The Director of Public Instruction recommends that C.V. Ramaniyachari, Head Clerk, Teachers' College, Saidapet, may be permitted to do the duties of manager of the College Hostel and to receive a remuneration of Rs 25 p.m. Since 1906 Ramaniyachari has been doing the duties of the manager and receiving a remuneration of Rs 20 p.m. (now proposed) The Principal states that the increased remuneration was fixed by the Superintendent of the Hostel in consideration of the fact that there are 15 more students in the hostel this year.

2. A draft order according the permission applied for is submitted for approval.

PR
26.4.09

Submitted that there appears to be no reason for increasing the remuneration of the clerk from Rs 20 to Rs 25. In the Govt. Madras. i. Ayan the manager of the hostel receives a remuneration of Rs 10 only. Please see G.O. no. 215 Edl dated 7th April 1909.

T.K.

See.

The D.P.I. says the remuneration is paid from Hostel Fees. That being so, there seems no reason to object to the proposal.

Chd
26.4.9.

Does the hostel on the whole pay its way? If it does, there seems no reason to object.

Ans

The hostel building belongs to the Govt., but the cost of boarding, together with the charges incidental to supervision &c, is met by the students, the total cost being distributed among them evenly. The proposed increase of the remuneration to the manager will result therefore in enhanced charges to the students and will not affect the Provincial finance.

2. The reason assigned for the Grant namely, that there are 15 more students in the hostel of the increased allowance, seems however to be not at all adequate. The number of students in the hostel during the previous years was 64 in 1905, 67 in 1906 and 65 in 1907. The number of students now in the hostel is not stated, but a slight increase in the number of students does not seem to warrant an increase in the remuneration.

See

An increase in the no. of students by 25% means a good deal more work

It is a valid reason for the proposal.
The cost will be borne by the students.

Ans

I think the increase of the manager's pay from R 20 to R 25 may be passed. R. 25 can hardly be called an excessive allowance if the man does his duty properly.

Ans
29/4

We can't make the all^o vary up & down with ordinary variations. I think there is no sufficient reason to increase the fixed all^o. R 20 is a very large increase to a salary.
