G.O., No. 404, Educational, dated 23rd May 1908.

ABSTRACT.—Passing orders on the application for a building grant towards the cost of improving the accommodation of the school department of the Madras Christian College.

II

Letter—from J. M. S. RUSSEL, Esq., Bursar, Madras Christian College.
To—the Director of Public Instruction.
Dated—Madras, the 18th August 1908.
No.—269.

In reply to Proceedings, Ref. on Cur. No. 5010, dated 4th August 1908, I have the honour to submit the plan and the estimate asked for, which have been prepared by Mr. G. S. T. Harris, together with the application in the prescribed form. The cost of the godowns amounts to Rs. 17,261, the demolition and alterations, as per estimate submitted, will cost Rs. 1,513, total Rs. 18,774. I have therefore the honour to ask the favour of a one-third grant on this proposed outlay, a grant, viz., of Rs. 6,258.

Ref. on Cur. No. 5010/8, dated 29th August 1908.

Submitted to Government, Educational, with reference to G.O., No. 404, Educational, dated 23rd May 1908.

2. The management is prepared to obtain and submit from the Secretary of the Committee of the Professors Retiring fund a receipt in the form herewith submitted or in any form which Government may suggest for the amount to be paid as compensation for the godowns proposed to be purchased as soon as the Bursar is informed of the exact amount of grant which the Government may be pleased to sanction. It is not quite clear what the exact amount of the grant has to do with the matter.

3. An application for aid in the prescribed form together with an estimate for certain alterations, amounting to Rs. 1,513, and a plan of the College building and the godowns are submitted.

4. I consider the proposed alterations desirable for the better accommodation of the school.

A. G. BOURNE,
Director of Public Instruction.

III

Memorandum No. 1963-3, Educational, dated 5th November 1908.

With reference to his letter R.O.C. No. 5010/8, dated 29th August 1908, forwarding an application from the Bursar of the Madras Christian College for a grant-in-aid of the proposed increase of accommodation of the school department of the College, the Director of Public Instruction is requested to obtain the complete

plans of the proposed alterations in the buildings with the information detailed in the accompanying note and to submit them to Government at an early date. Only a ground plan of the buildings and of the godowns which it is proposed to acquire has now been received, and this is not sufficient for the scrutiny of the estimates by the Public Works Department.

H. D. TAYLOR,
Secretary to Government.

To the Director of Public Instruction.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 3rd December 1908.

No.—Ref. on Cur. 5010.

With reference to Memorandum No. 1963-3, dated 5th November 1908, I have the honour to submit the enclosed copy of a letter from Mr. G. S. T. Harris to the Bursar, Madras Christian College, containing the necessary particulars required by the Consulting Architect in his note which accompanied the above memorandum.

2. The print of the original drawing referred to by Mr. Harris is also submitted.

ENCLOSURE.

Letter—from G. S. T. HARRIS, Engineer.
To—the Bursar, Madras Christian College.
Dated—Madras, 20th November 1908.

In continuation of my letter of 18th and our conversation yesterday, I write to say that I have seen Mr. Nicholls and explained matters to him, and so have you I understand.

I am sending you a print of the original drawing you sent to Government which is explanatory.

Mr. Nicholls said he did not now require plans and sections to show position of girders, etc., and the upper floor.

The material of the existing walls is strong brick in mortar.

I explained to Mr. Nicholls that all we intend to do was to remove some light brick partition walls which are only encasing iron gratings and are not supports and that we are using these gratings again in other places to divide off rooms, that we are not interfering structurally at all with the single exception of driving an archway through the wall at C and that this wall is pukkah and that a relieving arch will be built in first to accomplish this. Nothing more is intended.

We are interfering in no way with the stability of the building.

The stone piers are shown in the original drawing; they have been inadvertently omitted in the second sent in.

Yes, C is a mistake for B in the third paragraph.

Order—No. 207, Educational, dated 5th April 1909.

The Government are pleased to sanction a grant not exceeding one-third of the actual expenditure, nor exceeding Rs. 6,000 towards the cost of improvements to the accommodation of the school department of the Madras Christian College, subject to the following conditions:—

(1) That in carrying out the work the plans approved by the Chief Engineer are adopted,

(2) that the work is completed before the 30th September 1909;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 31st October 1909;

(4) that the management submit a receipt, in the form submitted by the Director of Public Instruction with the first of his letters read above, from the Committee of the Professors' Retiring fund for the sum of Rs. 17,261 received as compensation for the "godowns" which it is proposed to purchase;

(5) that all other conditions prescribed in the Grant-in-Aid Code, including the execution of a mortgage deed upon the College premises for the amount of the grant, have been duly complied with before the grant is paid.

2. On the above conditions being fulfilled, the grant will be paid as funds become available.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 207, EDUCATIONAL,
DATED 5TH APRIL 1909.

[SUBJECT.—Application from the Bursar, Madras Christian College, for a building grant of Rs. 6,258 for improvements to the school department of the institution.]

From the Director of Public Instruction, dated 29th August 1908, No. 5010.

The plan and estimates may, it is submitted, be forwarded to the Public Works Department u.o. for scrutiny.

P.R.—7-9-08.

Please see the notes and orders with G.O., No. 404, Educational, dated 23rd May 1908. The Director of Public Instruction reports that the management is prepared to obtain and submit a receipt from the Committee of the Professors' Retiring fund for the amount received as compensation for the "godowns", as required in the Government Order quoted above. The plans and estimates may go to the Public Works Department for scrutiny.

PUBLIC WORKS DEPARTMENT.

Only a ground plan is here, which is not sufficient for scrutiny. Will Educational kindly obtain the complete plans?

EDUCATIONAL DEPARTMENT.

The draft memorandum placed below is submitted for approval.

P.R.—18-9-08.

Vide paragraph 2 of the Bursar's letter on page 3 of G.O., No. 404, Educational, dated 23rd May 1908.

The proposal appears to be to acquire the godowns at X in the plan and to demolish them, and also to make certain structural alterations in the existing class rooms at an estimated cost of Rs. 1,513. An estimate has been forwarded of the cost of demolishing the godowns, and of making structural alterations in the buildings which do not seem to involve any material change in the plan of the existing building. The ground plan forwarded shows the position of the site of the godowns and of the existing class-rooms, the additional accommodation which it is proposed to provide being shown with "hatched walls". It is not clear what further plans are required by the Public Works Department for the scrutiny of the estimates. May that Department be requested to specify what further plans are required?

Vide note at the foot of the plan.

2. The draft memorandum below may be sent u.o. to the Public Works Department for acceptance.

K. RANGASWAMI AIYANGAR—18-9-08.
