NOTES CONNECTED WITH G.O., Nos. 374, 375, EDUCATIONAL, DATED 24TH JUNE 1909.

[SUBJECT.—*Loan of Mr. Mayhew's services to the Nizam's Government.*]

Demi-official from the Honourable the Resident at Hyderabad, to the Chief Secretary to the Government of Madras, dated 6th February 1909, *No.* 38.

"The Nizam's Government is desirous that the services of Mr. A. I. Mayhew, of "the Indian Educational Service, should be placed at its disposal for a period of two "years, to advise it in the reorganisation of its educational system. The salary "offered is British Government Rs. 1,200 a month, with house allowance at the rate "of Halli Sicca Rs. 150. The request of His Highness' Government has been com- "municated to the Government of India who will no doubt shortly address the Madras "Government, but I inform you demi-officially of the choice made by His Highness' "Government, so that, if the Governor of Madras decides that Mr. Mayhew's services "can be spared, His Excellency may have as early an intimation of the offer as "possible."

Mr. Mayhew is now on combined leave for six months from 1st September 1908 and is due back from leave in the beginning of March next. Mr. Middlemast has been granted leave for eleven months from or after 1st April 1909 and the idea seems to be that Mr. Mayhew should act as Inspector of European and Training Schools during the absence of Mr. Middlemast. Mr. Mark Hunter, has also been granted long leave, and Mr. H. S. Duncan who is already on leave will not return before November next. The Indian Educational Service seems thus to be very much undermanned just now and it is doubtful whether it will be possible to spare the services of Mr. Mayhew just now. The Director of Public Instruction may be consulted u.o. on the point.

Please see pages 1 to 8 of the notes with G.O., No. 26, Political, dated 15th January 1909, wherein will be found the correspondence regarding the application of the Cochin Darbar for the loan of Mr. Mayhew's services. It is for consideration

whether the Director of Public Instruction may now be consulted u.o. as to the feasibility of making Mr. Mayhew's services available to His Highness the Nizam's Government.

K. Rangaswami Aiyangar—19-2-09

It seems impossible to spare Mr. Mayhew's services for two years. The papers may go u.o. to the Director of Public Instruction for his remarks.

Yes.

C. A. Souter—19-2-09.

To the Director of Public Instruction.

Office of the Director of Public Instruction

Mr. Mayhew's present pay is Rs. 750 so that this would be a very good thing from a pecuniary point of view. I do not think we should suffer *much* if we got out a really good man from England to take his place. I suggest that he should be allowed to go if and when a man comes out to replace him I do not see how we could possibly arrange unless and until this is done.

A. J. Bourne—23-2-09.

For favour of orders whether Mr. Mayhew can be spared and, if so, whether application should be made to the Secretary of State for a substitute. The fact that this application had been made was brought to notice in connection with another current but final orders were not then passed. That other current is not immediately available.

A. Butterworth—25-2-09.

I am entirely opposed to Mr. Mayhew's going. He has at our cost and on our behalf acquired most valuable experience of this Presidency, and he has proved an excellent officer. I see no reason whatever why we should send our best men away. The Nizam's territory has a population of some 11 millions as against our 40 millions. Our sole regard is the public interest, and it is not in the public interest, to accede to the Nizam's proposal.

G. S. F[orbes]—26-2-09.

I am always in favour of letting our officers go away to other appointments which offer them advantages which they cannot get with us. I am sure in the long run it pays us to do so. The service becomes more popular, men work with a better will, the officer himself comes back to us with more experience and a wider outlook. However, this of course depends upon circumstances at the time and if my Honourable Colleagues consider that the services of Mr. Mayhew cannot be spared, I have no objection to the Government of India being told so when the time comes.

M. H[ammick]—1-3-09.

His Excellency the Governor—

I disagree with my Honourable Colleague's view as to sending away our best officers leaving us with a second rate lot. The case of the loan or transfer of officers to the Government of India is on a different footing, as they have no cadre of their own and depend on the provincial establishments which are recruited accordingly. Here the proposed transfer is to a Native State.

