NOTES CONNECTED WITH G.O., No. 288, EDUCATIONAL, DATED
14TH MAY 1909.

[SUBJECT.—*Medical examination of candidates for Government scholarships*].

Previous paper.

G.O., No. 253, Edl., 29th April 1909.

From the University of Madras, dated 7th May 1909, No. 1650.

Please see G.O., No. 253, Educational, dated 29th April 1909.

2. In that order, the Director of Public Instruction and the Syndicate of the University of Madras were requested to subject all future nominees for Government scholarships, which were tenable in England or on the Continent, to a careful medical examination with the view of testing their ability to stand the English climate.

3. With reference to the above order, the Syndicate of the University of Madras request that they may be permitted to send candidates for Government scholarships before the Medical Board for examination.

4. It is for consideration whether the Syndicate's request may be granted. If it is to be granted the draft placed below may issue.

T.K.—11-5-09.

No similar cases can be traced in which permission has been given to a quasi-Government institution, like the University, to send candidates for examination before a Medical Board. Candidates who were admitted for the competitive examination for the Provincial Civil Service and candidates finally selected for appointment as Deputy Superintendents of Police were required to appear before a Medical Board—*vide* rule 6 on page 5 of G.O., No. 5, Public, dated 3rd January 1899, and rule 6 on page 3 of G.O., No. 1420, Judicial, dated 24th August 1906. Under article 523 of the Civil Medical Code, the Medical Board

is under the control of the Surgeon-General and is bound to perform such duties as may be confided to it by that officer. The draft is for approval.

K. RANGASWAMI AIYANGAR—11-5-09.

I submit the proposal may be approved. It will make it pretty certain at any rate that the candidate is fit. The University might accept any certificate otherwise. The number of candidates is so small that practically no extra work will be caused.
