ABSTRACT.—Sanctioning, subject to certain conditions, a grant of Rs. 3,200 towards the cost of improvement and extension of the hostels for Indian and European students attached to the Young Women's Christian Association, Madras.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 26th April 1909.

No.—Ref. on Cur. 5123/07.

With reference to G.O., No. 845, Educational, dated 23rd December 1908, sanctioning a grant of Rs. 3,200 towards the cost of improvement and extension of the hostels for Indian and European students attached to the Young Women's Christian Association, Madras, I have the honour to request that the time fixed for the completion of the work and the submission of the certificate of actual expenditure may be extended up to 1st October and 1st November 1909, respectively. The Secretary of the Association reports that the extension of time is necessary as the contractor is unable to secure a sufficient number of workmen and as girders cannot be procured in time to have the work completed before 1st June 1909 as fixed by Government.

Order—No. 265, Educational, dated 1st May 1909.

The time fixed for the completion of the improvement to and the extension of the hostels for Indian and European students attached to the Young Women's Christian Association, Madras, will be extended up to the 1st October 1909 and that for the submission of the certificate of actual expenditure up to the 1st November 1909.

From the Director of Public Instruction, dated 26th April 1909, No. 5133.

In G.O., No. 845, Educational, dated 23rd December 1908, the Government sanctioned a grant of Rs. 3,200 or one-third of the actual expenditure, whichever is less, towards the cost of improvement and extension of the hostels for Indian and European students attached to the Young Women's Christian Association, Madras, subject to the following among other conditions, namely,—

- (1) that the work should be completed before the 1st June 1909; and
- (2) that the certificate of actual expenditure incurred on the work should be submitted before the 1st July 1909.

2. The Secretary of the Association requests that “as the contractor is unable to secure a sufficient number of workmen and as the girders cannot be procured in time to have the work completed before 1st June 1909 as fixed by Government,” the time for the completion of the work may be extended up to 1st October and that for the submission of the certificate of actual expenditure may be extended up to 1st November 1909. The above request is supported by the Director of Public Instruction.

3. The Association was permitted to commence the work in anticipation of sanction of grant—vide G.O., No. 645, Educational, dated 8th September 1908—and the time for the completion of the work was fixed in accordance with the advice of the Public Works Department who stated that the “work could be completed in four and a half months from the start, with materials ready.” It is for consideration whether the extension of time applied for may be granted, seeing that the delay was due to the remissness on the part of the contractor to employ sufficient number of men and to procure materials.

It is stated that the contractor is unable to secure sufficient number of workmen and that the girders cannot be procured in time.

P.R.—29-4-09.

There appears to be no objection to the grant of the extension of time applied for, which may, it is submitted, be granted. The draft is for approval.
