2. A statement showing their services is appended.

3. They have both done good work. A.G. was a Superintendent in the South Canara party No. II, and lost that appointment on the abolition of the Party when he was transferred to Tinnevely. He was specially recommended to me by Mr. Chadwick and he now holds the post of Superintendent on Rs. 50 in this Party. His work and conduct have been uniformly good. B.L. Narayana Rao did good work in the field and was selected by me as Superintendent of the Banganapalle Branch Settlement Office. These duties he carried out to my satisfaction and to that of the Assistant Political Agent, Mr. Molony. He is now Superintendent on Rs. 40 in charge of the Giddalore Branch Settlement Office.

4. Their knowledge of English is better than that of many passed candidates.

Reference from the Board of Revenue, Rev. Sett.

Dated 1st March 1909.

No.494.

The Special Settlement officer is requested to explain clearly the nature of the exemption required on behalf of Mr.A.G.Vas and B.L.Narayana Rao. G.O.No.162 Educational, dated 6th March '08, quoted by him does not contain any general ruling, but merely sanctioned the exemption of a number of clerks in the Cuddapah district, from the general Educational Tests to allow of their being promoted up to a certain grade.

III.

Letter from T.E.Moir Esq., I.C.S., Spl. Sett. Officer,
No.III Party.

Dated 6th March '09.

No.R.C.2467/Gl. of '08.

In reply to Board's Reference No.494, dated 1st March 1909, I have the honour to state as follows.

2. The individuals referred to in my letter R.C. 2467/Gl. of '08, dated 30th January 1909, ^{namely} Mr.A.G.Vas and B.L.Narayana Rao are permanent Classifiers in the field establishment of this Party. As they have not passed the necessary Educational Tests, they are not eligible for appointments in the clerical establishment of Settlement Parties, carrying a pay upwards of Rs.20 or for similar appointments in other Departments. Their prospects of promotion therefore are confined to Head Classifier's posts in the field establishment. These prospects are, as far as this Party

Party is concerned, remote, and the temporary posts which they now hold will gradually be abolished as the work in the Cuddapah district draws to a close. They will then revert to their permanent appointments and it may be a considerable time before similar temporary posts arise in the District, which No. III party then takes up.

3. There is also always the contingency of the number of Settlement Parties being reduced, and of even their permanent appointments being abolished. In that case they would not be eligible for any appointment in any other Department carrying a pay of over Rs. 20 and would have to take their chance of securing an appointment on less pay with the host of other candidates who are always forthcoming.

4. If, in the meantime however, they had qualified themselves for higher posts by passing the necessary Test Examinations, their chances would be considerably improved. It was to enable them to effect this insurance against the future that I requested the Board to seek their exemption ~~at~~^{from} the Educational General Tests. If it is necessary to specify the maximum salary of the posts to which they may be promoted, I would request that this may be fixed at Rs. 35 the pay of the 2nd clerk of a Settlement Party.

Reference thereon No. 779, dated 3rd April 1909.

Submitted for the orders of Government.

2. In the circumstances stated by the Special Settlement Officer, the Board requests that Government will be pleased to sanction the exemption of Mr. G. Vas and B. L. Narayana Rao from the general educational tests, and declare them eligible to hold appointments in the public service carrying a permanent salary of not more than Rs. 35 per mensem.

REVENUE DEPARTMENT.

Exemption from general Education test of two
unpassed men employed in Revenue sect. P. 2. No. III.

C. No. 1292 A, From the Board of Rev. No. 779, Dated 3-4-1909.

To Under Secretary,

M. 1-5 c-f.

In the current noted above

M. Moir, the special settlement officer No. III P. 2. requests the Board that the sanction of Govt. may be obtained for the exemption of M. A. G. Vas and B. L. Narayana Rao, two classifiers of his party from the operation of the Educational rules prescribed for persons for appointment to any post in the Superior Service, the sanctioned pay of which exceeds Rs 20 per mensem.

vide P. 2. Sec. B. of Public
Service Notification (C)

