From (Name) The Hon'ble Mr. A. G. Bourns, D. Sc. F. R. S. C. I. E.,
(Designation) Director of Public Instruction,

M a d r a s

To the Secretary to the Government of Madras,
/Through Educational Department
Sec, The Accountant-General/

With reference to G.O. No. 689 Financial dated
6th September 1902 I have the honour to state that a punkah
puller has been appointed for the Deputy Director and his
services are usually retained throughout the year as the office
of Deputy Director of Public Instruction is generally held by
a European officer and is included in the cadre of the Indian
Educational Service. Although at the present time it is held
by an Indian gentleman during the absence of Mr. Mayhew on leave,
the arrangement in regard to the punkah puller has been
continued in virtue of the office of which the permanent
incumbent is a European. As the amount already drawn on account
of the wages of the punkah puller has now been held under
objection by the Accountant-General for want of the sanction
of Government, I have the honour to request that Government will
be pleased to accord sanction with retrospective effect as a

special case, for the continuance of the services of the punkah puller irrespective of the nationality of the permanent incumbent of the post of Deputy Director of Public Instruction.

2. I beg to add that a punkah puller was entertained throughout the year when the late Dr. S. Sathianadhan acted as Deputy Director in 1904-1905 and the Accountant-General raised no objection.

I have the honour to be,

S i r ,

Your most obedient servant,

A. Sathianadhan

2. There is no audit objection to the expenditure being sanctioned by Government.

3. As the contingent bills for the year 1904-05 have been destroyed, it is not possible to state why no objection was raised by this office to similar expenditure incurred in that year.

Under item 55 of appendix F to the Madras Treasury Manual Volume II, "charges for punkah-pulling are admissible throughout the year for Europeans and for six months in the year for others". Under G.O. No. 1346 Public, dated 5th October 1881, the period of six months during which charges for punkah-pulling can be incurred in the case of persons other than Europeans is from 15th April to 15th October .

2. The Office of the Deputy Director of Public Instruction is an appointment included in the cadre of the Indian Educational Service and is held by a European. The services of a punkah-puller for the Deputy Director of Public Instruction are therefore usually retained throughout the year. The permanent incumbent of the post of Deputy Director of Public Instruction is Mr. Mayhew. He went on leave for six months with effect from 4th September 1908 and Mr. Pranatartihara Aiyar acted for him during his absence on leave. In the case of Mr. Pranatartihara Aiyar, who is not a European, charges for punkah pulling can be incurred only for six months—from 15th April to 15th October and the Accountant-General has objected to admit the charges incurred after the 15th October 1908.

3. The Director of Public Instruction now requests that sanction may be accorded with retrospective effect, as a special case, for the continuance of the services of the punkah puller for the Deputy Director of Public Instruction irrespective of the nationality of the permanent incumbent of the post.

4. It is submitted that sufficient grounds do not seem to exist for exempting the post of Deputy Director of Public Instruction ~~and~~ from the operation of the rule. The post is one included in the Indian Educational Service and is usually held by a European. Indian gentleman will hold it only occasionally and in acting vacancies. In these circumstances the charges already incurred on this account may be sanctioned and the Director of Public Instruction may be informed that his proposal regarding the continuance of the punkah puller's services throughout the year irrespective of the nationality of the permanent incumbent ^{of Dy. Dir.} cannot be accepted.

5. The draft order placed below is submitted for approval.

This seems the correct disposal. There is nothing peculiar in the position of Dy. Director when held by a person other than a European.

The Govt are unable to accept the proposal of the D.P.I that the services of the punkah puller employed for the Deputy Director should be continued throughout the year irrespective of the nationality of the permanent incumbent of the post. The Accountant-General will, however, be authorised to admit the charges already incurred by the Director on this account.
