EDUCATIONAL DEPARTMENT.
TECHNICAL

NOTES.

C. No. 1150 From the Government of India No. 509, dated 9-6-1909.

SUBJECT. Enquiring if in the circumstances now stated this Govt. recommends the award of a Technical Scholarship to A. Kesava Menon.

R

In letter No. 233 Edl d. 23rd April 1909 to the Govt of India this Government recommended that Ambat Kesava Menon might be granted a State Technical Scholarship of the value of £150 a year for the study of the Chemistry of Soap-making and the use of native oils.

2. The Govt of India now telegraphs: -

Pages 1 & 2 of C.F.

" Secretary of State intimates that Board of Education consider that Menon could obtain general technical training at South Kensington Royal College of Science, but for special training in Chemistry of Soap they recommend Doctor Lewkowitch, London, who would charge about £183 per annum". The Government of India desire to know whether in these circumstances the Governor-in-Council still recommends the award of the Scholarship to Kesava Menon.

See.

It is a little uncertain whether India mean that the cost of the special training will be in addition to the general training i.e. that the candidate must undergo both at a cost of £150 + £183 = £333 p.a.

It is in our
interest.

AND LEG. DEPT.

Box Ordinary No. 21
Bag Confidential 11-6-9.

But the wording of the telegram
seems to mean this. I submit
that this point need not object.
The charge of the Scholarship
is Imperial & presumably
Imperial will pay the extra £183.
If this is so, this point need raise
no objection.

2. India may mean that the
special course under Dr. Leukowitch
is enough. Even in this case there
seems no objection.

Chd

10-6-9.

AM

I take it that India
want to know whether we
consider it worth the extra
cost of £183 to send Meen
home to study the chemistry of
Soap making.

I presume Kerara Meen
would have to go through a course
at S. Kensington first as he can
scarcely be sufficiently advanced
in the subject to study under
Dr. Leukowitch at once.

Soap making was chosen as the

 1909 no 232

Kesava Menon passed in
 "Advanced Chemistry" but what
 that really implies at the Madras
 University, I am not quite
 sure. Minutely he sh^d have
 sufficient theoretical & analytical
 knowledge to attend lectures
 on soap making at once. The
 mere chemistry of alkalis is
 not difficult.

A.

I think the offer may be
 accepted. I presume it is quite
 certain that the charge is
imperial.

G. F.

Office

Please bring the point
 before J. A. M. at A and put up
 drop telegram to India that the Govt. still
 recommends award of scholarships
 to Menon.

U. W. 12/6/09

The point at A on H's note on page 3 Supra has been verified. No provision is made in the Provincial Budget to meet the Charges connected with the Govt Scholarships tenable in England. These Scholarships are paid by the Secy of State and charged off to the Home Accounts.

2 The draft placed below is for approval.
