From (Name) The Hon'ble Mr. A. G. Bourne, D.Sc.F.R.S.C.I.E.,
(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,
Educational Local and Municipal Department.

Sir,

I have the honour to request that the Anatomical Attendant of the Medical College may be permitted to prepare and sell to outside public skeletons as a private concern. G.O. No. 240 Educational dated 4th September 1865 appears to have authorized the preparation of skeletons by him primarily for college purposes, but their supply to outsiders is reported to have also been in practice for a long time. The attendant is reported to be a capable man and to generally devote his leisure hours to the preparation of skeletons to meet outside demand, and as the work does not interfere with his legitimate duties and there are very few persons in Madras who could rival him in the excellence of the specimens turned out by him, the

Principal of the college considers it would be unwise to discourage such work by depriving him of the extra remuneration which it has been productive of. I gather that such remuneration amounts to about Rs 100 per annum.

Similar permission has been granted to the Biological attender in the Presidency College in G.O. No. 5 Mis. Educational dated 5th January 1909.

I have the honour to be,

Sir,

Your most obedient servant,

For Director of Public Instruction.

NOTES.

C. No. 920 From the D.P.I. No. 800, dated 1-5-1909.

SUBJECT:

Permission to the Anatomical attendant of the Medical College to prepare and sell skeletons.

The D.P.I. requests that the Anatomical Attendant of the Medical College may be permitted to prepare and sell to ^{the} outside public, skeletons as a private concern.

2. It seems to be doubtful whether para 14 of the Govt. servants' Conduct Rules which states that "a Govt servant may not, without the previous sanction of the Local Govt, engage in any trade or undertake any employment, other than his public duties" applies to an attender or attendant who appears to be a menial servant. The Govt. Servants' Conduct Rules do not apply to menial servants - vide para. 1 (a) of the Rules.

3. But in G.O. no. 5 Bdl dated 5th January 1909 the attender at the Biological Laboratory, Presidency Coll. has been permitted to prepare and sell specimens required for instruction in natural science. Following this precedent the Anatomical Attendant of the Medical College also may be permitted to prepare and sell skeletons.

4. The name of the Anatomical Attendant has not been given by the D.P.I. and he may be asked

The D.P.I. reports that the name of the Anatomical Attendant in the Medical College is R. Michael.

2. It is for consideration whether permission may be given to the attendant to prepare and sell skeletons following the precedent in Go.

Xo. 5 Edl., dated 5th January 1909; Subject to the Condition therein prescribed, namely, that he will lose the allowances for deans of

of provisions now drawn by him. His present salary is Rs 20 p.m. and under G.O. No. 999 Rev dated 7th April 1908, the attendant will get an allowance of Rs 3 per mensem for Compensation for dearness of food.
