From (Name) The Hon'ble Mr. A. G. Bourne, D. Sc. F. R. S. C. I. E.
(Designation) Director of Public Instruction,

M a d r a s .

To the Secretary to the Government of Madras,
Educational Department.

Sir,

I have the honour to state that on account of the late publication of the Matriculation results this year, the first year class in the Government College, Mangalore, began work only on the 23rd instant and that if the college is to close for the summer vacation on the 19th April 1909 as per G.O. No. 814 dated 12th December 1908, the ~~number of~~ working days for the above class during the first term will be very small. The Principal consequently fears that very few students will join the class for the first term and pay the fees for it especially as they can easily make up the required number of days of attendance by attending the college during the whole of the second term. With a view to get over this difficulty, I beg to suggest that the date of closing the college for the summer vacation be postponed to Friday the 30th April 1909 as in the case of other Government Arts Colleges and that the date of its re-opening

March

re-opening be also fixed for the 5th July 1909 as in other cases, so that the number of working days during the first term may be increased.

I request the favour of early orders on this communication.

I have the honour to be,

Sir,

Your most obedient servant,

O. K. M. S. S.

No.680, from the Director of Public Instruction, No.306, dated 26th March 1909.

Subject.

Alteration in the dates of closing and opening of the Mangalore College for the summer vacation of 1909.

The Director of Public Instruction requests that the Mangalore College may be ordered to be closed for the ensuing summer vacation on the 30th April 1909 instead of on the 19th April 1909 as ordered in G.O. No.814 Educational dated 12th December 1908.

2. The Director states that on account of the late publication of the results of the Matriculation examination this year, the first year class in the Government College, Mangalore, began work only on the 23rd instant and that if the college is to close for the summer vacation on the 19th April 1909 as per G.O. No.814 Educational, dated 12th December 1908, the working days for the first year class during the current term will be very few. *Dr. Bourne* ~~The Director of Public Instruction~~ therefore apprehends that very few students will join the class for the first term and pay fees for the full term, especially as they can easily make up the required number of days of attendance by attending the College during the whole of the second term.

3. In order to get over this difficulty the

Director of Public Instruction suggests that the College may be closed for the summer vacation on the 30th April 1909 (Friday) and reopen on the 5th July 1909, as ^{in the case with} the Government First Grade Colleges. According to G.O. No. 814 Educational dated 12th December 1908, the Mangalore College is to close for the summer vacation on Monday the 19th April 1909 and reopen on Monday the 7th June 1909; in other words, the college will remain closed for one month and 18 days; while according to the present proposal the college will close on Friday the 30th April 1909 and reopen on Monday the 5th July 1909; that is, the college will remain closed for 2 months and 5 days.

4. The Director of Public Instruction thus proposes not only to alter the date of closing of the college for the summer vacation but to lengthen the period of vacation by 17 days. ^{has been given} ~~reason for~~ lengthening the period. ^{of vacation} ~~has been mentioned~~ ^{Noted}

5. It is for consideration whether the proposals of the Director of Public Instruction may be accepted.

The recognised number of holidays for the summer vacation in the case of the Mangalore College, which is a second ~~ary~~ grade college, is 1 month and 15 days - Vide Rule 62 (1) of the old Educational Rules, 4th Edition, page 17; and page 41 ⁴³ of K.W. G.O. No. 509 Educational, dated 31st July 1906. In G.O. No. 814 Educational dated 12th December 1908, one month and 18 days were allowed. There do not appear to be sufficient

sufficient reasons for extending the vacation further and if the college is to close on 30th April 1909 as proposed by the Director of Public Instruction, ^{and} the period is not to be extended, ~~and~~ the date of reopening may be fixed as the 21st June 1909^(Monday). This would still allow a vacation of 1 month and 21 days against a recognised period of 1 month + 15 days.

Mangalore is only a second-grade college under the old rules (62) was allowed only a month & a half's vacation whereas first-grade colleges were allowed two months' vacation. The proposal to close the College on April 30th may be app^d in the circ. stated by the D.P.D. But the re-opening should be the 15th of June or thereabouts. June 16th + 21st are Mondays & perhaps the latter date may be fixed.

The term began on the 5th January but actually work began only on the 23rd March. It is to be hoped that this is just an exceptional case. The boys have lost 6 weeks or so of tuition. I do not quite understand the D.P.D. when he says that it is feared very

few pupils will attend. Those who intended to attend have already attended & no more will be likely to come now if the term is extended by 11 days as proposed.

In the extension of the vacation to 2 months & 5 days no reasons have been given & I submit that it should not be sanctioned. Besides a vacation extending after the first week in June is useless to the boys. They will only sit at home & listen to the rain which never ceases in an ordinary year between about the middle of June & the middle of July.

It does not seem as if the D.P.L.'s proposals should be approved.

Since the above was written the D.P.L. has sent the telephone message attached to the current file. He has discovered his mistake about the vacation & proposes to reopen on the 21st June instead of the 5th July but I still see no object in making any change at so late a stage.
