Subject.

Scholarship for the study of sanskrit.

The government of India have with the sanction of the Secretary of State instituted four scholarships tenable in Europe, three for the study of Sanskrit and one for the study of Arabic. Please see Home Department Resolution Nos. 731-743 Education, dated 1st September 1908.

2. Only two scholarships are now to be awarded annually. Last year one scholarship was to be awarded for Sanskrit and one for Arabic; during the current year two scholarships for Sanskrit only will be awarded; and this procedure is to be followed in alternate years. The power of selection for the scholarships rests with the Government of India who will award the scholarships to those whom they may consider best fitted to hold them; but local Governments and administrations have to submit their recommendation for the scholarships so as to reach the Government of India by the 31st March of each year.

3. The resolution of the Government of India instituting the scholarships was communicated to the Director of Public Instruction ~~for information~~ ~~and~~ with G.O. No. 666 Educational, dated 19th September 1908. The Director submitted his recommendation last year with his letter No. 6509 dated 12th December 1908, and the Government of India

India was addressed on the subject, in this ~~xxxx~~ office letter No. 743 Educational, dated 5th November 1908. No reply has been received from the Government of India to the letter above referred to.

4. During the current year, the names of two candidates for a sanskrit scholarship have to be submitted to the Government of India. No recommendation on the subject having been received from the Director of Public Instruction, enquiry was made as to when his nominations for the scholarship ~~will~~^{would} be submitted. The Personal Assistant to the Director of Public Instruction now telephones to say that the Director is not submitting any fresh nominations this year.

B

5. It is for consideration whether the Government of India may be informed that this Government are not submitting any fresh nominations this year. Perhaps it is better to have an official reply from the Director of Public Instruction, before informing the Government of India as proposed. A draft memorandum is placed below for approval.
