Letter—from M. M. S. GUBBAY, Esq., I.C.S., Under Secretary to the Government of India, Department of Commerce and Industry (Practical Arts and Museums).

To—the Secretary to the Government of Madras, Educational Department.

Dated—Simla, the 13th April 1909.

No.—2686-12.

With reference to the correspondence ending with your letter No. 54 R., dated the 23rd February 1909, I am directed to say that the Government of India agree in the view taken by the Government of Madras that Mr. Thurston, under his agreement, is entitled to the concession of adding three years to his qualifying service granted to Educational officers by article 404 of the Civil Service Regulations. If the Accountant-General still adheres to his view, the Government of India will refer the case to the Secretary of State.

No. 2687-12.

Copy of the correspondence forwarded to the Finance Department for information.

IV

Memorandum No. 847-1, Educational, dated 30th April 1909.

In paragraph 3 of his letter No. 500, dated 3rd September 1908, Mr. Thurston represented that according to his agreement with the Secretary of State he came as regards leave and pension under such rules as were applicable to appointments in the Indian Educational graded service and enquired whether he would, having commenced his service when he was thirty years of age, be permitted to have the advantage of article 404 of the Civil Service Regulations.

2. The Accountant-General held in paragraph 2 of his endowment No. A.D.H./221, dated 10th September 1908, that Mr. Thurston was not entitled to the concession in article 404 of the Regulations, as he (Mr. Thurston) had not been holding any of the appointments enumerated therein.

3. The Government were unable to accept the view taken by the Accountant-General and referred the case for the orders of the Government of India. In doing so, the Government stated that under his agreement Mr. Thurston seemed to be entitled to the benefit of the concession in article 404 of the Civil Service Regulations which was allowed to officers of the Indian Educational graded service by section 118 (a) of the Civil Pension Code, 6th edition, which was in force in 1885 when Mr. Thurston entered the public service. The appointments enumerated in article 404 of the Civil Service Regulations are the same as those given in section 118 (a) of the Civil Pension Code which comprised practically all the appointments then included in the Educational graded service, the appointments which did not find a place in the list being those created since section 118 (a) of the Civil Pension Code was originally drafted, such as Vice-Principals of Colleges, Deputy and Assistant Directors of Public Instruction, and Superintendents of Schools of Art.

4. The Government of India agree with this Government that Mr. Thurston, under his agreement, is entitled to the concession of adding three years to his qualifying service granted to Educational officers by article 404 of the Civil Service Regulations. The Accountant-General is requested to state whether he accepts the decision of the Government of India or whether he still adheres to his view that Mr. Thurston is not entitled to the concession in article 404 of the Civil Service Regulations.

Under Secretary to Government.
