 1 of the Press and Registration of Books Act, 1867 as follows:-

"Book" includes every volume, part or division of a volume, and pamphlet, in any language, and every sheet of music, map, chart or plan separately printed or lithographed."

2. A painting or a picture is not a book ^{it does not appear that} and copyright in such a work cannot be registered under the Indian Copyright Act XX of 1847.

3. The current may ~~therefore~~ be retransferred to the Public Dept with the above remarks.

Is not the Statute applicable to India. If so, it will be in the vol. of Statute applicable to India but even so I do not know what procedure has to be adopted to secure the copyright which has to be regd. at Stationers' Hall.

The reply proposed by the U.S. seems correct.
