Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 26th March 1909.

No.—Ref. on Cur. No. 795.

With reference to Government Memorandum No. 214-1, Educational, dated 4th February 1909, I have the honour to submit two applications for the annual State scholarship tenable in England by Europeans and Eurasians educated in India from—

- (1) Walter Boyce Staggs and
- (2) Ernest Bertram Neave Taylor.

2. In the case of both the candidates, the rules of procedure (1), (2) and (3) laid down in G.O., No. 754, Educational, dated 13th November 1907, have been complied with. Their age falls within the prescribed limits and both of them are certified to be physically fit. No. 2 in particular appears to be of good physique, to judge from the fact that he has won the medal for athletics for two years at the Roorkee College. The antecedents of both are very satisfactory and each has good testimonials of character and conduct.

3. As regards attainments, No. 1 does not formally satisfy the conditions of paragraph 3 (i) of the Resolution of the Government of India, Home Department, (Education), dated Calcutta, the 19th March 1907, No. 221/238, as he has not passed the European High School Examination and is not a graduate. He has however passed two branches of the B.A. degree examination, and as the European High School Examination was not instituted in Madras till 1908 when he had already

been four years at college, I think that this should not disqualify him. No. 1 wishes to study Natural Science, and No. 2 Engineering. Of the two, No. 2 seems to show more promise than No. 1 whose pass in the third class in Branch II (a) of the Degree examination does not indicate that he is likely to do well at a British University. No. 1 is personally known to me. I am unable to interview No. 2 as he is now at Roorkee, and I would suggest that if the Government of India think of selecting him, he might be directed to present himself before the local Director of Public Instruction or some other official.

All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled.
