To

The Director of Public Instruction,

M a d r a s.

Sir,

I beg to lay the following before you for your favourable and kind consideration :

1. That a Government grant of nearly Rs. 4,000 has been sanctioned in Proceedings of the Director of Public Instruction, No. 3397., dated 3rd September 1908 for a Native Women's Hostel in this compound.
2. That the Department has received an assurance from us that our portion of the total cost was available.
3. That the building has already well progressed and will be more than three - fourth's completed by the end of March 1909, and that all the necessary materials are or will be on the compound by that time.
4. That in past years we have been able to advance the Government Grant in payment of work done, but that as this grant is a much larger sum, we have no means other than the Rs. 8,000 which was our portion of the cost.
5. That under these circumstances we shall be quite unable to submit to Government the necessary vouchers of the payments at the completion of the work.

We therefore beg to request you that you will kindly treat this as a special case and make a concession in our favour by advancing a part grant not exceeding Rs. 3,000 and will

withold

withhold the remainder until the final completion certificate
and the required vouchers are submitted.

I have the honour to remain,

S i r,

Your most obedient servant,

(Sd) F.A. Williams,

C. No. 542. From the S.P. 9 No. 1500, dated 12-3-1909.

SUBJECT. Recommending the payment of an advance of Rs 3,000 to the London Mission Girls' High School, Vepery.

L. In G.O. 609 add of 26th August 1908 the Govt sanctioned a grant of Rs 3,900 or one-third of the actual expenditure, which ~~might be less~~ towards the cost of constructing a hostel attached to the London Mission Girls' Boarding and High School, Vepery, Madras, subject to the following, among other conditions, namely, (1) that the work should be completed before the 31st August, 09, and (2) that a certificate of actual expenditure, bona fide incurred on the work should be submitted before the 30th September, 09.

Para. 4 - page 2 of C. 7.

2. The Correspondent of the School now states that the ^(wherever to meet the cost of the building) ~~authorities~~ ^{sum of} of the School have no means other than the Rs 8,000 which was their portion of the cost and unless the Govt. sanction, as a special case, an advance not exceeding Rs 3,000 they will be unable to submit the necessary vouchers for payments at the completion of the work. The S.P. 9 recommends that the Correspondent's request may be granted, as a special case.

Page 3 of C. 7.

Para. 3 - page 2 of C. 7.

3. The Correspondent ^{further} states that the building has already well progressed and will be more than three-fourths completed by the end of March 1909. But it does not appear that any Public Works officer has examined the buildings as far as they have been completed and certified as to whether the approved plans and estimates have been adopted. It is also submitted that the Grant ^{is of}

Grant-in-aid Code does not provide for the payment of any grant in advance of completion of buildings Cf. Art 51 (iii) and Art. 53 of the Code.

4. An advance of Rs 5000 was, however, sanctioned as a very special case, towards the cost of constructing the Christian and Hindu Hostels and the Lower School attached to the Voorhee's College, Vellore, - vide G.O. 334 18-1-09. The Hon'ble Member then observed that it was a dangerous precedent.

5. It is for consideration whether the advance of Rs 3000 out of the grant of Rs 3,900 now applied for may be sanctioned.

OR
17-3-09

This Case does not appear to be on all fours with the one disposed of in G.O. No. 33 Ed. dated 18th January 1909. In that Case, the grant of Rs 10000 was sanctioned for three separate buildings for which there were three separate estimates and as two of these had actually been completed & this fact was certified to by the P.W.D., the Govt. sanctioned the payment in advance of one half of the total grant as a very special case. In the Case under disposal there is only a single building & it would be almost impossible to verify the statement of the Correspondent that ^{more than} three fourths of the work

work has been completed. The D.P.S. does not appear to have ~~been able to~~ ~~be able to~~ verify this statement before forwarding the application to Govt. It is submitted that the rules in Articles 51, 52 & 53 of the Grant-in-aid Code. Should be strictly enforced and that this application for payment in advance of a portion of the grant should be refused.

See.

I submit that the above is the correct disposal. The grant was sent last August & the management must have known perfectly well for some time that they had insufficient funds. Grants-in-aid are sanctioned only up to $\frac{1}{3}$ of the total cost of the buildings. It is quite possible that $\frac{2}{3}$ Rs 3000 will be more than $\frac{1}{3}$. Now, to consider the matter in the worst light, is there any guarantee that if this grant is now paid, any further building will be done.

See
16.3.09.

Presumably so
Ans.

Hm

Probably this might be sanctioned
if the P.W.D. entity

(1) that the building can be
completed for Rs 3000;

(2) that not less than Rs 6000 has
already been spent on the
building.

At

If once we break away
from our rules, we
shall lose all hold over
building grants. The Mission
must wait till they get
funds like other people. It
is odd then not being able
to get the ~~other~~ money
left the prospect of a govt.
grant at front of them

The Government regret that they are unable to sanction ^{the payment} in advance of a portion of the building grant of Rs. 3,700 sanctioned in G.O. No. 26th August, 08 towards the cost of constructing a hostel attached to the London Mission Girls' Boarding and High School, Kefery, Madras. The Mission authorities must wait until the building is completed and draw the grant in accordance with the provisions of the Grant-in-aid Code.