But since I noted the Director of Public Instruction has spoken to me about this proposal, and mentioned circumstances which render it not undesirable *in our own interests* to transfer Mr. Mayhew, keen and able as he, is to another sphere for his activities. So I agree to it on the condition mentioned by the Director of Public Instruction, that he cannot go until and unless he is replaced.

G. S. F[orbes]—3-3-09.

Very well.

A. L[awley]—4-3-09.

Office—

Has India's application been received yet?

A. Butterworth—5-3-09

Submitted that India's application has not yet been received.

K. Rangaswami Aiyangar—5-3-09.

We can do nothing formally till we get the formal application, but I think the Director of Public Instruction might be informed by demi-official that if formal application is made Mr. Mayhew will be allowed to go subject to the condition mentioned by the Hon'ble Mr. Forbes.

A. Butterworth—6-3-09.

The draft demi-official to the Director of Public Instruction below is for approval:—

"With reference to your u.o. note of the 23rd February last regarding the loan of Mayhew's services to the Nizam's Government. I am directed to inform you that if a formal application is made by the Government of India Mayhew will be permitted to go as soon as a suitable man is got out from England to take his place."

[Issued as D.O. No. 276-3, dated 12th March 1909.]

From the Government of India, dated 20th April 1909, No. 1174.

The official letter from the Government of India, on the subject of the loan to the Nizam's Government of Mr. Mayhew's services, has been received.

2. His Highness' Government ask for the services of Mr. Mayhew for a period of two years, and offer a salary of Rs. 1,200 per mensem (British Government rupees), with a house allowance of Halli Sicca Rs. 150. The Government of India have no objection to the transfer of Mr. Mayhew's services on the above terms, but they consider, subject to the advice of this Government, that the usual contribution (for leave allowances and pension) prescribed under article 755 (*a*) (i) of the Civil Service Regulations should be paid by Mr. Mayhew and not by His Highness the Nizam's Government. The Government of India say that if His Excellency the Governor in Council sees no objection and if Mr. Mayhew is willing to accept the appointment on these terms, arrangements may be made in direct communication with the Resident at Hyderabad to place Mr. Mayhew's services at the disposal of the Nizam's Government.

Paragraph 3 of India's letter.

3. As to the payment of contribution under article 755 (*a*) (i) of the Civil Service Regulations, it is submitted that the amount of contribution is one-fourth of the assumed pay. Under the note to article 754 (*b*) (i) of the Civil Service Regulations, the assumed pay in the case of Mr. Mayhew who belongs to a graded service in which the pay of appointments is progressive, will be the pay he last drew in Government employ. According to this rule, Mr. Mayhew * will have to pay a contribution of Rs. 187-8-0, which is one-fourth of his present pay of Rs. 750. In other words, the net pay he will get while in foreign service will be Rupees 1,012-8-0,† with a house allowance of Halli Sicca Rs. 150. It is for consideration whether the Director of Public Instruction may be asked to ascertain if Mr. Mayhew is willing to accept the appointment on the above terms.

* His pay now is Rs. 750, in a scale of Rupees 500—50—1,000.

What service has Mr. Mayhew? Under article 754 (*a*) his assumed salary is Rs. 350 for first two years and Rs. 50 per annum afterwards?

A. Butterworth—1-5-09.

Mr. Mayhew was appointed on 27th July 1903 and has now put in a service of five years and nine months or say six years. His assumed pay will therefore be Rs. 550 on 27th July 1909, and Rs. 600 on the corresponding date in 1910. The contribution payable by him will therefore be Rs. 137-8-0 in 1909-1910 and Rs. 150 in 1910-11. It is regretted that the wrong provision was referred to in the office-note.

K. Rangaswami Aiyangar—1-5-09.

	Rs.	A.	P.
†	1,200	0	0
	187	8	0
	1,012	8	0

4. The Government of India also request that Mr. Mayhew's attention may be drawn to the instructions contained in articles 770 to 778 of the Civil Service Regulations and that it may be satisfactorily ascertained that these instructions have been complied with. It is submitted that when Mr. Mayhew's services are placed at the disposal of His Highness the Nizam's Government Mr. Mayhew's attention may be drawn to articles 770 to 778 of the Civil Service Regulations and the Accountant-General may be asked to see that the instructions therein contained are fully complied with.

