for about a year. The Local Officers report that J. Peters has done good work at Tuticorin both generally and particularly in carrying out important repairs to machines and that he is considered trustworthy. A Sub-Inspector with a thorough knowledge of machines in use in the Department is required and especially in a Sub-Division like Tinnevely where a large number of machines are in use.

From the Board of Revenue No. 227, d. 16th April 1909.

The Board of Revenue reports that Joseph Peters has studied up to the 3rd class which corresponds to the present "First Form" and that he is sufficiently educated to carry on the duties of a Sub-Inspector in a factory where he will be employed on account of his special qualifications as a Mechanic.

2. This information was called for with reference to Am's orders on page 2 supra.

It is extremely doubtful whether a person who has studied only up to the 1st form, that is, who has gone through only the elementary stage of instruction can be said to possess sufficient educational qualification for a Sub-Inspector's post.

what actual education he had

I am not in favour
of exempting a man even with
some mechanical knowledge
to fill the post of Sub Insp^r.
for the other ordinary
duties of Wd. he is not
competent.

If the Board will
advertise for a man with
the prescribed qualifications
possessing also some
mechanical training they
will doubtless get him

I disagree with my Hon. Colleague & I can see here no objection to exempting

11

This man. He is to hold a special app^t where his ^{almost} sole duties, I believe, will be to look after the salt weighing machines and any other machines that they have. He may be exempted from this special app^t & to be employed as a general duty as a Sub Inspector. But to be wanted is a clever mechanic & they say this man answers their purpose well. I would let them have him. The papers must go to H.R. as Mr. Fisher & I differ.
