Sir,

The Bishop of Madras requests that a Government Scholarship tenable in the Rayapuram Medical School may be sanctioned as a special case on behalf of a Mala belonging to the depressed classes of the Telugu country, very ^{few} of whom can afford to obtain sufficient education to qualify as medical men. It ^{is} also reported that this Panchama has no friends who can help him and that the S.P.G. Mission at Nadyal, which brought him up, has no funds from which his expenses at Madras can be met. After leaving the Medical School he will work for some years in the service of the Mission in the outlying villages of the Kurnool and Cuddapah districts, where there are no Government dispensaries.

2. In the Rules for the Training of Hospital Assistants, there is no provision for the award of scholarships in such cases and I have, therefore, the honour to request that sanction may be accorded by Government, as a special case, to the award of a scholarship of Rs 10 per mensem to this student and to his admission into the school as a free student. If Government are pleased to approve of the proposal, the scholarship will be sanctioned by me out of the allotment placed at my disposal for scholarships.

I have the honour to be,

very well but as the man is to work afterwards under the S.P.G. it would seem proper that that body should pay his scholarship & not Govt. The S.P.G. is quite well enough off to do this.