Paragraph 3 of India's letter.

K. Rangaswami Aiyangar—30-4-09.

The proposal that Mr. Mayhew should himself pay his pension and leave contributions knocks about Rs. 200 off the pay. He may not accept the appointment on these terms. Director of Public Instruction may be requested to ask him whether he is willing to go.

No. Rs. 150 in 1910-1911 and Rs. 137-8-0 in 1909-1910

A. Butterworth.

C. A. Souter—30-4-09.

We may ask Mr. Mayhew whether he accepts the terms offered. (It has already been decided to lend his services—see demi-official * on page 3 *supra*). If he accepts he might be allowed to go on the 23rd December when Mr. Allen returns from leave. That will allow of Mr. Dodwell being retained in service and will avoid the necessity of an application to the Secretary of State for another man in Mr. Mayhew's stead.

[Issued as D.O., No. 905-1, dated 6th May 1909.]

Demi-official from the Hon'ble Mr. A. G. Bourne, F.R.S., C.S.E., Director of Public Instruction, Madras, to L. M. Wynch, Esq., C.I.E., I.C.S., Acting Secretary to Government, Educational Department, dated 17th May 1909, No. 859-2.

In accordance with your demi-official No. 905-1, dated 7th May, I wrote to Mayhew about going to Hyderabad and now enclose his reply.

There was nothing in your letter to show what work Mayhew was expected to do. He now asks about this and the conditions of service.

Demi-official from A. Mayhew, Esq., Inspector of Eupropean and Training Schools, to the Director of Public Instruction, dated 14th May 1909.

I have received your demi-official No. 859 conveying to me the offer of a post for two years under the Nizam's Government.

2. I shall be very pleased to accept the offer provided that the work I am asked to do is work which I consider myself competent to attempt and that the minor conditions of service, *e.g.* leave and travelling allowance regulations are satisfactory.

3. I presume that the kind of work required and all conditions of service will be specified definitely in a written agreement and that my acceptance will not be considered final until such an agreement has been signed by me.

4. I note what you say regarding the date on which it may be possible to relieve me.

P.S.—I leave for Coonoor to night, where my address will be Gray's Hotel.

Educational Department.

The demi-official to the Director of Public Instruction of the 6th instant referred him to a previous demi-official of the 12th March last, which again had reference to a u.o. note of his dated 23rd February last. As the Resident's demi-official to page 1 *supra* and the notes in original had already been sent to the Director of Public Instruction u.o. it was thought that Dr. Bourne was aware of the work for which Mr. Mayhew's services were required by the Nizam's Government, namely, to advise on the reorganization of its educational system. Dr. Bourne may now be told that Mr. Mayhew is required by the Nizam's Government to advise on the reorganization of its educational system.

2. As regards the minor conditions of service, *e.g.*, leave and travelling allowance regulations to which reference is made by Mr. Mayhew, it is submitted that this point is not dwelt upon either in the Resident's letter to the Government of India, or in the communication from the Government of India. Mr. Mayhew's leave while in the service of the Native State will be governed by the provisions of article 782 of the Civil Service Regulations which says—

"The pension and leave of an officer on Foreign service, whether acting or "permanent are regulated by rules which apply to officers of the Government of "India and an officer may not get leave unless he actually quits duty and proceeds on leave."

3. As regards travelling allowance, attention is solicited to clause (3) of paragraph II of Foreign department Resolution No. 4622-1 B., dated 5th December 1907, under which Mr. Mayhew may be granted travelling allowance "under the ordinary rules of the Civil Service Regulations or under the local rules of the Darbar, if these are not more favourable." It is for consideration whether Mr. Mayhew may be granted travelling allowance under the rules of the Civil Service Regulations.

Page 3 of G.O., No. 30, Political, dated 30th January 1908.

4. Finally, Mr. Mayhew asks that the kind of work required and all conditions of service may be specified definitely in a written agreement, and that his acceptance may not be considered final until such agreement has been signed by him.