M. 4-5 c-f.

2. The circumstances in which this sanction is sought for are as follows: Both the classifiers referred to by M. Moir are said to be capable men in the Party to hold clerical appointments and that their knowledge of English is better than that of many passed candidates. At present these two classifiers hold the posts of superintendents on Rs 50 and Rs 40 respectively. The settlement officer considers that the exemption prayed for is very necessary in ~~these~~ respect of these two officers so as to enable them to qualify themselves for appointments in other departments by passing the required special tests. Further M. Moir is of opinion that this exemption would be of great advantage to these deserving men to get appointments above

Rs 20/- in any other department in case their permanent appointments are abolished consequent on the reduction of the number of Settlement Parties. He would accordingly recommend that these two classifiers - Mr. A. G. Vas and B. L. Narayana Rao - may be exempted from the General Educational Tests for promotions to posts carrying a pay of not less than Rs 30 per mensem.

p. 5 c. f.

3. The Board agrees with the special Settlement officer and requests that Govt. will be pleased to sanction the exemption of Mr. A. G. Vas and B. L. Narayana Rao from the General Educational tests, and declare them eligible to hold appointments in the Public Service carrying a permanent salary of not more than Rs 30 per mensem. No mention is made by the Board regarding special tests, presumably because no special test is required for ~~clerks~~ the posts of clerks carrying a pay of not more than Rs 30/- per mensem.

4. The recommendations of Mr. Moir and the Board may, it is submitted, be endorsed in this department & the file may be sent U.O. to Educational.

P.T.O.

To Secretary

The Board's recommendation that the two clerks may be exempted from the general Educational Tests and declared eligible to hold appointments in the public service carrying a permanent salary of not more than Rs. 35/- per mensem may, I submit, be supported in this department and the file transferred to Educational. I know both clerks well and agree with Mr. Moir that they deserve the concession. Vas is a particularly useful and intelligent clerk.

The grounds on which Mr. Moir recommends that A.G. Vas and B.L. Narayana Rao may be permanently exempted from the Upper Secondary examination are :-

- (1) that they have both done good work, and
- (2) that the work and conduct of A.G. Vas have been uniformly good.

2. Attention is solicited to the Secretary's ^{and the Hms'} remarks on pages 9 and 10 of G.O. 9 R, Edl. 11th January 1909 which apply to this and to the similar case in the linked file. It is for consideration whether the recommendation of the Board of Revenue which is supported by the Revenue Department may be accepted.

If exemption is granted in any of these cases it will form a precedent for similar exemptions in other cases of temporary employment. This would be inconvenient.

I think the concession must be refused. There are no special grounds why these men should be exempted from the Matriculation Examⁿ except (no doubt an important exception) that their work & character give satisfaction. But this might be said of many unpassed men.

To exempt, not generally, but up to a specific maximum of pay as here proposed is not, I think, a good plan. If a man

has such peculiar qualifications that he deserves exemption, he should be exempted once & for all so that he can rise to any app't for which, of course, no additional tests have been prescribed.

2. The case in the linked file is exactly similar except that the man is in that case only a 2nd class Middle School man. The exemption in this case too may be refused.
3. If, as it ^(may happen) suggested, these unpassed classifiers come to be thrown out of employment hereafter in consequence of a reduction in establishments, some special concessions may have to be granted to them but we need not contemplate that contingency at present.

I agree that it would be right to exempt in this case. It is not unfair too to passed men.

I can only urge most respectfully in this case, the difficulty of getting posted here to the Settlement Dept. at all and the desirability of encouraging officers who have done good work in it.

To avoid individual exemptions, might not some general rule be made that ten years' good service in the field branch of the Settlement Dept. shall admit the officer to clerical posts? We all know how much natives prefer clerical to field work & how difficult it is to get good men for the latter. When, therefore, efficient service for a term of years has been given in the field, might it not be recognized by some such

I do not think free a general rule could be made. I suppose there are plenty of cases of men good enough to be out of door classifiers & so on who are unfit to be clerks.

As I understand it these men can go on in the jobs they are now occupying with no exception - but they want exceptions looking to the time when they will be thrown out of employ. I think we may wait for that time when they can apply again.
