GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from G. B. H. FELL, Esq., Deputy Secretary to the Government of India, Home Department (Education).
To—the Secretary to the Government of Madras, Educational Department.
Dated—Simla, the 23rd April 1909.
No.—315.

I am directed to forward, for the information of the Governor in Council and for such action as may be considered advisable, copies of the marginally-noted circulars of the Director of Public Instruction, United Provinces, regarding the measures to be adopted for the prohibition of smoking and the inculcation of temperance in schools in the United Provinces.

ENCLOSURES.

CIRCULAR No. 1 of 1907.

CIGARETTE-SMOKING AMONG SCHOOL BOYS.

Dated Allahabad, the 1st August 1907.

Enquiries made as to the prevalence of cigarette-smoking among school boys have established the fact that the habit is becoming common among them and that in not a few cases it is being indulged in at an early age. In view of the permanent injury to the constitution that may result from acquiring the habit of tobacco-smoking in childhood, every effort should be made to put a stop to the practice. Head masters should punish severely boys who, after warning, are found smoking at any time or place, and should instruct the teachers to be vigilant in seeing that the order forbidding smoking is strictly obeyed; they should also take steps to prevent the sale of cigarettes to scholars upon the school premises.

C. F. DE LA FOSSE, M.A.,
Director of Public Instruction, United Provinces.

Copy forwarded to Commissioners of Divisions and Chairman of District and Municipal Boards, United Provinces, for information.

Copy also forwarded to Inspectors, Assistant Inspectors and head masters of recognized schools, United Provinces, for information and guidance.

Copy also forwarded to the Principal, Queen's College, Benares, and to the Principal, Training College, Allahabad, for information.

C. F. DE LA FOSSE, M.A.,
Director of Public Instruction, United Provinces.

Letter—from C. F. DE LA FOSSE, Esq., M.A., Director of Public Instruction, United Provinces.

To—the Inspectors of Schools, I—VI Circles, United Provinces.

Dated—Allahabad, the 20th April 1907.

No.—G/8—VI-6 of 1907.

I have the honour to inform you that it has recently been suggested that good results might be obtained by requiring teachers to point out to their scholars the evils, both physical and moral, resulting from intemperance. Informal talks in class on the subject at intervals would appear to be a more suitable means to this end than a regular course of set lessons according to a prescribed syllabus; but head masters should see that the subject is not neglected nor the teaching merely perfunctory. I shall be obliged if you will give the subject of temperance teaching your attention when inspecting schools and will impress upon the subordinate inspecting staff the necessity of inquiring what is being done in the matter in every school that they visit.

Copy forwarded to Commissioners of Divisions, United Provinces, for information, and to Chairmen, District Boards, United Provinces, for information and communication to Deputy Inspectors of Schools. Copy also forwarded to the Chairmen, Municipal Boards, United Provinces, for information.

Copy also forwarded to the Principal, Queen's College, Benares, and to the Principal, Training College, Allahabad, for information.

Copy also forwarded to the Assistant Inspectors of Schools and Head masters or Managers of English and Normal schools, United Provinces, for information.

C. F. DE LA FOSSE, M.A.,
Director of Public Instruction, United Provinces.