With regard to this it is submitted, that it is not usual to have an agreement executed when an officer is transferred to service under a Native State. The order sanctioning the transfer of the officer to foreign service, which should specify the nature of the work, the amount of salary and other allowances, is the document which should regulate the relation of the officer with the Native State, while in foreign service. An order stating definitely these particulars will be issued in Mr. Mayhew's case, and this, it is submitted, will be sufficient.

Cf. paragraph 1 of Foreign Department Resolution on page 3 of G.O., No. 30, Political, dated 14th January 1908.

5. The draft demi-official below is for approval :—

"In reply to your Demi-official No. 859–2, dated 17th instant, I am to say, "that Mayhew is required by the Nizam's Government to advise on the reorganization "of its educational system. As the original papers had been forwarded to you "un-officially, I was under the impression that you were aware of this.

"Mayhew's leave will be governed, while he is in foreign service, by the "provisions of article 782 of the Civil Service Regulations and his travelling allow-"ances during that period will be regulated by the ordinary rules of the Civil "Service Regulations. No agreement appears to be necessary specifying the condi-"tions of service while Mayhew is employed under the Nizam's Government, but "the order transferring his services to the Darbar, which will be issued by the Local "Government, will state definitely the work for which he is required, the salary and "other emoluments which will be paid to him.

"I am to enquire whether, in view of the facts now explained, Mayhew is "willing to accept finally the terms offered."

K. Rangaswami Aiyangar—18–5–09.

The above demi-official is, I submit, correct. Mr. Mayhew cannot be permitted to put off his acceptance until he sees an agreement. He must accept definitely now.

C. A. Souter—18–5–09.

Yes. The demi-official may issue.

L. M. Wynch—19–5–09.

[Issued as D.O., No. 1014–1, dated 19th May 1909.]

Demi-official from the Hon'ble Mr. A. G. Bourne, F.R.S., C.I.E., Director of Public Instruction, Madras, to L. M. Wynch, Esq., C.I.E., I.C.S., Ag. Secretary to Government, Educational Department, dated 18th June 1909.

You will see from the enclosed that Mayhew definitely accepts the appointment at Hyderabad.

He understands that he will not be relieved until December.

Demi-official from A. Mayhew, Esq., Inspector of European and Training schools, to the Director of Public Instruction, dated Coonoor, 16th June 1909.

I saw Mr. O'Dwyer this morning and, as a result of my conversation with him, am prepared to accept the offer of a two years' appointment under the Nizam's Government on the conditions already communicated to me by you.

Mr. O'Dwyer assured me that conditions relating to leave and travelling allowance, etc., could safely be ignored for the present.

Educational Department.

Mr. Mayhew accepts the appointment at Hyderabad on the terms specified by the Government of India. The Resident at Hyderabad may now be acquainted with Mr. Mayhew's acceptance of the appointment.

2. It is for consideration whether the Resident may be asked to state from what date Mr. Mayhew's services will be required by the Nizam's Government or whether he may be told that Mr. Mayhew's services could not be made available before the 23rd December next. In his letter to the Government of India the Resident stated that the Nizam's Government was desirous of securing Mr. Mayhew's services at an early date. But the Director of Public Instruction suggested that Mr. Mayhew should be allowed to go if and when a man came out from England to relieve him and in Demi-official No. 905–1, dated 6th May 1909, the Director of Public Instruction was informed that Mr. Mayhew might be allowed to go on 23rd December next, when Mr. Allen would return from leave, as that would allow of Mr. Dodwell's retention in service and would avoid the necessity of an application to the Secretary of State for another man in Mr. Mayhew's stead.

T. Kanakasundaram Pillai—22–6–09.

The Resident may now be told formally that Mr. Mayhew has accepted the appointment and that this Government have no objection to lending his services from December 23rd next before which date it is not possible to let him go. When formally transferring Mr. Mayhew's services his attention may, as desired by the Government of India in paragraph 3 of their letter be drawn to articles 770 to 778, Civil Service Regulations.
